PERSONAL PROPERTY SUMMARY

File No. 4575

Re: Shizuka IRIZAWA, Reg.No. 06994

July 13, 1946.

This woman signed a declaration to the Custodian on April 21, 1942. She was evacuated on September 15, 1942.

In her declaration she reported 63 pieces of personal effects left in the ^{off. in London} former Japanese School storage at Fanny Bay. Of these ¹²ten pieces were shipped to her on May 26, 1942, six pieces were shipped on June 24, 1942, and ten pieces were shipped on November 20, 1942, or around that date. This left in storage 37 pieces, most of which have since been sold at Cumberland and Vancouver, for the net sum of \$224.45. ~~A carton of photos & papers is in storage at 604 Cordova.~~ A measure was declared but there is no record of this item having been found by Custodian agent, Matt Brown. A clothes rack was not declared but was inventoried, and the file gives no disposition of this. This would be of small value and probably was discarded as unsaleable. Everything else appears to have been accounted for by sale or shipment except the rice-steamer, and Mr. Wills has reported that these articles were unsaleable here and were discarded.

A mail box not declared was sold for the net sum of \$2.96 which was credited to this account.

This woman declared \$200.00 in Victory Bonds, \$26.00 in War Savings Certificates, and 200 Yens in Japanese Bonds, all in her own possession. These did not come under the control of this office.

She declared a \$500.00 Bank Account in the Royal Bank, Main & Hastings, Vancouver, in her husband's name.

She declared the following securities:

Deep Bay Logging Company		\$2,000.00	
Vancouver Pacific Oils Ltd.		7,500	shares
Alberta Con.		100	"
Illinois Alberta Oils		200	"
Snowflake Mining		1,000	"

(no shares in this woman's name see memo July 13/46)

No funds have been paid in to her account from the Deep Bay Logging Company liquidation so far. The other shares did not come under the control of this office.

She reported the following Insurance Policies:

Monarch Life	\$1,500.00	) All on her husband's life.
Monarch Life	1,000.00	
Yorkshire Savings & Loan Assoc.	1,000.00	
Pacific Mutual Benefit Assoc.	2,500.00	

These did not come under the control of this office.

She reported the following Insurance Policies on her own life:

Yorkshire Savings & Loan Assoc.	\$1,000.00
Pacific Mutual Benefit Assoc.	2,500.00

These did not come under the control of this office.

The file reveals a joint account Custodian 3357/4575 with Tsuneto YAMASHITA, held in trust for her daughter. File reveals no other property.
This summary is certified to be in accordance with information on file. July 13, 1946

K.W. Wright, Esq.,
Counsel to the Custodian,
Office of the Custodian,
Victoria Building,
Ottawa, Ont.

Dear Mr. Wright:

Re: The Estate of Tamako YAMASHITA, and
Tsuneto YAMASHITA, and Mrs. Sawaichi
IRIZAWA (Yamashita).

I have your letter of the 25th instant referring to your telephone conversation of Saturday last and enclosing a copy of Mr. R.R. Evans' letter of May 22nd.

In reviewing this file I find that the facts are such as presented by Mr. Evans. The father, Isamu Yamashita died in 1931 leaving a fund of \$1,660.- which his widow deposited in the Bank of Montreal to the credit of herself and her husband's brother, Tsuneto Yamashita.

You ask the reason why these funds deposited in the Bank in the names of evacuees were remitted to our office. This was as a result of an advertisement of the Bank of Montreal relative to dormant accounts and a number of accounts untouched for five years or more in the name of Japanese were transferred to this office.

Some difficulty was experienced in identifying Mrs. Shizuka Irizawa, due to her having changed her name by re-marriage.

Before allocating this money to the Japanese accounts in our ledger, our Mr. Good wrote to Tsuneto Yamashita and it was at this time that his reply indicated that this fund was for the benefit of Tamako Yamashita the minor daughter of his brother, to be held until she became of age. He also informed us that Tamako's Mother had married again, now being Mrs. Sawaichi Irizawa residing at Tashme.

Upon receipt of Mr. Evans' communication our Mr. Dusenbury requisitioned a cheque for payment to Tsuneto Yamashita and a covering letter was actually written at that time. It was held up, however, due to further consideration being given to the question of our responsibility for making a disbursement to Tsuneto in view of the evident Trust on behalf of the minor child.

K.W. Wright, Esq.

Mr. Shepard has been consulted as to the Custodian's responsibility in this connection and he advises that the money should either be remitted by way of cheque drawn jointly to Tsuneto Yamashita and Tamako, or to the uncle, Tsuneto, alone upon submission of guardianship papers.

A letter to Mr. Evans is being written by Mrs. McArthur along these lines by concurrent mail and advice is also being given to Mr. Evans in regard to the removal of Tamako to Hamilton.

I regret that acknowledgment of Mr. Evans' correspondence was not made while investigations were being carried on by this office and a copy of today's letter to Mr. Evans is enclosed herein.

While it is unfortunate that Mr. Evans' letter did not receive attention, the account of Tsuneto Yamashita indicates that he has a personal estate of over \$14,000.- of which the major portion has been received by him since August 1944, so that doubtless the needs of the minor child have been cared for in the meantime.

Yours very truly,

F. G. Shears,
Director.

On June 9, 1945, Inventory No. 781, there was delivered to 604 Cordova Street one crate and two boxes belonging to this woman.

In May, 1946, you informed this office that a carton containing photographs and personal papers belonging to this woman remained on hand at 604 Cordova.

We have received a request from MRS. IRIZAWA that this carton be shipped to her. She has asked that shipment be made either CPR or CNR express. Shipment could be prepaid as we have funds to cover the cost.

Dear Sir:

Re: Tsuneto Yamashita and Mrs. Shizuko Irizawa (Yamashita)

We have received a letter from Mr. R.R. Evans, K.C., of Hamilton, dated October 27th.

As Mr. Evans appears to be asking for advice in regard to matters which are of a legal nature, will you kindly reply on our behalf direct to Mr. Evans.

I am attaching correspondence from our file which will supply the facts as we are aware of them and the manner in which the fund of \$1,600.- came into our hands.

In my letter to Mr. Wright of the 27th May you will note that I make reference to advice which you gave us at that time in regard to the payment out of these funds.

The heading in Mr. Evans' letter and other correspondence "Estate of Tanako Yamashita" is somewhat misleading. The deceased's name was Isamu and the daughter's name Tanako. For easy reference when reading Mr. Evans' letter the persons concerned are:

Isamu, the deceased (1931)
Shizuko, the wife (remarried, now Mrs. Irizawa)
Tanako, the minor daughter
Tsuneto, brother of deceased and uncle of the minor

Kindly let me have a copy of your reply to Mr. Evans and return our correspondence.

Yours truly,

F. G. Shears,
Director.

Dear Sir:

Re: Tamako YAMASHITA and Tsuneto YAMASHITA
Our files 4575 & 3357.

Your letter of December 10 has been received today.

Our review of the correspondence herein indicates that we wrote you on May 17, in part as follows:

"With reference to the disposition of the money, we would like to inquire whether it is proposed that Tsuneto YAMASHITA be appointed guardian of this infant in which case the Custodian would remit the money to him accordingly, or whether it would be in order to draw a cheque in favour of the uncle and infant jointly so that the interests of the infant might be protected in some other manner. The Custodian will be pleased to facilitate the release of this money for the girl's benefit as recommended by you."

Your reply to this letter, dated October 29, appeared to ask for advice of a legal nature and was, accordingly, turned over to our Director, Mr. Shears, who, in turn, handed the correspondence to our solicitors, Messrs. Locke, Lane, Guild and Sheppard, for the personal attention of Mr. F. A. Sheppard, who was requested to reply direct to you.

We are advised by Mr. Sheppard that pressure of business has prevented him writing to you sooner, but we gather from your letter of the 10th instant that you have now decided on a course of action and we are, therefore, pleased to forward a cheque drawn in favour of the Official Guardian for the Province of Ontario as recommended by you.

The funds in our care amount to \$1,666.40, the amount of the cheque enclosed.

Would you please acknowledge receipt of this cheque.

Mr. Matt Brown,
P. O. Box 431,
Cumberland, B. C.

Dear Sir: Re: Shizuka IRIZAWA, Reg. No. 06994

Attached are two sheets listing the goods declared by Mrs. Irizawa and the valuations she placed on her goods at the time of her declaration.

The first sheet concerns goods, which our records show were shipped to Mrs. Irizawa, or to the Custodian, and one measure that we believe was not found by you.

In the first shipment made to Mrs. Irizawa, May 26, 1942, you reported that ten items were shipped, but the shipping bill shows that 12 pieces were shipped. Do your records show what the 12 pieces were?

The shipment of November 28, 1942, is shown beside the list of goods requested in Custodian Release of November 12, 1942. It would appear that an extra piece of effects was included in this shipment. If so, could you tell us what this extra goods consisted of?

The second sheets concerns goods sold at auction. The 21 items in the lower section of the list were sold at prices reasonably close to the owner's valuations. The seven items in the upper section of the list, however, were sold at prices far below the owner's valuations. This is especially true of the utensils. Item No. 47 was one of four items of household utensils valued by the owner at \$30.00. Nos. 48, 49 & 50 were shipped to the owner. Would you please let us know if any part of Nos. 6, 7 or 47 was shipped? Have you any record of the contents of Item No. 6, valued at \$165.00?

Were any of the contents of Items 13 & 17 shipped to Mrs. Irizawa?

Do your records give any information regarding the range, that would explain the discrepancy between the owner's valuation and the selling price?

Any information you can give us will be appreciated. Mrs. Irizawa has filed claim for approximately \$600.00 loss suffered in regard to her chattels.

Yours truly,

F. Matheson,
Office of the Custodian.

Mrs. Shimaka IRIZAWA,
Reg. No. 06994,
608 Sixth Avenue,
TASHKE, B. C.

Dear Madam:

Your file with this office has been reviewed, and it reveals that on April 21, 1942, you signed a declaration to the Custodian reporting ownership of 63 pieces of personal effects stored at the Japanese School, Fanny Bay. On May 26, June 24 and November, 1942, at your request, shipments were made to you covering 26 pieces of effects. Since that time, all saleable articles, identified as belonging to you, remaining in the protected area, have been sold at auction. The net proceeds from these sales amounted to \$224.45, which has been placed to your credit with this office. Among the articles declared by you was a measure. No such item appears to have been found at the Japanese School, but, since we have no information as to what kind of measure was referred to, we are unable to make a definite report regarding this. A carton, containing photographs and other personal papers, is in Custodian storage warehouse in Vancouver under your name. This will be shipped to you upon request.

The sum of \$2.96 also was credited to your account from the sale of one rural mail box.

In your declaration to the Custodian you reported Victory Bonds, War Savings Certificates, Japanese Bonds, as well as insurance policies on your own and your husband's life, none of which came under the control of this office.

You reported shares in a number of companies, none of which came under the control of this office. You also reported shares to the value of \$2,000.00 in the Deep Bay Logging Company. According to letter received from the Registrar of Companies, the last report made by the Deep Bay Logging Company (December 2, 1939) did not show your name as a share-holder. However, your husband is shown as holder of 50 shares. It would appear therefore that the shares reported by you are in the name of your husband. As distribution of the assets of the Deep Bay Logging Company has not been made, no funds have been credited to your husband's account from this source.

Your account, at this time, shows a credit balance of \$227.41.

Yours truly,

F. Matheson,
Protection Department.

Dear Madam:

With reference to your request for shipment of the carton, reported in our letter of July 23rd as being in storage here, we regret to inform you that the carton in question was found to contain papers and photographs belonging to Mr. Shizuo MATSUNAGA.

We assumed from your request for shipment that you believed photographs and personal papers belonging to you had been left in the protected area. We therefore made a thorough search of our warehouse but have not found any such articles identified as belonging to you.

Yours truly,

F. Matheson,
Office of the Custodian.

Dear Madam:- Re: Shizuka IRIZAWA, Reg. #06994
File #4575

In reply to your letter of Jan. 7th.

Upon checking our records on the above mentioned party's effects we find that:-

The first shipment shipped on May 26/1942 should read # 4-5-8-10-12-32-33-52-56-62 Total 10 pieces not 12 as listed previous.

The second shipment June 24/1942 reads #3-14-15-49-58-61 Total 6 pieces.

The third shipment Nov. 28/1942 reads #1-2-9-14-25-48-50-51-55-63 (Note: #63 consisted of 2 pieces both lino.) Total 11 pieces.

As to Items # 6-7-13-17-47, no part of these were ever shipped to IRIZAWA.

Box # 6 kitchen utensils valued by IRIZAWA at \$165.00. This was over valued as it was checked previous to the Auction Sale and contained nothing but used kitchen wares.

The kitchen Range as far as I can recall, was not a new one and I doubt if it cost \$80.00 when new, not \$180.00 as listed.

If you want any further particulars regarding the boxes of kitchen wares and the kitchen range sold at Auction I will contact Mr. E. Felix Thomas Auctioneer regarding same.

I may state that the values placed on IRIZAWA effects, especially the kitchen range and contents of Box # 6 was taken up with Mr. H. F. Green of your office on one of his visits to this district, prior to the Auction Sale.

Hoping this is the information you required. I hope to be in Vancouver next week, at which time I will call at your office.

Yours very truly

Matt. Brown.

Mrs. S. Irisawa,
In Chief.
Discussion.

(MRS.) SHIZUKO IRIZAWA, the claimant herein,
being first duly sworn, testified
through the Interpreter as follows:

MR. McMASTER: May I have the claim form, please,
Mr. Watson.

THE COMMISSIONER: Are there any amendments to this?

MR. McMASTER: Yes. Perhaps we had better do that first,
my lord.

THE COMMISSIONER: Yes.

MR. McMASTER: I am asking to amend the claim to the
10 amount of \$348.00 for the goods and chattels.
The net from auction from the Custodian will be
\$224.45.

THE COMMISSIONER: Are you amending the \$785.00 figure
to read \$348.00?

MR. McMASTER: That is correct, my lord. Now the reason
that the amount of the Custodian's price is re-
duced, I presume, is because some of the goods
that are being abandoned in the claim, we are taking
what we got out of those.

20 THE COMMISSIONER: Yes, I see.

MR. McMASTER: Now I think that is the net figure, my
lord.

THE COMMISSIONER: What is the net figure?

MR. SHEARS: \$280.40 is the gross against the \$225.45
which you mentioned.

THE COMMISSIONER: Yes.

DIRECT EXAMINATION BY MR. McMASTER:

Q Mrs. Irisawa, is this your signature on the
30 claim form and did you swear that declaration?

THE INTERPRETER: A: Yes.

Q Did you instruct Mr. Leskie to prepare a statement with regard to your personal chattels, the subject of this claim, and give him the information that appears on this statement I now produce to you?

A Yes.

Q Would you be good enough to sign this statement, please?

A: (Witness complies).

Q Are the statements contained therein true to the best of your knowledge and recollection?

A Yes.

MR. McMASTER: I file that as Exhibit 1, my lord.

(STATEMENT MARKED EXHIBIT NO. 1).

MR. McMASTER: I am filing on behalf of my learned friend the analysis re the claim by the Custodian, my lord.

(ANALYSIS OF CLAIM MARKED EXHIBIT NO. 2).

MR. McMASTER: With regard to Exhibit 1, my lord, I would point out that it is stated there that all the household goods and articles were boxed and the goods and articles in respect of which she is claiming are noted above with the box numbers and I believe those box numbers were declared on the J.P. Form. The boxes were all stored in the Japanese Hall at Fanny Bay, B.C., apparently until they were taken away by the Custodian.

Now on the J.P. Form these various boxes, apparently, were listed by number, and values were placed opposite them at that time. The claimant now states in this statement that the values placed opposite the boxes were her estimates

Mrs. B. Irwin,
In Chief.

at the time of the cost to her, and that these are now shown in item No. 4 running across the top of the page under that column. Then Item No. 6 is what she estimated she now estimates as being the value at the date of sale, and she points out an error in her original statement of costs in item 4 with regard to the kitchen range -- she had put on the J.P. Form, I believe, \$180.00 and she subsequently ascertained from her husband that the actual cost was \$115.00.

Now with respect to box No. 6, the second item under the description of the goods up above, there is a comment here with respect to that, that while it is shown as kitchenware, actually there was stored in it the mantle clock, good quality china, cut glass, silverware, and only some kitchen utensils in that box.

There was another box, box No. 7, which had miscellaneous articles of kitchenware in it, and apparently the Custodian examined the contents of a box as shown by the file which he calls box No. 5. Now she says that as far as she is aware there wasn't any box No. 5 and that she thinks that he must have got box No. 7, judging from his description of what was in the box.

THE COMMISSIONER: All these articles were found, were they, and sold?

MR. McMASTER: Can you advise me on that?

MR. HUNTER: I think the only one will be shown on the analysis we furnished to you, my lord, right

at the bottom of the page.

THE COMMISSIONER: Yes, that measure.

MR. McMASTER: Yes.

MR. HUNTER: Yes.

MR. McMASTER: Well that is not claimed on here.

THE COMMISSIONER: Then there is no question of lost articles here; it is just a matter of the sale price.

MR. HUNTER: No.

10 My lord, it will be submitted by the Government that the prices claimed by the claimant for these articles are exorbitant and above the fair market
V value and that the prices at which they were sold were the fair market value.

CROSS-EXAMINATION BY MR. HUNTER:

Q Mrs. Irisawa, when did you buy this kitchen range?

A She doesn't remember. She doesn't remember when it was bought. She may have something in her bag.

20 Q Did you buy it or your husband?

A Her husband bought it. She would like to know the number of the item.

Q I think it is item 22, kitchen range.

A On the list she has in her bag, it is 1939.

Q Were you present when it was bought?

A No, she was not.

Q And the only knowledge of price you have is what your husband told you?

A Yes.

30 Q And he told you that recently?

A: About

6
Mrs. S. Irisawa,
Cross-Exam.

the time she was evacuated to Hastings Park in 1942.

Q Well if he told you at that time, Mrs. Irisawa, how was it that you put down \$180.00 on your list here?

A: Is that the list that she first made, she wishes to know?

Q I beg your pardon?

THE INTERPRETER: Is that the list she made when she was first evacuated?

10 MR. HUNTER: I wouldn't know. She can tell us.

Q Is that your signature?

A Yes.

MR. McMASTER: My lord, I wonder if I might ask the Interpreter if she said anything about "Tashme" in this conversation.

Q (Question Interpreted).

A When her husband returned from camp, to Tashme camp, Tashme Relocation Centre, was when she heard the prices of these.

20 MR. HUNTER: Q Was that before or after she made out this?

A: No, she heard from her husband after this list was made out.

Q When she made up this list she had no personal knowledge?

A: No.

Q Are there any of the items, Mrs. Irisawa, on it for which you are now claiming of which you have personal knowledge?

A: Yes, some of the items she knows the price from her own personal knowledge.

Q Have you ever been engaged in selling second-hand chattels?

30 A: No, she hasn't.

7
Mrs. S. Irigawa,
Cross-Exam.

MR. BROWER: That is all.

THE COMMISSIONER: Any re-examination, Mr. McMaster?

MR. McMASTER: No, my lord.

(Witness aside)

(PROCEEDINGS ADJOURNED SINCE DINE)

I hereby certify the foregoing to be a true and
accurate transcript of the proceedings herein.
