As means of payment may I point out that my house in Cumberland, B.C. is rented out by Mr Matt Brown, the custodian there, and I would like the money paid as rent be used to clear up this debt. This is the only means by which I may make my settlement. Thanking you, I remain

The above numbered policy covering on property located on the South side of Dunsmuir St., Cumberland, comes up for renewal on August 5th. I see a notation on your last Rental Statement dated May, 1943 to the effect that this property has been taken over by the Canadian Colliers "D" Ltd. Under the circumstances I expect that they will be looking after the insurance, but I wish your advice concerning this matter by return mail.

Dear Sir:

The Custodian is pleased to inform you that arrangements have now been completed whereby Canadian Collieries (Dunsmuir) Limited, have taken over numerous houses on their properties that were at one time occupied by persons of the Japanese race.

As the Company owned the land, the right to use and occupy such buildings was contingent upon payment of a nominal rent. We are informed that the right of occupation and use of any structure on the land was to terminate if the occupier ceased to be an employee of the Company. The Corporation, however, agreed to pay an estimated salvage value for the buildings, and pursuant to the agreement, the Company's Inspection Engineer, along with our agent, appraised each building on the basis of its value to the Company, in connection with their building plan.

You occupied the building behind the Colliery office, and the award fixed as aforesaid amounted to \$40.00. Your account has, therefore, been credited with this sum.

Yours truly,

Thank you for yours of April 27th enclosing request from the above dated April 22nd for one wooden box containing books. We note that you have one box of books weighing 187 pounds and one carton of books weighing 54 pounds. We have a small credit to the account of this evacuee here from which we could take care of any charges and agree with your suggestion that both packages be sent. You might, however, make sure that the carton does not include any old magazines which the evacuee would be unlikely to require and shipment of which would add to expenses.
