PERSONAL PROPERTY SUMMARY

January 16, 1946.

Re: Kyusuke YASUI #06514

This man, who was evacuated on September 23, 1942, signed a declaration to the Custodian, on April 17, 1942. In his declaration he reported the following assets:

Motor Vehicles: One 1929 Buick Sedan of little value. The saleable parts of this car were sold by the Custodian on November 8, 1944, for \$20.00. From this sum was deducted \$5.41 to cover expenses, and the balance of \$14.59 was credited to the account of YASUI. The 1929 Packard Sedan, declared by this man, was taken into custody, and was sold by the Custodian for the total sum of \$16.00. Expenses in connection with this car amounted to \$16.00, leaving no balance to be credited.

Kyusuke YASUI declared 12,000 feet of cedar poles at Hilliers, B. C. This man had a contract to cut poles on the property of the Cameron Logging Co. Ltd. The poles were to be sold to the Royston Lumber Co. Ltd. Both of these companies come under the control of P. S. Ross & Sons, by appointment of the Custodian. P. S. Ross & Sons informed this office that YASUI was indebted to the Cameron Lumber Company for approximately \$2,000.00. YASUI had authorized Mr. J. Musselwhite to complete his contract in regard to the poles. Upon completion of the contract and settlement of all accounts payable of Kyusuke YASUI in connection with his logging contract, as shown by the statement received from P. S. Ross & Sons on October 26, 1942, the sum of \$684.64 was payable to YASUI, and on December 30, 1942, a cheque for this sum was received from P. S. Ross & Sons, and was credited to the account of YASUI. YASUI had written us on December 11, 1942, accepting the settlement. The sum of \$384.64 was remitted to YASUI on January 8, 1943, and \$300.00 was paid to Matsutaro IWASA in settlement of a debt owing to him by YASUI.

YASUI declared logging equipment, but copy of letter, dated March 14, 1942, to Mr. Chapman, care of McGillis & Gibbs, states that all tools and horses belonging to K. YASUI are the property of J. Musselwhite.

YASUI declared two trunks of clothing, one of these was a hand trunk. On June 1, 1945, a trunk and valise belonging to this man were placed in storage at 604 Cordova St., and are still in that warehouse.

*Sold 26/1/46 779
credited to his acct.*

Re: Kyusuke YASUI

Reg. No. 06514.

This file reveals a claim of the Cameron Logging Co. for approximately \$2000.00 and of the Workmen's Compensation Board for \$9.38. These claims were settled as shown in statement sent us by P.S. Ross & Sons on October 26, 1942.

Tatsumi IWASA filed a claim for \$500.00 in connection with a loan made by himself and his father, Matsutaro IWASA. On January 11, 1943, on the instructions of YASUI, we sent Mr. Matsutaro IWASA a cheque for \$500.00. In a letter dated January 15, 1943, Mr. Tatsumi IWASA stated that under the circumstances he had no further claim insofar as the Custodian Office is concerned, against Mr. Kyusuke YASUI.

Dear Sirs:

Re: K. Yasui - Your File 40610

As we have previously advised you, the above was removing cedar poles from the timber property of the Cameron Lake Logging Company Limited. Upon his evacuation, he made an arrangement with J. Musslewhite, Coombs, B. C., to remove and ship the balance of poles that had been cut. We attach hereto, copies of letters Mr. Musslewhite has produced for our inspection that explain the agreement between Mr. Yasui and Musslewhite.

Mr. Yasui was in effect a sub-contractor under a contract between the Royston Lumber Company Limited and McGillis and Gibbs Limited of Milwaukee, Wisconsin. Both the Royston Lumber Company Limited and the Cameron Lake Logging Company are under our control.

We attach hereto, a statement showing the balance due Mr. Musslewhite, and we propose to issue a cheque to him from the Royston Lumber Company Limited for the net amount thereof. We would like to receive your consent to do so.

As there are no more poles to be shipped under this contract, we are now preparing a statement showing the amounts due to Yasui and the Cameron Lake Logging Company Limited by the Royston Lumber Company Limited for poles shipped prior to Yasui's evacuation and now paid for by McGillis and Gibbs Limited.

Office of the Custodian,
Japanese Evacuation Section,

26th June, 1942.

When this has been completed, we will submit same for your approval, and prepare the necessary cheques from Royston Lumber Company Limited.

Mr. Beattie of your office, has compared Yasui's signatures to the original documents of which copies are enclosed.

Yours faithfully,

Dear Sir:

We wish, by means of this letter, to send you a preliminary report in connection with the arrangements you made with Mr. J. Musselwhite, Coombs, B. C. to complete the work on which you were engaged in cutting poles on the property of the Cameron Lake Logging Company Limited. You will recall that these poles were sold by you to the Royston Lumber Company.

It is our understanding that you were in effect a sub-contractor under a contract between the Royston Lumber Company and McGillis and Gibbs Limited of Milwaukee, Wisconsin. You will find attached a statement showing the balance due to Mr. Musselwhite giving particulars of the sum of \$654.16 being paid on your behalf to Mr. Musselwhite from the Royston Lumber Company, and we trust that you will find this statement to be self-explanatory.

As there are no more poles to be shipped under this contract a statement is now being prepared showing the amounts due to you and the Cameron Lake Logging Company Limited by the Royston Lumber Company for poles shipped previous to your evacuation and now paid for by McGillis and Gibbs Limited.

We might add in conclusion that in connection with this transaction Mr. Chapman has provided us with a copy of your notes to him dated March 14th and May 21st.

Dear Sirs:

re: K. YASUI and Cameron Lake Logging Co. Ltd. and Royston Lumber Co. Ltd. *Int. File 104*
Int. File 107

We attach hereto a statement showing a balance of \$2,229.97 due the above by the Royston Lumber Company Ltd., in connection with the removal of poles from the Cameron Lake Logging Company property and sold to McGillis and Gibbs Limited by the Royston Lumber Company Limited.

We also enclose a statement showing balance due by Yasui for stumpage, etc., to the Cameron Lake Logging Company Limited in the amount of \$1,545.33. This leaves the sum of \$684.64 net, payable to Yasui. In addition to this, Yasui claims damage in the amount of \$250.00 to the pole landing at Hillier's siding caused by the Cameron Lake Logging Company Limited in building their sawmill.

We have questioned Mr. Okuda, the former accountant of the Cameron Lake Logging Company Limited, as to the nature of this claim and he advises us that when the Cameron Lake Logging Company purchased the property for their mill-site and commenced the construction of their mill, Mr. Yasui was greatly inconvenienced as it was then necessary for him to dump his poles off the trucks a considerable distance from the pole siding and then haul them down to the siding with a horse.

While there is no doubt that Yasui was inconvenienced, we cannot admit his claim against the Cameron Lake Logging Company Limited warrants the payment of damages on these grounds.

You will note we have allowed Yasui the sum of \$298.00,

Office of the Custodian:

- 2 -

re: K. Yasui and Cameron Lake Logging Co. Ltd.,
and Royston Lumber Co. Ltd.

being his claim for building roads on the Cameron Lake property. Yasui's contract with the Cameron Lake Logging Company Limited was that the company would, in the normal course of its operations, build the roads to facilitate the removal of Yasui's poles, which were always cut in advance of the logging operations in that area. The company did not operate in 1942 and as a consequence, Yasui found it necessary to build roads in order to remove his poles. We feel it is reasonable that Yasui should receive this allowance.

We have provided you with extra copies of these statements as you may wish to forward same to Yasui for his approval before the settlement cheques are drawn.

Yours faithfully,

Dear Sirs:

Re: K. YASUI and Cameron Lake Logging
Co. Ltd. and Royston Lumber Co. Ltd.

Please be good enough to refer to your letter dated October 26th and to the attachments mentioned therein. We forwarded a copy of your letter and of the two statements of account to Mr. Kyusuke Yasui, who has just replied as follows:

" I have received your statement of Oct. 29, 1942 showing the final settlement sheet as enclosed by P. S. Ross & Sons - File No. 295-103 & 144.

I have looked over this statement carefully and am satisfied with every detail except one. That is the claim of \$250.00 against Cameron Lake Logging Co. Ltd. for building their mill on my cedar pole landing. Because of this I had to go to considerable expense in rebuilding a new one some distance away from the C.P.R. Siding.

As you can see that it was necessary for me to spend the above mentioned sum I know my claim of \$250.00 is justifiable.

When sending my cheque will you please deduct and send \$300.00 to Mr. Matsutaro Iwasa, Minto City, Bridge River District and the balance to me at above mentioned address."

Your comments will be appreciated, particularly with reference to Mr. Yasui's claim against the Cameron Lake Logging Company.

Dear Sirs:

Re: K. Yasui and Cameron Lake Logging

Ltd., Your file 4610

We would acknowledge your letter of 25th November, 1942, wherein you advise us that K. Yasui considers his claim for damage, etc., to the pole landing is justifiable.

While there is no doubt that Yasui was greatly inconvenienced by the Cameron Lake Logging Company Limited building its sawmill on what he calls his pole landing, we do not consider we can allow this claim, as to our knowledge he never owned this property.

We discussed the whole matter of our settlement statement, before it was submitted to you, with H. Okuda, the former bookkeeper of the Cameron Lake Logging Company Limited. He informed us that Yasui had left the matter in his hands for settlement. You will note we have allowed Yasui all the expenditure he claimed for completing roads, etc., to haul out his poles. This work was of no benefit to the Cameron Lake Logging Company Limited, but we understood the provisions of contract provided that the company would build these roads in the normal course of operations. Under the circumstances, we feel accepting the cost of this road work was a concession to Yasui.

In view of the foregoing we do not consider any further allowances should be made by the Cameron Lake Logging Company Limited in this matter.

Yours faithfully,

Mr. Kyusuke YASUI, #06514,
Popoff Farm,
Slocan City, B. C.

Dear Sir:

We have received a number of inquiries requesting further particulars in connection with recent statements covering disposition made of motor vehicles and we are, therefore, sending you this general letter of explanation.

The Custodian decided it would be in the best interests of the owners to sell Japanese motor vehicles due, not only to the rapid deterioration of paint, batteries and tires, but also because of storage and other charges which were accumulating.

Appraisals of all cars were obtained by the Custodian through competent and unbiased experts.

Deductions made for liens on said cars are self-explanatory.

The administration expenses deducted covered only insurance and storage charges incurred in each case for each car between the time said vehicle was impounded until date of sale of said vehicle.

The proceeds remaining thereafter were transferred by the Custodian to the credit of your account in this office.

Yours truly,

Specified Articles Department.

Dear Sir:

This is to inform you that your account with this office shows a credit balance of \$14.59 at the present time. This money represents the net proceeds from the saleable parts of your Buick Sedan, which were sold by this office.

A trunk and a valise, identified as your property, are in storage at Custodian warehouse in Vancouver.

On October 29, 1942, we sent you statements in regard to your contracts with the Cameron Logging Company and the Royston Lumber Company, which showed that a balance of \$684.64 was payable to you after all adjustments had been made. Cheque for this sum was received from P. S. Ross & Sons and was credited to your account. The sum of \$300.00 was paid to Mr. Matsutaro IWASA in settlement of his claim against you, and the balance of \$384.64 was remitted to you in January 1943.

You were informed on January 20, 1943, of the sale of your Packard Sedan.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian, and, in order that you may confirm this, we enclose a stamped, addressed envelope for your convenience in replying.

Yours truly,

Re: Kiyomasa YASUI, Reg. No. 06614

This man declared a hand trunk in Cumberland storage, as well as a trunk.

June 4, 1945, a trunk and a valise were received in Custodian storage, Vancouver, from Cumberland, in the name of this man.

This trunk and valise were on hand in January, 1946. The trunk and some clothing were sold at auction on April 26, 1946.

The valise is not accounted for in File 4610. There is in Chattel Suspense a suitcase sold on March 29, 1946, for the sum of \$2.00. It is believed that this may be the valise or hand trunk belonging to Yasui. The proceeds of this sale are therefore being credited to his account.
