LIABILITY SUMMARY

File No. 4704

July 31, 1947.

Re: Toso YOSHIDA, Reg. No. 07351

In his declaration, YOSHIDA reported a debt of \$200.00 owing to Mr. Tatsumi IWASA, (File No. 4599). No claim has been filed by IWASA against Toso YOSHIDA.

On February 21, 1945, we wrote to YOSHIDA informing him that as we had not heard anything from him or IWASA in regard to this debt since the time of registration, we assumed that settlement had been made. YOSHIDA replied on May 17, 1945, that settlement had not been made but that the matter would be settled between themselves.

On June 7, 1945, we wrote to Mr. YOSHIDA suggesting that if the claim had not been paid, we clear our records by effecting payment on his behalf, to the debit of his account. Mr. YOSHIDA's account showed a credit of \$25.87. No reply has been received from YOSHIDA in regard to this matter and no further action has been taken by this office.

The file of Mrs. YOSHIDA (File No. 6637) showed a debt of \$100.00 owing to Mr. Naoichi KARATHU (File No. 8666). In answer to Mrs. YOSHIDA's request of January 17, 1946, this debt was paid out of funds standing to the credit of her account.

This file reveals no other liabilities.

The file of Mrs. YOSHIDA reveals no other liabilities.

This summary is certified to be in
accordance with information on file.

PERSONAL PROPERTY SUMMARY

File No. 4704

July 30, 1947.

Re: Tozo YOSHIDA, Reg. No. 07351

This man signed a declaration to the Custodian on April 16, 1942. He was evacuated on April 24, 1942.

CHATELS

In his declaration he reported list of chattels shown on Chattel Schedule, in storage with Matt Brown, Cumberland, B. C. A number of these articles were sold by auction of November 8, 1944 (see Chattel Schedule) According to Mr. Green's memo of June 1, 1945, this auction sale and the sale of December 13th, 1945, on the file of Matsu YOSHIDA, wife of this man (File 5637) account for the disposition of most of the chattels declared by YOSHIDA. The balance, having been originally left in the house as being of little value, were doubtless abandoned and for all practical purposes the chattels may be considered closed. The proceeds of the auction of November 8, 1944, were \$25.87, credited to YOSHIDA's account. On July 28, 1942, YOSHIDA requested shipment of two boxes of clothing, a sewing machine and a straw trunk, stored with Matt Brown, and 1 wash tub, one wash board, 1 wash basin, and one box of kitchen utensils, stored at his former home in Cumberland. The chattels stored with Matt Brown were those declared on the file of Mrs. YOSHIDA. He also requested shipment of a box of carpenters' tools. There is no confirmation of shipment on file, but according to a letter received from Mr. Tozo YOSHIDA on November 6, 1942, all his baggage, except one carton and a sack of rice, had been received.

On October 30, 1942, we wrote to Tozo YOSHIDA, informing him that the B. C. Security Commission had delivered to our warehouse at 992 Powell Street, one carton identified as his property, and asked him to confirm ownership. He confirmed ownership on November 6, 1942, and in his letter he requested that we locate for him a sack of rice which he had not received. On November 13, 1942, we wrote to YOSHIDA informing him that among the goods shipped to him on July 28, 1942, was an 8-gallon crock containing sixty pounds of rice, and stating that we presumed that this was the rice referred to in his letter of November 6. Enclosed with our letter was a list of YOSHIDA's effects. He was asked to confirm that the goods listed were all he had in any protected area of B. C. Mr. and Mrs. YOSHIDA replied on November 20, 1942, stating they could not confirm this list as they still had not received one carton and one sack of rice. The sack of rice which they had not received was not the rice which was shipped to them but was another sack which they had bought while they were in Vancouver. On February 1, 1943, a letter received from Mr. and Mrs. YOSHIDA stated that the sack of rice had been found at New Denver, but they still had not received the carton.

According to a note pencilled by R.B. McKedie on the letter of February 1st, the B. C. Security Commission had been asked to release the carton belonging to YOSHIDA, and the carton would be shipped in a few days. Mr. Brown, of the B. C. Security Commission, wrote to Mr. F. G. Walker of New Denver, informing him that they were unable to locate the carton and that the Custodian had been asked to investigate. There is a note on this letter to the effect that this carton had been delivered to the Richmond Transfer for shipment. A letter was written to YOSHIDA on January 22, 1944, informing him that we were unable to locate the carton, but that we hoped we would eventually be able to lay hands on it. It was mentioned that there was a note on file that the carton had been delivered to the Richmond Transfer for shipment, but if they had not received it the note may have been made in error. As no answer has been received from YOSHIDA regarding this matter, it is still uncertain as to whether or not the carton was shipped.

On June 7, 1945, Mr. and Mrs. YOSHIDA were sent statements giving full particulars regarding the auction sales of their chattels. They were also informed that we had not given up hope of finding the lost carton and that they would be notified if we were successful in recovering it.

LIFE INSURANCE

Tozo YOSHIDA declared a \$1,000.00 Life Insurance Policy with the Manufacturers' Life Assurance Company. This item was not brought under the control of the Custodian.

HOUSE

On his JP Form YOSHIDA declared a four-room frame dwelling on a lot owned by Canadian Colliers (Dunsmuir) Ltd. Cumberland, B. C. According to Matt Brown's report of August 13, 1942, the house belonged to Y. KISHIMOTO and YOSHIDA had had no interest in it.

This file reveals no other property of any kind.

This summary is certified to be in
accordance with information on file.

Dear Sir:-

As you asked me to do, I am signing and returning to your office the attached copy of your letter. We have received all our baggage except this carton, which is being held at your central storage, and a sack of rice. Some people's baggage have been held at Klocan so we thought that ours was there, too but when we received your letter we were really surprised. Could you please let us know how it happened to be still left at Vancouver? We are anxious to know. If you do not mind, I wonder if you cannot locate our sack of rice. I had a tag on it with my name and registration no. and on the back was my name in Japanese. I hope that you would kindly do this for me and thanking you in anticipation.

I remain,

Yours truly,

rice shipped to us on July 28th. He bought

He could even send you the bill, which we still have. If it has been lost or maybe stolen at Blocon hasn't the B. C. Security Commission responsibility of finding it or paying for it? Should you please send us our carton as soon as possible and try to locate our rice?

We have corrected the errors on one of the copies and are returning both so if you would re-type it and send it to us we would gladly sign it.

Dear Sir:

Kindly excuse us for not answering your letter of December 16th, 1942.

We returned the inventory list without signing it as we could not confirm that we had no other goods in the protected area of British Columbia. We corrected the inventory list and sent it back to you.

We have found our 100 pound sack of rice and we are very sorry to have caused you so much trouble about it. On the sack was written in red pencil "Received on Sept 11th" as the Japanese committee here must have received it the very next day we arrived here. They said that they kept it because the tag was off and they didn't know who's it was.

With reference to our carton which we want sent from 992 Powell Street, Vancouver, why are you holding it up? Could you please let us know when and how you'll send it to us?

Thanking you in anticipation for an early reply.

We have asked the R.C. Sec. Com.

to release this carton. It will

probably be shipped to them in a

few days when our storage warehouse

is opened up. Yours

Re: Mr. & Mrs. Tozo YOSHIDA

An intensive search has been made in the warehouse at 992 Powell Street in an effort to locate and ship the 1 carton containing sheep's wool, clothing and records but the congestion is so great that we cannot separate this carton at the moment.

When more chattels are shipped or elimination by suction process we may be successful in isolating this package at which time we will be pleased to effect shipment as requested.

Dear Sir:

In reply to your letter of February 21st, 1945, we have not yet made a settlement with Mr. Tatsumi Iwasa for the amount of \$200.00 which we owe him. Being evacuated to the Interior Housing Centre and working at The B.C. Security Commission's very low wages how can we ever do such a thing as to pay off a debt. However, we will settle this matter between ourselves later on when it can be done. If we have not made a settlement you asked us to advise you by return mail so I am doing so now although it is rather late. I had intended to leave this letter unanswered since it seems stupid to answer a business letter after such a long delay but I thought it would be better to answer it in case you might think that we have made a settlement with him because we did not answer your letter.

You stated in your letter that my credit balance in your office is \$25.87. I do not under-

Re: Mr. and Mrs. Tozo YOSHIDA

I have only just been able to get hold of file 6637 in order to consider the husband's letter of May 17th on file 4704. I find that chattels are fairly satisfactorily covered by the last paragraph of my memorandum to Mr. Spain of January 6th, 1944.

Since then, auction sale of November 8th, 1944, on file 4704 and December 13th on file 6637, have accounted for most, but not all, of the articles shown on the list returned by the husband and wife on November 20th, 1942, on file 4704. The balance, having been originally left in the house as being of little value, were doubtless abandoned and for all practical purposes chattels on these files may be closed. It may, however, be noted (January 19th, 1944) that a carton containing sheep's wool, clothing and records is still to be found at 992 Powell Street.

Would you kindly, therefore, send the husband and wife auction sheets referred to above and raise the question with them as to whether the \$200.00 claim mentioned in the first part of letter of May 17th may be met from the proceeds of chattels and sale of real property on the wife's file.

Dear Sir and Madam:

Re: Chattels.

Your letter of the 17th ultimo has been passed on to this department for reply and for your information we enclose statements (2) giving full particulars of auction sales held on the 8/11/1944 and 13/12/1944.

We have not yet given up hope of finding a carton containing sheeps' wool, clothing and records, and will advise you if we are successful. Apart from this item the above auction statements clear our records of your chattels.

Claims: A claim of \$200.00 in favour of Tatsuni IWASA (File 4599) is carried in Mr. Yoshida's file and another of \$100.00 in favour of Naiochi KARATSU (File 8666) is carried in Mrs. Yoshida's file and if these claims have not been settled by direct negotiation (which would have to be confirmed by Creditors) we shall be glad to know if we may clear our records of these items by effecting payment on your behalf, to the debit of your account. Mr. Yoshida's account shows a credit balance of \$25.87 at the present time and Mrs. Yoshida's account a credit balance of \$3,273.61.
