CHATEL SUMMARY

Re: Daigoro Imoo
Reg. No. 06021
Evacuated June 1/42.

In his declaration of April 21, 1942, Daigoro Imoo declared nets left in Pacific Coast Cannery House No. 7, and chattels left at Pacific Coast Cannery House No. 11 - see Schedule.

Imoo was requested to supply the sizes of his nets and a letter was received from him on February 7, 1943, in which he changed his declaration to 4 nets only, instead of 6½ nets, and omitted the 50 lbs. of new line, which he originally declared. At that time, he referred us to the sizes which he had entered in the Cannery record Books. This record shows that after he made his declaration to the Custodian, he sold 2 nets and the new line, which were originally declared by him. Also in this record, it shows that he was the owner of only 100 floats, whereas he declared 250 floats.

The Custodian only found and sold 1 net, the other 3 nets were never found or inventoried, nor were any floats found in Imoo's name.

On the removal of chattels in the Pacific Coast Cannery House No. 11, by the Custodian on June 25, 1942, many articles, in addition to what Imoo declared, were inventoried under his name. A list was then sent to Imoo of what was removed from House No. 11, and in his letter of February 7, 1943, he lists articles which belong to him. This again does not conform with his original declaration, it was minus 1 heater, 1 set of world books, 1 clock and kitchen utensils. We are using this last list as his declaration, and the Schedule will show the disposition of these chattels.

The balance of the chattels, which were removed and sold under Imoo's name, have been transferred to Custodian Chattel Suspense Account as being unidentifiable.

We might state, that in many cases, we have found that after the Japanese had made their declarations, they removed their chattels from their homes to one house for storage purposes, and in many cases not placing their names on their chattels. The chattels were removed from the house under the name of the former Japanese tenant.

The above Summary is certified to be in accordance with the information on file:

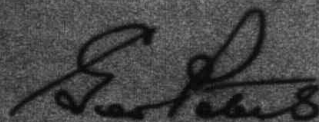

George Peters,
Office of the Custodian.

The following list of fishing equipment was sold direct to the B. C. Packers Co. Ltd., by the Japanese fishermen, or credited to their accounts for money owing to the Cannery.

In accordance with arrangements made with the Cannery, these lists were obtained from them on February 14, 1946, by the Custodian, and the original records remained with the B. C. Packers Co. The Custodian had no information from the Japanese fishermen of their selling or receiving money direct from the Cannery.

Goods were sold for the above in Auction Sales Stevenson 4, 5 & 6. We have since received a letter from Daigoro IMCO in which he states that only a few of the chattels listed in his name belong to him, the rest belonging to the owner of No. 11 Pacific Cannery House. As we have not yet identified the owner of No. 11 House we would ask you to transfer the proceeds of the goods which do not belong to IMCO to Chattel Suspense Account.

Re: Daigoro Imoo
Reg. No. 06021

A claim was lodged against Daigoro Imoo by Woodworth & Woodworth Ltd., on behalf of Dr. D. Helmer, in the amount of \$12.00, on June 6, 1942. This claim was admitted by Imoo and paid from his account with the Custodian on January 24, 1945.

In his declaration of April 21, 1942, Daigoro Imoo declared that he owed the sum of \$150.00 to Issamu Hikida. Dear Sirs,

In the previous letter I received concerning my net, the 6 1/2 fishing nets and the 250 new floats are right but I really think that you too have made a mistake about the 50 pounds of new line. Besides these you have neglected the following:

- | | |
|--|----------|
| 1. 7/40 x 5 1/2 inches x 50 mesh x 150 fath. | \$ 50.00 |
| 2. 7/40 x 5 7/8 " " x 75 " (both lines) | 30.00 |
| 3. 5/40 x 6 1/2 " " x 90 " (1000) | 50.00 |
| 4. 7/40 x 5 1/2 " " x 100 " + both lines | 100.00 |

If you are doubtful as to whether I am right, we have registered all these in the book which the Imperial Cannery had us do. With this I hope you will be able to make your corrections. Thank you.

Yours truly,
D. Jones.

Mr. Daigore IMOO, .
Registration No. 06021,

Greenwood, B. C.

Dear Sir:

This will acknowledge receipt of your
letter of February 23rd.

In your original declaration to the
Custodian you declared 6½ nets, 50 lbs. of new line and 250
new floats. It appears that you dealt with nets after making
your declaration, and in your letter of February 7, 1943, you
state that you have 4 nets still in the Protected Area. The
Custodian only found 1 net in your name, and this was sold in
the amount of \$71.00.

The Custodian has sold the chattels you
mentioned in your letter of February 7, 1943, with the exception
of 1 bed and a kitchen stove, which were never found by the
Custodian.

We are enclosing herewith our cheque, in the
amount of \$84.46, being the entire balance of your account with
the Custodian. Kindly acknowledge receipt of this cheque.

Yours truly,

George Peters,

MEMORANDUM Re. Net Claim

From: B. MacAskill

Re: Daigoro IMOO
Reg. No. 06021.

Declared - JP - April 21, 1942 (on file)

6 plus $\frac{1}{2}$ fishing nets
50 lbs. new line
250 new floats

Letter of December 4, 1942 to Daigoro IMOO (on file)

this office asked him for full information concerning his nets to help us identify same. In this letter we listed his nets and gear declared in JP (see above).

He replied - Feb. 7, 1943 (on file)

"the $6\frac{1}{2}$ fishing nets and the 250 new floats are right but I really think you have made a mistake about the 50 pounds of new line. Besides you have neglected the following:

1.	4/40 x $5\frac{1}{2}$ inches	x 50 mesh	x 150 fath.	\$50.00
2.	4/40 x $5\frac{1}{8}$ "	x 50 "	x 75 "	30.00
3.	5/40 x $6\frac{1}{2}$ "	x 50 "	x 90 "	50.00
4.	4/40 x $5\frac{1}{2}$ "	x 55 "	x 150 "	100.00*

IMOO refers us to the Imperial Cannery book in which he says he registered his nets.

No record of IMOO's nets was found in the Imperial Cannery Book, but his registration was found in another B.C. Packers book for Pacific Coast Cannery. A copy of his registration with the Pacific Coast Cannery is in envelope. These record books were not turned over to the Custodian by the canneries until Feb. 14/46.

Note: This Cannery Record shows 4 nets (worth \$230.00) and 100 floats (worth \$4.00) left by D. IMOO at the Pacific Coast Cannery - i.e. total value of goods recorded as left at Cannery by IMOO is \$234.00.

Only 1 net was found by the Custodian belonging to IMOO. This net was sold for \$71.00 - see Analysis.

Note: Increase in Japanese Value in some of the nets claimed for:

Net #6 in claim (No. 5. in Cannery Records) was valued at \$50.00,
now claims \$70.00

Net #9 in Claim (No. 6 in Cannery Records) was valued at \$60.00
now claims \$70.00

Net #7 in Claim (No. 8 in Cannery Records) was valued at \$14.00 for
40 lbs., now claims \$22.50 for 50 lbs.

MEMORANDUM

August 31, 1949.

TO: Mr. Good
FROM: E. Robertson

Est. Case No. 126 - Daimaru DDO

Figures given by your Department:

"NETS: DNF RRM changed from 00 to \$470.00 (noted as lost)
MISC: DNF RRM changed from \$47.50 to \$67.50."

REMARKS:

From the above figures it would appear that the layers have transferred nets numbered 1,2,3,5,6 & 7 on the Amended Analysis from "DNF" to "RRM". This Claimant declared 6 nets but Custodian records reveal that only one net was found belonging to DDO and this was sold for \$71.00. In a letter dated February 7, 1943, DDO reported 4 nets (Nos. 1,3,4 & 6) at the Cannery. A check of the B.C. Packers' Pacific Coast Cannery Records reveals the above 4 nets listed therein, Nos. 2 & 7 having been crossed out. Cannery Records also show that the Floats were crossed out to read "100 Floats - \$4.00" and the "400" of new lines is shown as crossed out.

The Claimed Value exceeds that shown on the Cannery Records in relation to Nos. 4, 6 & 7 and net number 5 is not shown on the Cannery records at all. (Numbers of Nets relate to the Numbers opposite those on the Amended Analysis).

I would think that, with the exception of the one net which was found and sold by the Custodian, this fishing gear should remain under "D.N.F."

HOUSEHOLD GOODS:

Re. Mattresses - Claim \$10.00 for 2.

As our Statement of Abandoned goods only shows one mattress as being abandoned I have let the other stand as "RRM".

Re. Clock - Claim \$15.00

A clock, identified as belonging to DDO, is being transferred from Chattel Suspense to this man's credit as per memorandum to Miss Matheson dated August 31, 1949. This will increase Custodian credit in relation to the claim by \$5.25.

Re. Bath & Washing Tub - \$30.00

I have taken this to mean one bath tub and one wash tub and have accordingly shown a credit of .63 for one wash tub sold at auction and have listed the bath tub under "DNF".

Case No. 326

2.

August 31, 1949.

Under the Amended Analysis Custodian Credit for Household Goods is \$32.18 instead of \$27.55 as previously shown.

The Amended Analysis agrees with the figures given by the ledger in relation to Miscellaneous chattels.

MR. COBUS: The claim of Daigoro Imoo, your honour,
No. 18 on the Secretary's list.

DAIGORO IMOO the Claimant herein, being
first duly sworn, testified
through the official interpreter
as follows:

10 MR. COBUS: I would ask leave, your honour, to amend
the claim which is for personal property only
by showing item 1 as is, \$602.50, but item 2,
the household furniture as \$162.00, which makes
a total claim of \$764.50. We are crediting the
Custodian with \$27.55 for the sale of chattels,
and \$71.00 for the sale of one net, making a
total credit of \$98.55. The net claim becomes
\$665.95.

DIRECT EXAMINATION BY MR. COBUS:

20 Q: Witness, I produce to you a statement concerning
the nets and lines and floats for which you are
claiming. Did you instruct Mr. Leckie to prepare
that statement for you and is that your signature?

A: Yes.

Q: In your statement you make reference to a list.
I produce to you a list of nets and lines and
floats. Is that the list to which you make re-
ference?

A: Yes.

Q: Is the information contained in the list and in
the statement true to the best of your knowledge
and recollection?

A: Yes.

30 MR. COBUS: I would ask leave to file the statement

and list as one exhibit, your honour.

(STATEMENT AND LIST MARKED EXHIBIT NO. 1)

MR. COBUS: Referring to the statement, your honour,
the items which are being claimed for were left
at the net house of the Pacific Coast Cannery
B.C. Packers at Steveston, B.C., and the only
comment is that he has allowed depreciation on
all the articles claimed.

10 Q: Witness, I produce to you a list with respect to
the household articles for which you are claim-
ing. Did you instruct Mr. Leckie to prepare that
statement and is that your signature?

A: Yes.

Q: In your statement you make reference to a list
of household articles. I produce to you a list.
Is that the list to which you make reference?

A: Yes.

20 Q: Is the information contained in the list and in
the statement true to the best of your knowledge
and recollection?

A: Yes.

MR. COBUS: I ask leave to file the personal chattels
statement and list as one exhibit, your honour.

(EXHIBIT NO. 2)

30 MR. COBUS: Referring to Exhibit 2, your honour, the
witness says that the articles listed on the attach-
ed list were left in the house in which he and
his wife were living on Pacific Coast Cannery
property at Steveston, B.C., and there, too, he
makes the comment that depreciation has been allow-
ed on the articles claimed.

D. Inoo
In Chief

Q: Witness, were your household goods identified in any way at the time of your evacuation and at the time you stored them?

THE INTERPRETER: What do you mean by "identified?"

MR. COBUS: Well, did it have his name on it or did he tag them.

A: Yes.

Q: How were they identified?

A: Some of

them had my name and also tags were put on.

10 Q: Were these household articles stored in boxes, cartons, or were they not packed at all?

A: I had some in a carton and some in other boxes.

Q: Well, with the cartons, did you place a tag on the cartons with your name in Japanese or in English?

A: I had it in both, in Japanese and in English.

MR. COBUS: Thank you. Your witness.

MR. McINNES: It will be submitted, your honour, with regard to the nets that these were left by the claimant with the B.C. Packers where he left a signed statement with them, that only one net ever came into the custody of the Custodian and that was sold for its fair market value. There were only four nets found altogether and the others do not come within the Terms of Reference.

With regard to the household goods and furniture, it will be submitted that such of these as came into the control of the Custodian were sold for their fair market value.

CROSS EXAMINATION BY MR. McINNIS:

Q: Mr. Imoo, you signed a statement, did you not,
when you left your nets with the B.C. Packers?

A: Yes, I did.

10 MR. McINNIS: For the information of my friend, and
not as evidence at this time, I would like to in-
form him that according to the records of the
B.C. Packers, Pacific Coast Cannery, there were
four nets found there -- or at least, four nets
were recorded in their books -- and that the
record appearing in their books is signed by this
present claimant, that the total value of the
nets shown there, together with some lines,
is \$234.00.

MR. COBUS: Does my learned friend have the signed list?

MR. McINNIS: I just have a certified copy and that
would have to be produced on the defence of the
claim. As I say, it is not evidence here, but
I think you should be advised of it.

20 Q: Would you look at this letter, please, Mr. Imoo,
and see if that is your letter?

A: It is my letter, but I had it written for me.
This is not my signature.

Q: I understand it is not written by you, but it is
your letter?

A: Yes.

MR. McINNIS: I would ask to file the letter addressed
to the Custodian's office from the claimant at
Kaslo, giving a list of his chattels belonging to
him in the protected area dated February 7, 1943.

Re-Direct exam

Q: Did you have a stove shipped to you at Kaslo?

A: It was not sent to me, but I took it away with me when I was evacuating.

Q: Well, I have a memo here that at the request of Mr. Fisher of the B.C. Security Commission, one stove was shipped to you on October 28 '42.

A: It was not sent to me, and I have a stove, but I took it with me when I was evacuated.

Q: And you say this one was not shipped to you?

10 A: No.

MR. McINNES: That is all.

RE-DIRECT EXAMINATION BY MR. COBUS:

Q: Witness, do you recall the circumstances when you signed a net statement, if you did sign a net statement, at the cannery house? A

A: I didn't do it to the cannery, but I did it to the Custodian.

Q: You made a list which you sent to the Custodian?

20 A: I was told to report so I sent the report.

Q: How did you report them to the Custodian? Did you do it by letter or what manner of communication did you use?

A: I was told to send a report, a J.P. form, so I reported.

Q: Well, I would like to have this clear, witness. Do you recall signing a net statement for the cannery people, or are you telling me that the only report that you made of your nets was to the Custodian?

30 A: No, I did not send any report to the cannery.

Q: At the time you put the nets away when you left the cannery house in which you lived, did anyone at the cannery company ask you to deliver a list or ask you to sign a list?

A: I was only told to leave the nets in the cannery, but I was not asked to make them a list or make any statement.

MR. COBUS: I think that is all, your honour, except I think perhaps if my learned friend would produce the analysis it might be of some assistance to the Commissioner.

MR. McINNES: I am producing the Analysis.

MR. COBUS: I would ask to have the Analysis of Personal Property Claim filed on behalf of the Crown.

(ANALYSIS MARKED EXHIBIT NO. 4)

MR. COBUS: I think that is all.

MR. McINNES: That is all, your honour.

THE COMMISSIONER: All right, thank you.

Ex. 1 - Net statement and list attached, with notation "The items claimed were left at the net house Pacific Coast Cannery (B.C. Packers), Steveston, B.C."

Trans. 5 - Claimant admits he signed a statement when he left his nets with the B.C. Packers. For information, according to the records of B.C. Packers, 4 nets were recorded in their (B.C. Packers) books and the record is signed by claimant. The total value of nets shown there together with some lines is \$234.00.

Trans. 6 & 7 - Claimant when asked how he reported nets said he did so on a J.P. Form. He stated definitely he did not send any report to the Cannery; was not asked by anyone at the cannery to deliver a list, or to sign a list. He was only told to leave the nets in the Cannery.

See Claimant's letter this file dated 7 Feb. 43 "— we have registered all these in the book which the Imperial Cannery (Pacific) had us do—"

Trans. 4 - Submission: Nets left by claimant with B.C. Packers where he left a signed statement with them, that only 1 net ever came into custody of Custodian, and that it was sold for P.M.V. There were only 4 nets ("found" should be recorded) altogether and the others do not come within the Terms of Reference.
