PERSONAL PROPERTY SUMMARY

File No. 4841

Re: OKA, Mitsuno (Mrs. Takuma)

Reg. No. 13682

CHATTELS: The above Japanese and her husband both declared that chattels were being left on the property. Our fieldmen inventoried the chattels on May 16, 1942 after their evacuation on May 6, 1942. Details of same and liquidation are shown on the attached Chattel Schedule.

A shipment of some chattels was made by the tenant, Mr. Curtin, on May 18, 1943 and the hauling expenses of same amounting to \$1.00 were paid from the Joint Account of the above Japanese and her husband here while Mr. Curtin paid \$1.24 express charges and deducted same from his rent account.

A further shipment at the request of OKA was made with the co-operation of the Department of Labour, Japanese Division, on February 29th, 1944 expenses having been paid to that department by OKA.

All saleable chattels found on the property were removed and sold by public auction for the net sum of \$10.27 which sum has been credited to the Joint Account here. A few items were abandoned as being worn out and not saleable and some shingles and a trunk were missing. We were unable to find out what happened to these effects as Mr. Curtin died very suddenly just previous to our picking up the goods.

OKA informed us in his letter of February 15, 1943 that he had left an electric incubator with a Mr. Hermanson stating he would be agreeable to sell same for \$100.00. Mr. Hermanson would not purchase for that sum so our fieldmen found a purchaser and obtained \$115.00 which amount was credited to the Joint Account and OKA was so advised on May 1st, 1943.

SPECIFIED ARTICLES: This file reveals no Specified Articles.

ACCOUNTS RECEIVABLE: The Army and Navy Department Stores had a sign on OKA's barn for which they offered to pay \$2.00 for 1942 rent. Upon referring the matter to OKA it was found that rental arrears were owing and therefore the sum of \$6.00 was collected by this office and credited to the Joint Account here covering 3 years sign rental.

BONDS & INVESTMENTS: Mrs. OKA declared \$200.00 in Victory Bonds in her possession. These were not brought under control by the Custodian.

BANK ACCOUNT: Mrs. OKA declared an account at the Bank of Montreal, Haney, B.C. This was not brought under control by the Custodian.

File No. 4841

(Personal Property Summary - cont.)

LIFE INSURANCE: Mrs. OKA declared a \$1,000.00 Sun Life insurance policy in her possession. This was not brought under control by the Custodian however at her request the following premiums were paid from the account held jointly with her husband:

June 13, 1944	\$50.90
June 14, 1945	\$50.90

SAFETY DEPOSIT BOX: OKA declared having a box at the Bank of Montreal, Haney, B.C. This was not brought under control by the Custodian.

This file reveals no other Personal Property assets.

The above summary is certified
to be in accordance with the
information on file.

REGISTERED

Mrs. Mitsuno OKA,
Registration No. 13682,
Stirling, Alberta.

Dear Madam:

We have received the letter of the 9th May, signed by yourself and your husband, asking for the balance of your funds here, and we take this opportunity of writing you both on the individual administration of your affairs by this Department.

You registered with this office on the 20th April, 1942, and at that time real property, which you declared was owned by yourself and your husband, became vested in the Custodian. Prior to your evacuation you leased the property to Mr. J.H. Curtin, for the period of one year from the 1st May, 1942, for a rental consideration of one-third of the net profits, after payment of expenses and taxes. Mr. Curtin as you know was very reliable and paid in to this office, the sum of \$114.16 from crop operations, plus an additional \$35.00 for the rental of the house, covering seven months at the rate of \$5.00 per month. He also arranged for the payment of the 1942 taxes by remitting sufficient funds to cover. He had deducted from the rental the sum of \$1.24 which covered express charges paid on the shipment of goods to you.

No other rentals accrued to your benefit at this office as your property was sold as of the 1st January, 1943, to the Director of Veterans' Land Act, in accordance with the policy of liquidation decided upon by the Canadian Government. Full details of the property sale were sent to you and your husband on the 21st June, 1944, from which you will have noted that the sale proceeds were credited to the joint account in both your names. Legal fees amounting to \$15.00 in connection with the conveyance of the property were later charged to the joint account.

Both you and your husband declared that you owned chattels which were being left on the property. Our fieldmen shortly after your evacuation, made an inventory of them, and Mr. Curtin assured us that they would be well looked after. Shipments were made to you by Mr. Curtin and our Department with the co-operation of the Department of Labour. Expenses of \$1.24 were paid by Mr. Curtin and charged to you as previously advised, and \$1.00 for hauling expenses was paid from this office in this matter. The remaining saleable chattels that could be found on the property were removed and sold by public auction for the net sum of \$10.27, which has been credited to the joint account here. Some chattels were abandoned as being worn out and not saleable, and a few items were missing. We were unable to find out about the missing chattels as Mr. Curtin passed away very suddenly a short time before.

In your husband's letter of the 15th February, 1943, he advised us

5th June, 1946.

of an electric incubator left at the home of one of your previous neighbours, and stated that you wished it sold for the sum of \$100.00. The Custodian arranged its sale for \$115.00 as we advised you at that time. This sum together with \$6.00 collected from the Army and Navy Department Stores for sign space rental, was credited to your joint account here.

When registering with this office you declared having in your possession \$200.00 in Victory bonds, and that you had a bank account at the Bank of Montreal, Hanev. These were not brought under control by the Custodian. You also declared that you had a Sun Life Insurance policy. This was not brought under control by the Custodian, although at your request insurance premiums were paid from the joint account, in June 1944 and 1945, in the amount of \$50.90 each time.

We are attaching hereto a detailed statement of the joint account of yourself and your husband from the date one was last sent to you, and the enclosed cheque in the amount of \$245.77 made payable to you both jointly, is in full of the balance as shown thereon.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque, we are enclosing a stamped addressed envelope for your convenience in replying.

Yours truly,

W.E. Anderson,
Administration Department.
