At the request of Kitaji KIYONAGA, these were redeemed and the cheque for \$40.84 received from the Registrar of War Savings Certificates on April 7, 1943 was credited to this account.

Royston Saving Association 21 shares in this man's name were received on October 26, 1945. His account had been credited with the sum of \$73.53, being proportionate share of final distribution of assets of this association.

Dear Sir:

re: Kitaji Kiyonaga - Your File
#598 - Legal Section.

We are in receipt of your letter of the 2nd instant.

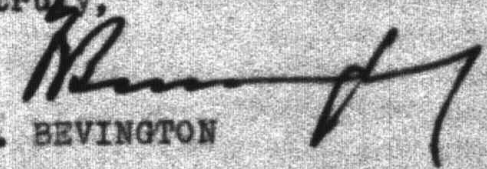

Mr. Kitaji Kiyonaga and Mr. Kihei Kiyonaga have 10 "S" Class Endowment Instalment Shares registered in their names with the life insurance protection on Mr. Kitaji Kiyonaga.

At the present time they have made their payments to the end of April but a further instalment of \$5.10 was due on May 15 but unless this instalment and the June instalment are paid before the end of June, their life insurance protection will lapse. This life insurance protection is for the purpose of carrying life insurance for the difference between the cash withdrawal value and the maturity value of the shares so that in the event of the death the full maturity amount at once becomes payable.

The present cash withdrawal value of these shares is \$215.74 subject to 5% National Defence tax on certain dividends credited.

Trusting that this is the information desired,
we are,

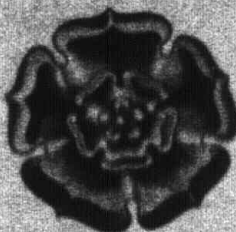

Yours truly,

Dear Sir:

re: Kitaji Kiyonaga - Your File
#598 - Legal Section.

We are in receipt of your letter of the 9th instant requesting that we supply you with further information regarding the standing of Mr. Kiyonaga's account.

All we have received from Mr. Kitaji Kiyonaga and Mr. Kihei Kiyonaga are 57 payments of \$5.10, a total of \$290.70. After allowing a certain amount monthly to cover life insurance protection and plus dividends credited, there is a balance in their favour of \$215.74 as mentioned in our letter to you of June 5.

If payments are made regularly each and every month on this account (180 payments of \$5.10 in all) it will eventually mature, and \$1,000.00 will be due the Kiyonaga's. We think that perhaps this is how the misunderstanding regarding the amount paid in has arisen.

We shall be pleased to offer you any further assistance in this matter if you so desire.

We note your remarks regarding withdrawals by Japanese, and shall write for the necessary approval before paying over any funds.

Yours truly,

F. BEVINGTON

Re: P/W P-1389 KIYONAGA, Jiro

Dear Mr. Read:

Acting on the instructions contained in your letter of the 18th instant I have obtained from Mrs. Kiyonaga a \$100.00 Victory Bond and 9 \$5.00 War Savings certificates. Mrs. Kiyonaga informs me she has no knowledge regarding 10 certificates, as her son (Jiro) handed her 9 certificates only. The Bond and 9 certificates are enclosed herewith together with her signed testimony regarding one missing certificate.

During the course of my interrogation Mrs. Kiyonaga disclosed the fact that she held 10 War Savings certificates, the property of her other son (Kitagi) also interned, and believing this indicates where the misunderstanding has occurred, I have accepted these 10 certificates from her and have issued the usual receipt. These additional certificates are enclosed herewith.

Yours faithfully,

We are in receipt of your undated letter requesting us to remit the balance of your account.

With a view to conserving cash assets for the purpose of making them available over as long a period of time as possible, this office has been following the policy of limiting remittances to a maximum of \$100.00 in any one month. Exceptions to this general rule are made in the case of requests for larger sums to meet specified special needs.

In conformity with this policy, we enclose our cheque for \$100.00, which leaves a balance of \$762.17 in your account, which includes proceeds of sale of your motor car. This was sold for the sum of \$700.00
Less proportion of expenses for Survey (expert valuation),
Storage, Insurance, etc. \$ 60.41

Credited to your account \$639.99

No interest is paid on such credit balances, but if you so desire, we are prepared to invest all or part of such funds in Government Bonds, which are held in trust for your account, to which interest is credited as it becomes due. We are also prepared to make you regular monthly remittances within the limit mentioned above, if you will advise us of the monthly sum to be so remitted.

Yours truly,

Dear Sir:

Re: Norston Savings Association

Your letter of 10th September, 1943 to the Custodian's office has been referred to us.

The books of the Association show the sum of \$105.00 in shares was paid in by you and in April, 1942, you received a return of \$43.05 which leaves the sum of \$61.95 still to your credit.

As all the funds of the Association were distributed to the shareholders (including yourself) on a pro-rata basis in March and April, 1942, no additional distributions can be made until the loans made by the Association to certain members are repaid.

Yours faithfully,

Dear Sir:

Re: Hoyston Savings Association.

Your letter of the 24th January addressed to Messrs. P. B. Ross & Sons, has been passed on to this office for reply.

The questions you raise were answered by Messrs. Ross & Sons in their letter to you of the 20th September, a copy of which we have on your file and which reads as follows:

"The books of the Association show the sum of \$105.00 in shares was paid in by you and in April, 1942, you received a return of \$43.05 which leaves the sum of \$61.95 still to your credit.

"As all the funds of the Association were distributed to the shareholders (including yourself) on a pro-rata basis in March and April, 1942, no additional distributions can be made until the loans made by the Association to certain members are repaid."

The position with regard to outstanding loans remains unchanged and there is therefore nothing to add to the above letter at the present time but the affairs of the Association are to be liquidated and you will be advised if and when further funds become available.

Yours truly,

R. G. Bell,

Dear Sir:

Attached is Custodian cheque in the amount of \$73.53, representing all the funds standing to your credit with this office.

Your file has been reviewed and it has been noted that, in your declaration to the Custodian, you stated that you were the owner of the following:

A 1930 Buick Sedan - this vehicle was sold through this office and the net proceeds of the sale, in the amount of \$639.59, were credited to your account, as you were advised on June 26, 1943.

Ten \$5.00 War Savings Certificates - these were redeemed at your request and cheque for \$40.84, representing the redemption value, was placed to your credit on April 7, 1943.

Your life insurance in the form of ten "8" Class Endowment Instalment Shares in the Yorkshire Savings & Loan Association was withdrawn at your request, and the cheque for \$220.11, representing the cash withdrawal value of your shares, was credited to your account on April 15, 1943.

The credit balance in your account with the Royal Bank of Canada, at Cumberland, B. C. was paid in to this office, in the amount of \$32.10, on September 16, 1942. This sum was credited to your account.

In addition to the assets declared by you the following are shown in your file:

Refund of Wage Deductions of 1% for the period from January to June, 1941, in the amount of \$4.53, was received from the Provincial Government of British Columbia on your behalf and credited to your account on October 20, 1942.

The sum of \$73.53, being proportionate share of the final distribution of assets of the Royston Saving Association on the basis of your 21 shares, was credited to your account on July 30, 1945.

A statement of your account is enclosed. This shows a credit balance of \$73.53, the amount of the enclosed cheque.

From your letter of October 23rd, we understand that you had a garage, which was built in front of the Japanese Hall at Cumberland, and that there was a

quantity of lumber in the building. It is unfortunate that you delayed so long in telling us of this. As the garage was built, apparently, on land not owned by you, it is possible that your title to the building could not have been established at any time, but there would have been a better chance of success in this had you declared ownership of the garage at the time of your declaration to the Custodian. In any case, the lumber, which you state was in the garage, could have been looked after had you told us of it earlier. However, we have made inquiries in regard to the building and lumber, and we will advise you of the result.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian (with the exception of the garage and lumber concerning which we will advise you later) and in order that you may confirm this and acknowledge the enclosed cheque we attach a stamped, addressed envelope.

Yours truly,

F. Matheson,
Protection Department.

Dear Sir:-

Re: Kitaji KIYONAGA, Reg.#06470
File #5045.

In reply to your letter of Dec. 10/45 on the above party, referring to garage and lumber in garage. On checking up on this garage we find same to be the Log-siding garage located in front of old Japanese Community Hall, #1 Town, West Cumberland, B.C. This garage was encloded with Ex-Gradia Building sold to Canadian Collieries "D" Ltd., as per enclosed letter of July 17/43 to Mr. R. G. Bell. The only lumber that was in the garage was a lot of short ends of heavy 1" Flooring, which we left there. The value placed on this garage was aprox. \$15.00, by the Canadian Collieries "D" Ltd. They have torn down the gargge and given same to one of their employees.

This will keep you to date on the above.

Yours truly
