Re: MIKI ADACHI - Regn. No. 13157

CHATELS:

The above Japanese registered with this office on the 17th April, 1942, and declared leaving a few household goods at his house on Gade Barr Road, Mission, B.C. He was evacuated on the 24th April, 1942. Our fieldman, Mr. I.G. Bardwell inspected the property and inventoried the goods on the 6th May, 1942. A copy of our inventory was sent to Mr. Adachi, who, after adding a spray tank and scales, signed as correct and returned to this office on the 31st July, 1942.

On the 8th August, we wrote to Mr. J.A. McLennan, the tenant, asking if the spray and scales were on the property, to which he replied, 15th August, giving a list as shown on the attached chattel schedule. Mr. McLennan left the property in February, 1943, and our Mr. Carlsen inspected the property on the 29th April, and reported that the house had been broken into and all doors were open. Mr. Carlsen made a new inventory which showed that the garden tools gramophone, spray and 4 chairs were missing. The new tenant signed responsibility for chattels inventoried by Mr. Carlsen.

Saleable chattels were removed to auction on the 6th December, 1944, and net proceeds of \$14.43 credited to Adachi's account. Kitchen range and beds were abandoned.

SPECIFIED ARTICLES:

ADACHI declared leaving a truck in the custody of the police at Hastings Park. This was a 1937 Fargo Light Delivery truck, and was appraised at \$340.00.

On the 9th April, 1942, Campbell Finance Corporation advised that they held a lien on this truck amounting to \$240.50.

This truck was sold by tender for \$300.00 less administrative expenses of \$27.23 and less amount of lien fully paid Sept. 15/42 - balance of \$27.77 credited to Adachi's account.

BONDS & INVESTMENTS:

The above Japanese declared 2 \$5.00 War Savings Certificates but these were not brought under control by the Custodian.

Although Adachi did not declare so, he was a member of the Mission Japanese Farmers' Association and on the liquidation of this association, he received his share of the assets in the amount of \$55.89.

This file reveals no other personal property assets.

The above summary is certified to be in accordance with the information on file.

Mr. Niki K. ADACHI,

Dear Sir:

Re: Cade Barr Road, Mission, B. C.
Part 15.7 acres more or less of the South East
Quarter of Section 28, Township 17 as shown and
lettered "D" on sketch deposited No. 1468,
Dis. of New Westminster, Mun. of Mission, C. of B. 51027.

You have previously been advised that a sale of lands in rural districts was entered into between this Department and The Director, The Veterans' Land Act.

Due to the size of this transaction, the arrangements for same and the completion of the transfer have taken a considerable time. Negotiations were started in the early part of 1943 and were based upon valuations made by qualified appraisers and on the basis of a sale effective as at January 1st of that year. This means that the 1943 revenues from the property were for the benefit of the purchasers, but that taxes, fire insurance and other operating charges were assumed by them.

The following is a statement showing the sale price and adjustments:

Sale price of above described property	1200.00
Add:	
Unexpired insurance premium as at January 1st, 1943	1200.00
Less:	
Tax arrears to December 31st, 1942	24.38
Registration fee	3.00
Encumbrance—Principal	
—Interest	27.38
Net proceeds of sale	\$ 1172.62

This amount has been placed to your credit and a statement of your account is endorsed hereon showing the present balance on our books. A small amount for legal fees in connection with the conveyance to the Veterans' land will be charged later.

Yours truly,

F. G. SHEARS,
Director.

Dear Sir:

Re: 9-C-99-22 M. Adachi ✓

Referring to our letters of April 9th and April 15th and yours of April 9th, we have heard nothing from you regarding the 1937 Fargo Light Delivery serial 95552009, motor 13824467 in which we have a registered lien number 165473 in the name of M. Adachi (Miki) Cade Barr Road, R. R. #2 Mission, B. C.

We have however, been given information to the effect that this vehicle was delivered to the R. C. M. P. at Hastings Park some months ago.

Since our contract is now four instalments in arrears, we would greatly appreciate advice as to whether or not this vehicle has been disposed of and if so, to whom, or if we may take possession of the vehicle, under the rights of our conditional sale contract, to realize the amount of the above indebtedness.

May we have your reply by return mail ?

Yours very truly,

Assistant Manager.

Dear Sir:

Re: M. Adachi 9-C-99-22

Our Balance \$240.50

Referring to your letter of July 13th, you have not advised us if the vehicle above referred to is at present in your custody. However, we wish to thank you for the information contained relative to the disposition of all vehicles you now have.

In connection with this matter however, we would like to point out that this is a conditional sale contract dated October 22nd 1941 on which there was shown a down payment of \$375.00 which we understand from Mr. Wilson of Fraser Valley Growers Limited, was an amount advanced by them on behalf of Adachi to permit him to make this purchase which was secured, we presume by some sort of crop assignment.

In this connection then, there is apparently a lien of \$375.00 which is not actually secured other than by the above mentioned assignment, but is actually a charge against the vehicle, in addition to which there is our lien of \$240.50.

In this particular case then, do you not think it would be better for the mutual interests of all concerned if the vehicle were released to us on the understanding of course, that disposal would be subject to your acceptance of the price and also with our keeping in mind the equity of the subject Japanese provided the Fraser Valley Growers Limited have been able to have their advance discharged by the application of monies from the crop assignment.

We would appreciate hearing from you regarding this at an early date.

Yours very truly,

Assistant Manager.

The property owned by the above together with his Brother
Iss Adachi was originally leased to John A. McLeannan and
the attached list is for effects left in the house;
also also left in this house the following:

- 1 Kitchen Range
- 1 Heater *Appliance*
- 1 Kitchen Chair.

Subsequently Mr. Janosjuk took over the lease and signed for
the foregoing effects as well as those in the house. When
liquidating chattels this should be noted.

The spray tank is noted on the file as missing between the
tenancy of McLeannan & Janosjuk, and it is doubtful if there
is much of value at this place.
