Re: Iwao TANIWA, Reg. No. 08698

This man signed a declaration to the Custodian on April 30, 1942, in which he declared ownership of a 7-room house built on property belonging to K. NAKAHARA, Lot 39, Block 55, Corner Oak & Croft Streets, Ohemains, B. C.

Mr. Kijiro NAKAHARA, File 673, owner of the land agreed to pay Iwao TANIWA the sum of \$300.00 for his equity in this building from the funds received from the sale of the land and buildings. On November 15, 1945, the sum of \$300.00 was transferred from the account of Kijiro NAKAHARA and credited to the account of Iwao TANIWA.

At the time of his evacuation Iwao TANIWA carried \$500.00 coverage on the building owned by him. In February, 1943, the Custodian had the policy renewed. The premium of \$9.60 was charged to the account of Iwao TANIWA, creating a debit. The policy was renewed by #128175 in February, 1944, but as Iwao TANIWA did not reply to our letters asking for funds to pay the premium, and at the time there were no funds in his account, the renewal was cancelled on February 21, 1944.

Re: Iwao TANIWA, Reg. No. 08698

This file reveals that the Vancouver Ice & Cold Storage Ltd. filed claim for a balance of \$145.18, principal and interest due under a Conditional Bill of Sale covering an Ice Cream Cabinet. This office investigated the building formerly owned by this man and occupied by his brother Norinichi TANIWA, File 5325. A store of some kind had been operated by one or both of these men. According to information given to Mr. Stubbs, Custodian agent at Chemainus, in May, 1942, this building had been entered by the Sheriff from Nanaimo some time before the evacuation of Japanese from Chemainus and many articles were seized. This information was given to the Vancouver Ice & Cold Storage Limited on June 2, 1942, and this creditor was advised to communicate with the Sheriff at Nanaimo for further information. No further action has been taken by this office.

PERSONAL PROPERTY SUMMARY

File No. 5188

November 1, 1946.

Re: Iwao TANIWA, Reg. No. 08698

This man signed a declaration to the Custodian on April 30, 1942. He was evacuated on May 30, 1942.

In this declaration he reported ownership of the house which is dealt with in the Real Property Summary. The land on which the house was built was owned by Kijiro NAKAHARA, File 673, from whose account the sum of \$300.00 was transferred to cover TANIWA's equity in the building. The sum of \$9.60 was charged to the account of TANIWA to pay premium on fire insurance carried on this house from December 17, 1942 to December 17, 1943.

He reported chattels as listed in the Chattel Schedule. Those reported stored in the Community Hall appear to have been shipped to his mother, File 6119, in May, 1942. Those left in his former residence were not inventoried, and the only goods of which we have a record are those that were sold after being identified as his. The net proceeds from the sale of these chattels were \$25.17, which was credited to his account. The following items declared have not been accounted for:

3 Bx. Books	1 Shoe Box & Shoes	Baseball Bats
2 Tables	1 Bookcase	Brass Pipes, etc.
#397 Tool Box	1 Round Table	2 Closets
Stove Pipes	2 Windows	1 Door
2 Beds		

Some of the items listed on the auction sheets do not agree in description with those declared by TANIWA, but we have assumed that the same articles are indicated.

TANIWA declared \$100.00 in War Savings Certificates in his own possession, and an accident and sickness policy with the Canada Assurance Company, also in his possession. These items were not brought under the control of the Custodian.

The account of this man was credited with the sum of \$5.18 as refund of one per cent wage deductions for 1941.

This file reveals no other property of any kind whatsoever.

Dear Sir,

Your file 5188. re I TANIWA Regn No 08698.

My efforts to locate the Ice Cream Cabinet mentioned by your Mr R.P. Alexander were unavailing and I have again inspected the property covered by this Registration with Constable Mc Kay.

There is no Ice Cream Cabinet in the premises but the Constable informs me that the Sheriff from Nanaimo entered the premises before the evacuation was definitely mooted and took possession of many articles which were removed.

As your Representative I suppose I am liberty to say that Taniwa operated on a shoe-string so to speak from the very commencement in fact he always had difficulty in raising money to pay for his Electric Light until he was advised that any unpaid meter readings after being due for 15 days called for the cutting off of the supply.

My information would appear to convey that the Sheriff stepped in and seized what he could ; no doubt he had the necessary warrant. But at that time the property had not come under the Custodians administration.

Yours very truly.

Dear Sir:

Re: Iwao Taniwa.

Thank you very much for your letter of May 24th and for the information it contained regarding the Ice Cream Cabinet sought by the Vancouver Ice & Cold Storage Limited.

We do not appear as yet to have received any report from you upon the other assets of Mr. Taniwa. You will recall that on April 24th we asked you to make an investigation of Mr. Taniwa's property and to report on it. We shall be indebted to you for an early report together with any recommendations you can give us at that time regarding the question of the rental of Mr. Taniwa's house.

Mr. Taniwa, as you may recall, reported that he had a two storey building on the corner of Oak and Croft Street, Chemainus, which he valued at \$2,000. Is this house occupied at this time? If so, can you send us a copy of the Rental Agreement covering this property? If the house is unoccupied, can you arrange to get a tenant?

Failing this would you be good enough to put us in touch with a Real Estate firm in Chemainus whose services we can avail ourselves following receipt of your inspection, report and recommendation?

Very many thanks in anticipation of an early reply.

Yours truly,

R. P. Alexander,
Assistant Manager.

Dear Sir,

File 5188 Iwao Taniwa

Further to correspondence and particularly to the letter by your Mr R.P. Alexander of June 2nd. I am beginning to see daylight in this matter. I would suggest that Iwao Taniwa left Canada some two or more years ago and though it appears he has ownership of the Store and House combined the tenant is Norichi Taniwa, a son, which man wrote you under date of April 20th, so the files of the B.C. Police here show, setting forth a list of furniture &c in the Store & House and valued by him at \$487. 25. The various values set against the individual items are very exaggerated from my two inspections though you will realise with all the windows boarded up and no Electric Light one has to dig around with a Flashlight; as to finding a tenant for this Store and House I cannot think who would be interested except an Oriental but will lose no chance of renting should the opportunity present.

Regarding Reg No 08698 Iwao Taniwa this man's possessions are in House No 6 the property of G Kawahara and are in a fairly good condition but a good deal of the stuff is home made as Taniwa was quite an average Carpenter.

There is no Real Estate agent here and if any Representative of your office was on the Island and could make a round of inspection with me you would better realise the local conditions.

Should you require any further details of the Iwao Taniwa furniture and effects Mr Alexander please let me know; as I have previously stated the values put upon them by the Japanese are in many cases fantastic.

Yours very truly.

June 20, 1942

Alfred Stubbs Esq.,
Cherninus, B. C.

Dear Sir:

Re: Iwao Taniwa

Thank you very much for your letter dated
June 16th.

We admit with you that the matter seems to be somewhat involved and we are taking the liberty in this instance of asking you to be good enough to provide us with some additional particulars.

Mr. Iwao Taniwa, registration #08698, a Mill-hand, aged 22, employed previously by The Victoria Lumber & Manufacturing Co., Ltd. Cherninus, declared to us on April 18th, 1942 that he had stored some 33 items which he valued at some \$629. in house No. 6, the property of Mr. G. Kawahara. Your letter indicates that the storage arrangements made for these 33 cases are fairly good quite aside from the question of values involved.

On April 18th the same Mr. Iwao Taniwa declared that he had stored in the Japanese Community Hall at Cherninus four items consisting of three boxes of kitchen ware and one crated singer sewing machine which he valued at about \$230.

We would appreciate your informing us whether or not you are able to confirm the statements of Mr. Iwao Taniwa in this connection. If this is done it will close our file in respect of the effects in storage of Mr. Iwao Taniwa.

Turning now to the question of real estate located on Lot 39, Block 55, corner of Oak and Croft Street, Cherninus, on which there is situated a two-storey building. On April 21st Mr. Iwao Taniwa stated he wished to hand over this property to our care. He placed the value of \$2,000.

on this real estate. Subsequently when Mr. Iwao Taniwa came to Vancouver he declared on April 30th that he held a policy with the National Fire Insurance Company of Hartford, policy #54959 for \$500. on a two-storey frame dwelling on the real estate mentioned above and that said policy was due to expire on December 17th 1942. His notes at the time indicated that although he, Iwao Taniwa, owned the house that the land itself was the property of Mr. K. Nakahara and that he, Iwao Taniwa had been paying to Mr. K. Nakahara the sum of \$5. per month for ground rent.

In order that this matter of ownership may be cleared up with the least possible delay, would you please be good enough to give us information as follows :-

1. Is house No.6 belonging to Mr. G. Kawahara, situated on Lot 39, Block 55, corner of Oak and Croft St?
2. If Mr. G. Kawahara's house is not situated on this property, does the two storey building on said property belong to Mr. Iwao Taniwa ?
3. Is the land known as Lot 39, Block 55, corner of Oak and Croft Street registered in the name of Mr. G. Kawahara, and if not in whose name is it registered?
4. Regarding Mr. Norichi Taniwa mentioned in your letter, is Mr. Norichi Taniwa still in Canada? Are you able to obtain from the B. C. Police any information regarding Mr. Norichi Taniwa, such as his Police registration number, his age, his occupation, his address when in Chemainus and his present address.

We are somewhat perplexed, as you will doubtless realise when reading our letter, in view of the fact that your letter suggests that Mr. Iwao Taniwa had left Canada some two years ago, whereas a Mr. Iwao Taniwa, registration #08698, aged 22 is still definitely here in Canada.

Your assistance and patience in clearing up this matter for us will be very much appreciated indeed.

Yours truly,

R. P. Alexander,
Assistant Manager.

Your file No 5188.

Dear Sir ,

attention Mr R.P. Alexander.

Yours of June 20th re IWAO TANIWA . My previous remark that this man left the Country some two years ago is in error. His registered number is O 8698 as you state and he worked here for a Sub-Contractor of the Lumber Coy. He is quite a young fellow, 22 I am told, and it would appear that he is acting on behalf of his Mother (Mrs) Naka Taniwa O 8770 wife of one RISABURO Taniwa who is the man who left the Country some 2 - 3 years ago and whom I previously took for Iwao Taniwa in error. To support my idea that Iwao is claiming on behalf of his Mother is the B.C. Security Commission form for release of property as one in my possession signed in Japanese characters but in the name of Naka Taniwa # O 8770 requested release of parcels numbered 1, 2, 3, & 4 from the Japanese Community Hall which parcels went forward with the shipment on May 23rd as per my letter of these details dated May 24th acknowledged under your file #112 and over your signature. Iwao Taniwa I do not think is married but on this point I have no definite information. The furniture in house No 6 - which house belongs to G Kawahara - is so far as I can see still there; this is the house in which the Taniwa family lived.

Now Mr Alexander with regard to property consisting of a Store and house over it on Lot 39 Block 55 corner of Oak & Croft Streets, I can find no owner of this property which Iwao Taniwa claims. It is built on the land of one K Nakahara O 8611 for which NORIMICHI TANIWA O 8593 paid me one month's ground rent before he left. In talking with the Assessor at Duncan he could find no property or real estate owned by Iwao Taniwa but said K Nakahara was paying Tax on his land covering improvements part of which improvements it appears to me is the two storey building. Norimichi Taniwa was the tenant of this store and his Wife (your O 8592) Mitsu - or Mitsui - Taniwa had some effects in the Community Hall which also went forward on May 23rd Six pieces numbered 1 to 6 inclusive.

As to Ownership : House No 6 in which the Mother and unmarried Taniwa's lived is on the Kawahara property and is entirely separate from the two storey building on K Nakahara's land.

The Ownership of the Store on lot 39 East 60 and lot 40 East 60 is in doubt; there apparently is no Deed to it as the land is held on Ground Rent from K Nakahara; whether Iwao Taniwa paid for the building of it or his Father Risaburo I cannot find out. Iwao would certainly not have \$2000. 00 in the short time he lived here.

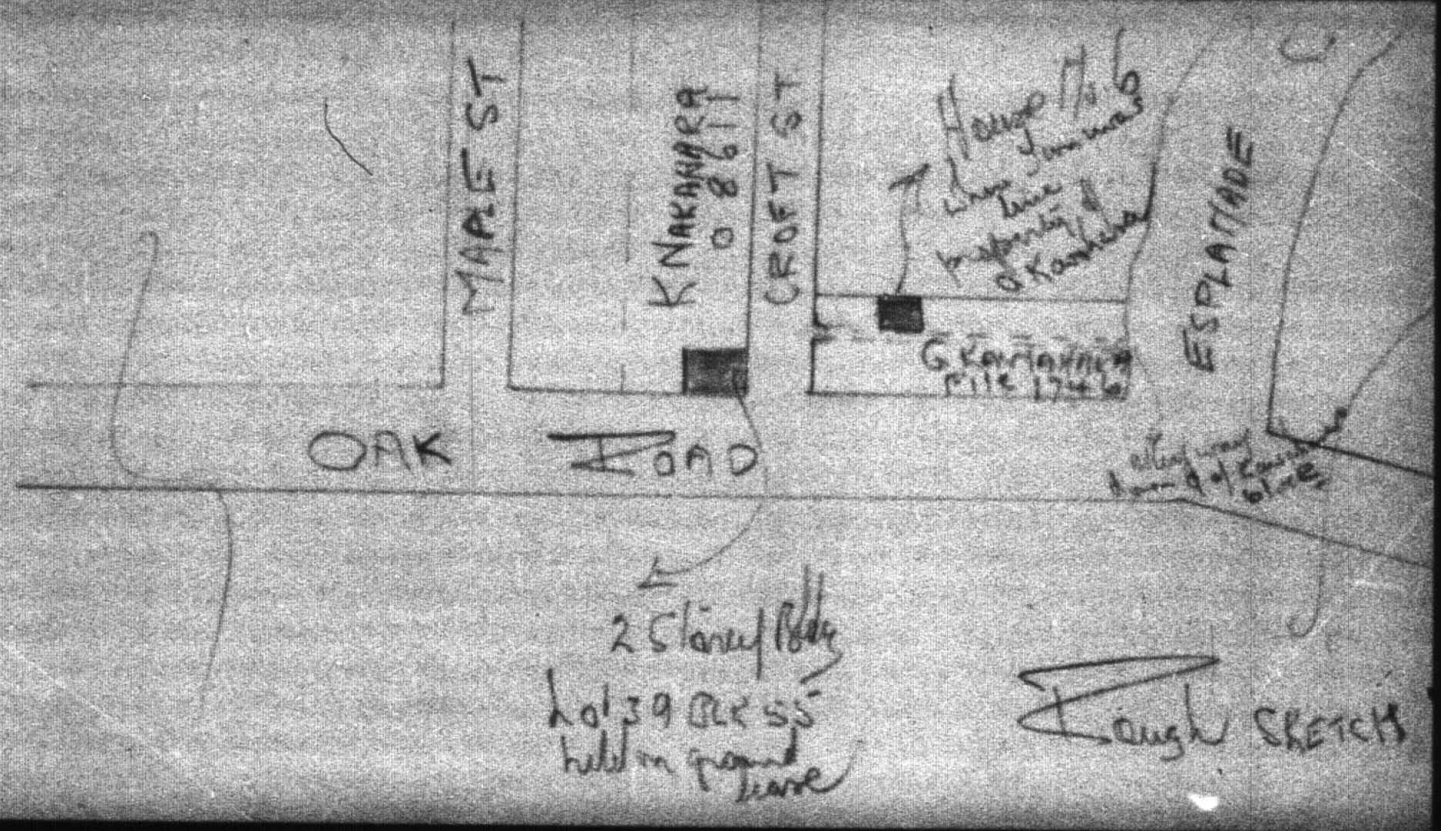

Lot 39 Block 55 is owned by K Nakahara.

With regard to the person I called Norichi Taniwa his correct name is Norimichi Taniwa your O 8593. and of him I think you have all particulars.

Trust this screed will help you Mr Alexander but if not I am quite willing to start all over again; let me know please how the problem unwinds .

Yours very truly.

ROUGH SKETCH

5188

29th July, 1942.

Alfred Stubbs, Esq.,
Chemsinus, B. C.

Dear Mr. Stubbs:

Re: Iwao TANIWA

Thank you very much for your letter dated June 24th. Since receiving your letter I have been trying to puzzle out the relationships of the five Taniwas you mentioned in connection with the property on the corner of Oak and Croft Streets and generally from your letter and from the correspondence on file to determine the various assets and liabilities of these people but I must confess, Mr. Stubbs, that I have been having considerable difficulty.

Due to the fact that you are on the site, are intimately acquainted with the situation in Chemsinus and have sources of information available to you locally, I am asking you to be good enough to be patient and at your early convenience to clear up the matter by sending to me separate letters giving as much information as possible concerning the property and affairs of the individuals listed below:

Iwao TANIWA	5188	✓	Norimichi TANIWA	5325
✓ Mrs. Naka TANIWA	6119	✓	Mitsuo TANIWA	6578
✓ Risaburo TANIWA	6060	✓	K. NAKAHARA	673
G. KAWAHARA	1746			

I realize that your individual reports on these seven persons will, in certain circumstances, overlap. It may be unreasonable, but I want to explain to you that our twelve thousand odd files in this office are based on individuals and we try to keep on each file all pertinent information regarding that individual. It is for this reason, therefore, that I am appealing to you at this time for your assistance in unwinding the problem presented in your letter dated June 24th.

Yours truly,

R. P. Alexander
Manager

Dear Sir,

re Iwao Taniwa O 8698.

This man is single and about 22/23 years of age and I understand is the son of Mrs Naka Taniwa your O 8770. He worked for some four and a half years for one of the Sub Contractors of the Lumber Coy on the lumber stacker and his annual earnings during this period averaged some \$800. 00 per annum. I am presuming that after his Brother Norimichi Taniwa got married about 3 years ago this lad Iwao would be the eldest son at home and as his Mother never could speak much English no doubt Iwao who had mixed with the Baseball gang and had a smattering of English would do such business as required to be taken care of and I suggest signed the declaration of Ownership for the furniture and effects of the Taniwa household living in House No 6 the property of Gihel Kawahara (? your file 1746 Agent Mr Hinton Victoria B.C.)

Yours verly truly.

Dear Sir:

In your declaration to us you declared that you owned a 7 room house built on land belonging to Kijiro Nakahara, being Lot 39, Block 55, corner of Oak and Croft Streets, Chemainus, as this property is registered in the name of Nakahara and title to the house follows the land, we would appreciate if you would advise us if there is anything in writing to say that the house belongs to you.

Nakahara declares that your brother, Norimichi, paid \$5.00 ground rent for the land and you state also that you paid \$5.00 per month for the property.

Your prompt attention to our letter will be appreciated.

Dear Sir:

With reference to fire insurance on a building described as pool room and dwelling and located on Lot 39, Block 55, being on the Corner of Oak and Croft Streets in the town of Chetsumus, B. C.

You were carrying on this property to the extent of \$500.00 under National Fire Insurance Policy No. 54959 which expired December 17th, 1942. Following the expiry of that policy, the property was held covered for the same amount and on instructions from our agent, Alfred Stubbs, the insurance agent, H. R. Sailey, has had a renewal policy issued. The premium on that policy is \$9.60 and, as you have apparently no funds to your credit in this office at the present time, I would ask you to remit to us the amount of the premium, \$9.60, which will be paid to the Insurance Company.

Yours truly,

We acknowledge receipt of your letter of February 15th in regard to the above together with your cheque for \$9.60 being the amount of the premium for which we thank you and receipted statements are enclosed herewith.

Among the articles credited to the account of Iwao TANIWA from Chemainus Auction #1 were the following that were not declared by him, but were declared by Hitoshi Arthur OKADA, who stated that his chattels were left in House #6, Gihei KAWAHARA, the house occupied by TANIWA. As it seems reasonable to assume that the articles credited to TANIWA were those removed from the house he had occupied and that those declared by OKADA but not by TANIWA are the property of OKADA, would you kindly transfer from Account #5188 to Account #6474, the following:

Glass Cabinet \$4.00

Re: TANIWA, Morinichi
File No. 5325

The above declared items totalling \$512.25 in value, left in the building at the corner of Oak and Craft Streets. Some of these values seem high, e.g. Festival dolls, \$135.00, box medicine, \$60.00.

He also declared 6 boxes left in the Japanese Hall, but all these were shipped to Mrs. Morinichi TANIWA, file 6758, on or about 16/5/42. Her file discloses no further chattel transactions except for the sale of a box for the net sum of .34¢.

It appears from file 5325 and that of the brother Iwao TANIWA, file 5188, that these Japanese operated a small store as a sideline, and this is dealt with further below.

Re: TANIWA, Iwao
File No. 5188

The above declared as left in House no. 6 of G. Kawahara (the reference is to a collection of cabins of the poorest type locally known as "Kawahara's Jap Town") items valued at \$629.00. Here again values seem high (box of books \$130.00, gramophone records \$85.00).

He also declared 4 items left at the Japanese Hall, which were shipped to him on May 23rd, 1942. (See letter 24/6/42).

On May 24th, 1942, in file 5188, Mr. Stubbs wrote apropos of a claim from the Vancouver Ice and Cold Storage Co. Ltd. -

"There is no Ice Cream Cabinet in the premises but the Constable informs me that the Sheriff from Nanaimo entered the premises before the evacuation was definitely mooted and took possession of many articles which were removed.

The above declared on April 23rd, goods stored in House No. 6 to the value of \$772.00, as well as 6 items in the Community Hall, which were shipped May 1942. There is some doubt as to whether this is a duplication of Norinichi TANIWA's declaration, as the 6 items in the Community Hall are very similar to those declared by Norinichi TANIWA at the same place.

This declaration had been previously overlooked and was brought to our attention by H. Okada's letter of 12/8/44. It is being followed up.

OKADA, Hitoshi Arthur, File No. 6474
TANIWA, Isao, File No. 5188

Dear Sir:

We wonder if we may again trouble you in connection with some of the goods of the above Japanese which were said to have been left in house no. 6 on Kawahara's property.

From various correspondence on file it seems pretty clear that the TANIWA's never owned very much of value. However, the articles that they did declare do not seem to have been accounted for in the auctions at Nanaimo and we wonder if you have any recollection of what was removed by Mr. James and his helpers.

Your letter of August 25th, 1942, states that the only article of any appreciable value was the kitchen stove, the balance, so far as you could judge, not being worth more than \$75.00. When they were moved to auction, Norimichi TANIWA's things only fetched \$12.00 gross, of which the range went for \$5.00. One or two items, which were probably considerably over-valued, do not appear to have been accounted for, e.g. Festival Dolls, toilet (which was perhaps a fixture), a baby carriage and some counters and stools which were probably home-made and not worth moving.

I. TANIWA's things fetched a gross total of \$61.35 and here again there are some items unaccounted for, e.g. a double bed, valued by him at \$25.00, and a tool box valued at \$75.00.

All this is doubtless susceptible of explanation, but we have now heard from Hitoshi OKADA. He points out that he declared all his belongings as left in house no. 6 and it

Dear Sir:-

Further to ours of August 31st, we are afraid that we have very little further information to give you. The writer was recently at Chemainus and his visit threw no further light on the disposition of your belongings.

Our records show that a few items were sold and credited to the accounts of Iwao TANIWA and Norimichi TANIWA with whom you lived but none of these items are recognizably yours and they are, in any case, of very small value.

We see that a number of items were sold for other evacuees bearing the name of Okada, but these apparently all lived in "Okada's Camp" being the property of your brother, Haruyuki.

The only thing we can suggest is that you contact the Tanis who are also at Slocan and write us if you have any further suggestions to make or questions to ask.

We believe that Mr. Hitoshi Okada lived with you and may have left some belongings on the premises inhabited by you. Further to my memorandum to file of September 1st, 1944 and letter to Mr. Stubbs of September 5th, Messrs. Bell and Green were unable to learn anything further on their trip to Nanaimo and Chemainus in November 1944.

Although there was trouble with house-breaking at Chemainus and some might have been stolen, my memorandum referred to above, reveals there was very little of value left here insofar as the Taniwas were concerned. The position, however, is not very satisfactory in regard to Okada's possessions and further enquiries are being made.

With reference to your letter of the 18th instant and our letter of yesterday's date advising completion of sale of the above property, we have to point out that our records show the prominent building on the corner to have been built by Imao TANIWA (Reg. No. 08698, File 5188).

Beyond the declaration of Mr. Tanawa, in his "JP" form, that he paid you \$5.00 per month ground rent, there is no evidence of any written agreement between yourself and Mr. Tanawa regarding the use of your land or of your interest in the building in question.

Please let us know promptly what, if any, part of the net proceeds from sale of the property as a whole, should go to Mr. Tanawa. We would mention here that all the other buildings on the site were condemned by the Fire Marshal and Mr. Tanawa's building undoubtedly contributed much to the selling of the property at the price realized.
