Attention: Mr. Green

Dear Sir:

Your letter of Sept. 24th received. You will find enclosed a number of lists of Japanese and a letter dated May 19th asking us to arrange for the moving and storage of these effects. In a great many cases all it was necessary for us to do was to check with the Japanese Committee on this end and locate where the different parcels of effects were stored.

As you will note by the pencil notations on the lists this entailed a great deal of work because very frequently we found the given address to be occupied by a different family or entirely vacant. We would then have to contact the Japanese Committee and endeavour to locate the missing furniture.

None of the articles belonging to these particular Japanese were moved by Belyea & Co. and for that reason you have no record of our work other than our invoice for services rendered and the enclosed lists which we would ask you to kindly return as they may be of value to us later on.

You will note, also, that on some of the lists appear the names of the Westminster Trust and McLeod. The reason for this is that the three offices held a meeting and divided the lists so that they could be worked out with a minimum of expense.

We did not check all these chattels against the lists sent to us as we pointed out to your Messrs. Reed, Shears, and Alexander at a meeting held in your office that this was impossible and they agreed that it was not necessary. What we did was to determine that the articles were positively located and securely locked away.

Trusting this is the required information,

Yours very truly,

COULTHARD, SUTHERLAND & CO. LTD.

Dear Sir:-

Please be sure to let us have an answer to our letter of August 13th in which we requested you to advise us if you had removed your stoves before leaving Lion Island.

If you did not remove them, please advise us of the exact type of stoves left behind together with a reasonable estimate of their value.

Dear Sirs:-

Thank you very much for your letter dated August 13th received today. We note that you acknowledge receipt of payment of the cheque for \$380.50 we sent to you on August 7th and call our attention to the fact that the only outstanding account remaining on your files is one in connection with work done by you on June 8th.

We have had some considerable difficulty in tracing this matter as your letter does not indicate the amount involved, our file number or the names of the Japanese individuals involved.

However, unless we hear from you to the contrary, we assume that your letter has reference to our File No. 5293, Mr. Kazuo Ikegami, Registration No. 01614, for which you billed us on June 8th in the sum of \$6.00 covering the services of the boat "Ariel" for inspecting property on Lion Island, at the rate of 1½ hours at \$4.00 per hour.

Our records indicate that payment of this account is included amongst the items, dated August 7th, making up the total of \$380.50 in question.

If we are in error, as may very well be the case, we would appreciate your advising us fully.

Yours truly,

R.P. Alexander,

Dear Sir:-

In your registration form of April 22nd
you declared a heating stove and a kitchen stove
left at Lion Island. Our agents report that they
cannot find these there. Did you dispose of them
before evacuation or can you advise us if you made
any other disposition of them?

Dear Sir:-

In addition to the "JP" forms already assigned to you, we have a number of Japanese declarants who have registered furniture and personal belongings with the Custodian. As and when these Japanese are moved, their furniture will have to be stored either with friends or at the storage places which you have already arranged.

We have extracted particulars of this furniture and effects from the "JP" forms and are sending you a number of copies of these in duplicate, arranged by streets. Similar extracts have been sent to Messrs. Westminster Trust Company, and Mr. Alfred McLeod.

Please keep in touch with the Japanese Committee man at your end and arrange for the safe-keeping or moving to storage of these effects as the owners are evacuated. As we have assigned these cases to you alphabetically by streets, there is no reason why you should not get together with our other two agents mentioned above and exchange information or extracts according to how they can most conveniently be handled.

We shall very shortly be sending a circular on the whole storage question which will give you further guidance in this matter. Briefly our ideas are that where property can be safely left in situ (e.g. in a boarded up house or in the care of white tenants) such property should not be moved to storage.

We shall have to consider the question of Fire Insurance before property is stored in the various New Westminster storage depots. Will you please arrange to keep an approximate valuation of property as it is stored, in order that we may later request you to take our Fire Insurance.
