CHATTEL SUMMARY

File Nos. 7827
5330

November 22nd, 1945.

Takajiro BABA, Reg. 10195
Shizuko (Mrs. Takajiro) BABA, Reg. 10194

The above made their declaration to the Custodian on May 6th, 1942 and were evacuated on May 17th, 1942.

SHIZUKO BABA

Shizuko (Mrs. Takajiro) Baba operated a small store at 875 Columbia Street, New Westminster. After her evacuation our agents, the Westminster Trust Company, reported under date of July 9th, 1942 that very little of value was found in the store. A small amount of stock was disposed of to dealers for the sum of \$35.44, no commission being charged by the Westminster Trust Company. Some of the store fixtures and remaining furniture was removed to the Buddhist Temple on June 19th, 1942. An ice box too large for our storage rooms was removed at the same time to Belyea & Company's storage warehouse on Front Street in New Westminster.

On the back of Mrs. Baba's declaration form appears a memo of "stock in hand". The Westminster Trust Company on July 9th, 1942 reported everything in a "filthy state" and classified it as "junk". Some of the show cases were removed to storage.

TAKAJIRO BABA

Takajiro Baba declared on April 22nd, 1942 that he had left certain effects at the Community house at 815 Agnes Street in New Westminster. On October 28th, 1942 goods belonging to Mr. Baba were removed from 1031 Royal Avenue, New Westminster and stored in the Japanese School House at 815 Agnes Street, New Westminster. The latter was inventoried by Belyea & Company and a copy appears on File No. 5330 under this date.

MR. & MRS. BABA

On November 5th, 1942 an inventory combining the effects of both Mr. & Mrs. Baba was submitted to them for confirmation but it was not returned.

On May 3rd, 1943 the Westminster Trust Company advised that storage charges on the ice box had accumulated to the sum of \$27.00. The Belyea Company offered to take this article in payment for their charges and it was disposed of in accordance with the recommendations of the Westminster Trust Company.

Prior to our auctions in New Westminster of December 10th, 1943; January 19th, and 28th, 1944; February 25th, 1944; March 15th, 1944 and our Surrey auctions of November 22nd, 1944; January 31st, 1945 the effects listed on the Chattel Schedule were removed and sold for the net sum of \$117.41, the proceeds being credited to the account of Shizuko (Mrs. Takajiro) Baba, under whose name the effects had been tagged and stored by Belyea & Company. The sales sheets showing the proceeds are on File No. 7827.

Six show cases were inventoried, three were sold and

CHattel SUMMARY

three are broken and unsaleable. In addition Takajiro Baba declared four dressers with mirrors. One dresser and three cabinets were inventoried. One dresser and mirror was sold on December 10th, 1943. The cabinets were too obsolete to move and would not justify the cost of removal.

This summary is certified to be in
accordance with information on file.

Dear Sir:

You will recall that on April 24, 1945, we paid a claim, owing to the Workmen's Compensation Board, in the amount of \$28.46 and charged this to the joint account of yourself and Kanichi Matsuba.

Your file reveals that this claim from the Workmen's Compensation Board was addressed to yourself with a notation that you were succeeded by a partnership arrangement by S. Mukai, K. Matsuba, S. Kanegawa and T. Baba. On checking with this Board, we find that a letter was received by them, on April 1, 1940, signed by Seishi Mukai per E.M., in which was stated that Kanichi Matsuba was taken in as a partner. And again on March 5, 1941, a letter was received by them, signed by you, in which you stated that the partnership was extended to Mukai, Matsuba, Kanegawa and Baba.

It will be necessary, at this time, to let this office have full particulars as to this partnership, and to let us know what interest, as to the debts and the credits received by this office from the sale of the real property and equipment, or monies received for services rendered, is held by each person.

We are endeavouring, at the present time, to close your file and pay out monies to the credit of you and Mr. Matsuba, but this cannot be done until this information is provided.

Dear Sir:

Through information received from the Workmen's Compensation Board re a claim, in the amount of \$28.46, made against S. Mukai, K. Matsuba, S. Kanegawa and T. Baba, we find a letter was received by this Board from Mr. Mukai on March 5, 1941, informing the Board that a partnership was set up between the above mentioned persons. In your declaration you did not mention any interest in the boat building business or this partnership.

Would you kindly inform this office what interest you did have in the operation, in which Mr. Mukai declared to the Workmen's Compensation Board that you had an interest.

Your immediate attention will be appreciated.

In reviewing your file we find that you declared the following liabilities:

F. K. Takahashi	\$107.73
West Coast Trading Co.	55.40
R. Tagashira & Co.	202.34

From time to time we have corresponded with you in regard to these debts and you have admitted your liability. We suggest that as you have funds to your credit that we pay off these creditors for you pro rata. In other words, you have been credited with the proceeds of personal effects sold at auctions and private sales against which we have charged certain expenses leaving a balance to your credit of \$102.66. Your liabilities amount to \$365.47 which would pay your creditors approximately 25% on the dollar. 7827

If you are satisfied with this arrangement will you please advise us and we will endeavor to complete a settlement with your creditors on this basis. We enclose a statement of your account and should be glad to hear from you.

Re: Shisuko (Mrs. Takajiro) BABA

Liquidation of chattels on this file is now complete, having been disposed of by auction. It will be noted however, that effects of both Takajiro Baba and his wife, Shisuko Baba, are dealt with on File 7827, because the chattels were tagged "B. BABA".

The proceeds of liquidation represents chattels removed from 1031 Royal Avenue and 875 Columbia Street to the Buddhist Temple and also from 815 Agnes Street.

The following is a list of chattels missing:

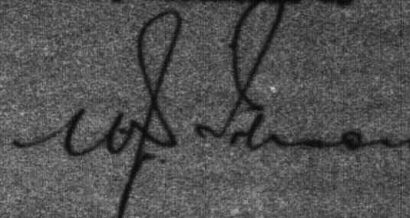

1 Singer Sewing Machine

The following articles were of no commercial value:

1 Bundle of odds and ends of lumber
1 Home made book shelf
3 Cabinets

On the back of the J. P. form there are eight show cases listed, but it is not quite clear in the records whether these were sold with the balance of goods belonging to Mrs. Baba (6 show cases were inventoried, 3 were sold and 3 abandoned as they were broken and remained unsold.)

Dear Sir:

We notice that the J. P. form signed by you in April, 1942, lists a Singer sewing machine as being left at your former address, 815 Agnes Street, but we find that in the process of liquidation this machine did not turn up.

Perhaps you will be good enough to let us know whether this was taken with you at the time of your removal.

Dear Sir:

We are in receipt of a letter from the B.C.

We have only 56 cents to the credit of Mr. and

Dear Sirs:

In reviewing our Japanese files it is noted that there is an itemised statement of merchandise, dated May 21st, 1942, against a "Japanese Store" on a statement form of yours, amounting to \$13.19. There is nothing on the statement to indicate the name of the Japanese or the location of the store.

We submitted it to a Japanese who carried on a business at 875 Columbia Street, New Westminster, but received reply that he knew nothing at all of such an account. Owing to the indefinite nature of the statement we did nothing more about it, but now wish to clear the file of same—hence our writing to you for information.

If it is still outstanding on your books, please give particulars as to name, store address, etc. Failing to hear from you we will cancel the item on our records.

Re: Policy #860,951 - Takajiro Baba

The above mentioned policy is a Paid-Up Term and Pure Endowment which expires on December 1st next when the Pure Endowment of \$197.00 will be available to the assured in cash. Mr. Baba, who resides at R. R. #4, Alvinston, Ontario, has written to our Montreal Office stating that he recently obtained a loan from the Bank of Montreal there and asks that we forward a cheque to the bank in repayment of the loan at the maturity date. In view of this information the Company has deemed it advisable to make the settlement cheque for \$197.00 payable to Takajiro Baba and the Bank of Montreal jointly and we have advised the assured to request the Alvinston Branch of the bank to send the policy to the Vancouver Branch of the Bank of Montreal so that the cheque may be turned in to them for surrender of the policy. In view of the special circumstances of the case we would ask you to give us authority to deliver the cheque to the Bank of Montreal on receipt of the policy.

Dear Sirs:

re: \$50.00 - Mr. and Mrs. T. BABA,
875 Columbia St., New Westminster

We received your letter of the 23rd ult. relative to the above claim.

In reviewing the above files we find a report from our agent, Westminster Trust Co., New Westminster, from which we quote as follows:

"The store was in a filthy condition, and the goods of no value whatsoever. I advised him I would do my utmost to sell the stock. The only saleable things were a few tin goods, some odd lines of tobacco, and a lot of goods that could only be classified as junk, which I had great difficulty in getting anybody to remove, before handing the keys over to the owners."

We quote also from a letter of ours to Mrs. BABA at the time, as follows:

"With reference to the stock of tobacco and odd stores you left at the premises rented by you at 875 Columbia Street, New Westminster, we have to advise that this was eventually disposed of for the sum of \$35.44 by the Westminster Trust Company. This was the actual price paid for the stock, no commission being charged in this instance by the above Company."

In addition to the foregoing we may say that certain stock and effects of BABA are stored in the Buddhist Temple, New Westminster, the value of which, however, we are unable to state.

With further reference to the above and your letter of December 22nd, Mr. and Mrs. Baba were tenants of ours in the above premises, and they are owing us rent for the month of May.

It is our understanding that your Office took over the goods and Chattels of the Babas, and as rent is a preferred claim against the assets we naturally expect that the rent should take preference over the other creditors.

We shall be glad to receive your assurance that this is so, and would ask you to kindly give us a statement of Baba's affairs since they were taken over by the Enemy Custodian.
