Re Enjiro NAKASHIMA - Reg. #08916

Dear Sir:

Following instructions, we have investigated and taken control of the property owned by the above, the location being Lot Eighteen (18) and West half of Lot Seventeen (17) Block Two (2), Section Eighteen (18), Range Seven (7), Quamichan District, Plan 1347 (Municipal District of North Cowichan).

The property is all cleared and fenced and has a frontage on Lewis Street of 120 feet and a depth of 225.6 feet. The soil is of good quality and is laid out in vegetable and flower gardens and a few fruit trees.

The improvements consist of a frame dwelling with shingle roof and walls, standing on cedar blocks, one bracket chimney and comprises livingroom, three bedrooms, kitchen with sink and pantry. There is a separate outside entrance to two other rooms, and it is connected with Company light. There are no modern conveniences. The outbuildings constitute woodshed, Japanese bathroom, and earth toilet. No water is laid on. The property is situated just outside the city limits of Duncan, about one mile from centre of town.

The inventory given us is confirmed, but we are unable to locate one water pump and piping under the heading of Kitchen and Pantry, and one raincoat under the heading of No. 1 Bedroom. However, there are quite a number of small articles in the dwelling-house not shown on the inventory.

As far as we can ascertain, there is no fire insurance in force.

We believe there to be no liabilities.

Our recommendations are that the furniture and effects be disposed of and the property offered either for sale or rent.

The property was found to be securely locked. The locks have been forced and new keys made, which keys are in our possession.

We also wish to report that standing in front of the property in the street area are two log trailers, complete with six tires in all, some of which are in good condition. These apparently belong to the above.

Yours faithfully,

J. H. WHITTOME & CO. LIMITED

MEMORANDUM

✓ To: Mr. Bell
From: Claims Dept.

re: Claims - Eitiro NAKASHIMA, Reg. No. 08916

At your request we wrote regarding a claim of Drs. Bissett, Watson, McHaffie & Beaver-Potts against the above party. The Duncan District Credit Bureau, who are collecting on their behalf, have replied as per letter February 26th, 1944 on this file.

re: \$12.45 - Vancouver General Hospital

On enquiry at the Hospital by telephone we are told that the account of \$12.45 was paid November 1943, and was originally charged against Eikichi NAKASHIMA on their books.

Evidently, therefore, the extract on this file, No. 5360, for \$12.45 should be cancelled as belonging to file No. 3899 - Eikichi NAKASHIMA.

Dear Sirs: Re: Enjiro NAKASHIMA

This will acknowledge receipt of your report dated 9th May, on the above.

Please place adequate fire insurance on the property and effects.

Regarding the two log trailers which you state are on the property, these are not listed on the "JP" Form, but we think you should trace ownership by following up the licence numbers and report whatever information gained to us.

Please try to secure a tenant for this property without disposing of the furniture; if this is not possible, please arrange for the storing of all effects in one room in the house and have it securely locked, renting the balance of the house for a sum you consider suitable.

Yours truly,

Dear Sir:

Following instructions contained in yours of the 19th instant, we have placed insurance of \$600.00 on the dwelling and \$300.00 on the contents thereof. We are unable to give an accurate estimation on what should be placed on the contents as there are boxes, trunks, etc. which have not be examined by us.

Would you please advise us as to the correct method of writing this insurance, whether it should be in the name of the Custodian or in the name of the Japanese owner.

The property is being offered for rent, furnished at \$15.00 per month, unfurnished at \$10.00 per month on the understanding that if it is let unfurnished that storage space in the house must be provided for the furniture.

With regard to the log trailers, we have made further inquiries and have been given to understand that these are the property of T. Watanabe and his brother. An expert tells us that they are really of no great value. Although some of the tires are in good condition, we are advised that they are of an obsolete size.

Yours faithfully,

\$25.00	Duncan District Credit Bureau (Doctor's account)
\$12.45	Vancouver General Hospital

and we would be obliged if you would confirm the correctness of these claims or supply us with the information needed to return them for correction or cancellation.

Received your letter of the 8th of January in regards to the rent of our property. Although I thank you for your prompt attention. In your letter you mention of unpaid taxes which is correct. I have that owing on the property. But these claims which you say are registered against me, must be a mistake somewhere as I do not owe any such accounts. The Doctor's account of \$25.00 I paid this balance off right soon after the patient was well. All bills and accounts I had owing while living in Duncan I had them all paid up before leaving. And now this claim of \$12.45 Vancouver General Hospital

Must be a nother mistake as I or any of my family have
had no connection with the Vancouver General Hospital
Matter of fact when leaving Durcan on our evacuation
and then put in Hastings Park was the first time
I had seen Vancouver.

Hoping this letter will be satisfactory
Thanking you

Dear Sir,

I am writing to you because my parents has written to you about this case & you haven't answered the letter yet. I am writing to you because I think you have made a mistake in charging us on some ^{type} debt that we have never seen or never heard of.

I myself do not remember leaving any debt at the Duncan Hospital before getting evacuated. The other debt for the Vancouver General Hospital doesn't belong to us either. Why? Well it is because I & my parents & family have never been near or seen this Vancouver hospital while being in Vancouver. I don't see how you can charge us on a bill when we never seen the places.

The debts are made out for \$25.00 to the Duncan Hospital the other is \$12.50 for

Vanman General Hospital.
I wish you would check up on this
and write to me at your earliest convenience.

Dear Sir:

Re: Lot 18 and the W $\frac{1}{2}$ of Lot 17, Blk. 2, Sec. 18,
Range 7, Okanogan District, Plan 1346.

The Custodian has recently accepted an offer received from The Director, The Veterans' Land Act, to purchase a large number of Japanese-owned rural properties.

We are writing to advise you that the above property, which you own, is included in this deal.

The sale was made effective as at January 1st, 1944, and adjustments will be made as at that date and rentals received in the current year will accrue to the Director of the Veterans' Land Act.

As this is a transaction of considerable size it will take some time to make all the necessary adjustments and receive payment. In due course, however, we will supply you with full details as it concerns your own particular property, showing the adjustments which have been made and the amount which will be placed to your credit.

We would suggest that further correspondence from you in regard to this matter should be delayed until we are in a position to supply complete information and make the proceeds of sale available to you, subject to the adjustments mentioned above, and to any legitimate claims filed with the Custodian.

In due course, therefore, you may expect to hear from us further in regard to this matter.

Yours truly,

In the meantime, we are today requesting the various insurance companies to cancel these policies and to date them back as far as possible.

We will expect you to be responsible for the difference between the pro rate charged under the conditions of the deal and the short rate cancellation which we will receive from the insurance companies in connection with each of these policies.

We are returning herewith the above numbered policies for cancellation.

These policies covered on property taken over by the Director, Veterans' Land Act; but owing to a change in their policy, the policies were finally sent back to us.

The Director, Veterans' Land Act placed insurance on these properties according to their requirements as from December 31st last; and the above policies should have been sent for cancellation at that time; but it was held in abeyance until the matter concerning this coverage was cleaned up as between ourselves and the Director, Veterans' Land Act.

We apologize for the delay in forwarding these policies for cancellation; but would ask you to date the cancellation back as far as possible--to December 31st if that could be done. We will be pleased to receive your cheque covering the return premium at your early convenience.

Dear Sirs:

In reply to your letter of the 3rd inst., we have put your suggestion before the company, and they feel, that, had a fire occurred in the meantime, the other company on the risk would have called upon the Union Marine to pay their proportion of the loss.

They point out that under these circumstances they do not think it fair to request cancellation back to December 31, but that they are willing to make some concession and have cancelled the policies short rate as from April 20 and 23 respectively.

We enclose herewith our cheque for \$6.02, in settlement of the return premium.

Dear Sir:

We are in receipt of your letter of the 29th ultimo, requesting the remittance of the balance standing at the credit of your account.

This request has necessitated a review of your file and for your information we give below a brief resume of our administration of your affairs.

As you know, the policies in regard to the management and subsequent liquidation of your property were decided upon by the Government of Canada, and while the problem was a difficult one for all concerned, we can assure you that it has been the aim of this office to carry out those policies in as careful and fair a manner as possible.

Real Property: As advised you on the 30th May, 1944, your Duncan property was one of a number purchased by The Director, Soldier Settlement & Veterans' Land Act as of the 1st January, 1944. A complete statement of the transaction was mailed to you on the 24th January, 1945.

Personal Property: In your declaration of assets to the Custodian, on Apr. 24/42, you included a list of chattels. Some of these were shipped to you, at your request, in July, 1942. Of the remainder everything saleable was sold, at a large well advertised auction, on the 20th January, 1944. A few articles of a personal nature were first placed in central storage at Duncan, and later removed to Vancouver to permit of sale of the property where they were stored. On inspection in Vancouver these goods were found to be of too small value to justify the expense of continued storage and they were included in the Custodian's regular Vancouver auctions, and sold on the 26th April and 3rd May, 1946, leaving no personal property of yours in Custodian's hands.

A claim (of \$25.00) filed against you by Drs. Bissett, Watson, McHaffie & Beevor-Potts was rejected by you, claimants being so advised by this office. Another claim (of \$12.45) filed by the Vancouver General Hospital turned out to be a case of mistaken identity and was withdrawn by claimant.

Funds: Our last statement of your account showed a balance of \$641.04 standing at your credit, which has been reduced to \$627.41 by the following entries:

(Over)

Mr. Enjiro NAKASHIMA.

Page 2.

November 21st, 1946.

Apr. 23/45	Share of legal fees connected with sale of Real Property	\$ 15.00

In compliance with your request, referred to at the beginning of this letter, we are enclosing our cheque in your favour for \$627.41. This will leave no balance in your account, which will then be closed.

This would appear to account for all property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this, we enclose a stamped addressed envelope for your convenience.
