PERSONAL PROPERTY SUMMARY

File 5387

Re: IMAKIRE, Akira - Reg. No. 13519

August 2nd, 1946.

CHATELS: The above Japanese declared a quantity of chattels left in his father-in-law's house at Mission, B.C. The house in which the chattels were left belonged to Mrs. Asa AMEMORI (File #5442). Our fieldmen made an inspection of this property shortly after Mrs. AMEMORI'S evacuation and found a considerable quantity of chattels on the premises. None of them were however tagged with the owners' names and identification was impossible.

All saleable chattels on the premises of Mrs. AMEMORI were sold and all proceeds credited to Mrs. AMEMORI'S account here as received. It will be necessary for Akira IMAKIRE and Mrs. AMEMORI to make some mutual adjustment between themselves as to the value of chattels belonging to IMAKIRE which were sold and credited to Mrs. AMEMORI'S account. *He has agreed to by Mrs. Akira IMAKIRE in his letter of May 11/46*  
SPECIFIED ARTICLES: This file reveals no Specified Articles.

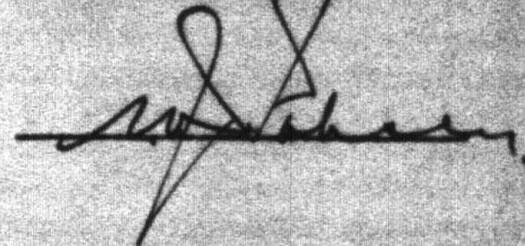

BONDS: IMAKIRE declared War Savings Certificates belonging to his children. These were not brought under control by the Custodian.

LIFE INSURANCE: IMAKIRE declared a \$1,000.00 Sun Life Insurance policy of his own and \$500.00 policies on each of the lives of his three children. These were not brought under control by the Custodian.

LOAN: <sup>\$146.65</sup> Ralph Tamitake YOSHIDA requested the Custodian to pay Akira IMAKIRE the sum of \$80.00 in payment of a loan received from him. This amount was transferred from YOSHIDA'S account on the 24th June 1946.

This file reveals no other Personal Property assets.

Real Chattels

Mr. Akira IMAKIRE has chattels on the property of Mrs. Asa AMEMORI, his mother-in-law. It is impossible to distinguish ownership and, as all chattels being sold from the property are being credited to Mrs. AMEMORI's account, it will be necessary for the Japanese to make a distribution of the funds when they are supplied with a list of the articles sold.

Dear Sir,

In reply to your letter of March 24th. I am sorry to have to write that I am unable to do anything about these claims now.

It has only been two years that I have been working in this mill and at the time of evacuation we went to the best fields and had borrowed money from friends. That money even has not been repaid as we are barely making a living here. Due to my wife's poor health the expenses have been quite heavy. Just as soon as I can I will do something to clear those claims. Living expenses are high here and we also pay rent. The mill only runs about 8 months a year so to make enough to live a whole year it's quite a worry.

Yours Truly,

Mr. Akira IMAKI,  
 Registration No. 13519,  
 Hope Lumber Company,  
 Hope, B.C.

Dear Sir:

Your file has now been brought under review, and we take this opportunity of giving you a brief summary of our administration of your affairs.

When registering with this office you declared yourself to be the owner of a quantity of household furniture, which were being left at the home of Mrs. A. AMEMORI, your mother-in-law, at Mission. Our fieldmen when investigating your affairs called at your mother-in-law's home, but in view of the fact that your chattels were not tagged with your name, found identification to be impossible.

All chattels on the property of Mrs. AMEMORI, in accordance with the Canadian Government's policy of liquidation, were sold at public auction and as no particular identification could be made of your chattels, all the proceeds derived from the sale were credited to her account here. Copies of our auction sheets have been sent to her, and she has been advised that the sale of your chattels, was included and credited to her account. It will be necessary for you to contact her and arrive at some mutual adjustment between yourselves regarding their sale value.

The only other assets declared by you were Sun Life Insurance policies of your own and your three children, and a number of War Savings Certificates belonging to your children. These however, were not brought under control by the Custodian.

Four claims were filed against you at this office:-

|                           |         |
|---------------------------|---------|
| M. Ebisuzaki Company      | \$72.32 |
| M. Furuya Company         | 14.31   |
| Mission Memorial Hospital | 21.65   |
| Dr. F.J. Macrett          | 78.00   |

You acknowledged these claims to be correct on the 2nd April, 1945. However, at that time, you stated that you were unable to make payment of them. No funds were being held by this office to your credit, with which to assist in paying, and your creditors were informed of the situation, and advised that the Custodian could not assist them further in the matter of their claims, and

that they would have to look to you direct for payment when you were able.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian, and in order that you may confirm this we are enclosing a stamped addressed envelope for your convenience in replying.

Yours truly,

W.E. Anderson,

Dear Sir,

I have received a letter from Mr. Ralph Tamitake Yoshida of Lethbridge, that he had paid me the sum of Eighty Dollars (\$80.00) which I had lent him three years ago through the Custodian. I was rather surprised to hear this that he had paid me through you as I was expecting it from him directly and they are already overdue.

My three children are coming home from school in Alberta and I must have this money immediately for their fare. Therefore I would be very much obliged to have this money sent out to me promptly.

Your immediate attention to this matter would be obliged.

Mr. Akira IMAKIRE,  
Reg. No. 13519,  
P.O. Box 874,  
Hops, B. C.

Dear Sir:

We acknowledge your letter of June 29th, 1946 and note that the sum of \$80.00 received from Tomitaka Yoshida by the Custodian is in payment of a loan to him by you.

In regard to your request that this money be sent to you, we must point out that you have acknowledged several debts owing by you, aggregating \$185.00, and your creditors were notified some time ago that the Custodian had no funds belonging to you wherewith to pay these.

In view therefore of your now having a credit balance sufficient to pay these liabilities at the rate of 40% on the dollar, the Custodian is endeavouring to obtain a debt settlement from your creditors on this basis.

We should like to have your confirmation in this respect.

Yours truly,

W.J. Iverson.
