PERSONAL PROPERTY SUMMARY

File No. 5475

September 4, 1946.

RE: Tadasu HIBI, Reg. No. 04391

This file reveals the above owned no real property in any protected area of B.C. The file reveals that the above was carrying \$1300.00 insurance with the Liverpool, Manitoba Assurance Co. on his nets and gear at Steveston. This policy expired on June 15, 1943, and was not renewed.

CHATELS: The above, who made his declaration to the Custodian on April 24/42 and was evacuated on Sept. 9/42, declared chattels as listed on Chattel Schedule on file, at House #18, Imperial Cannery. He also declared 21 fishing nets, lead lines, cork lines, 6 wines, 3 anchor ropes, all stored at the Imperial Cannery net house, and one row boat at the Cannery.

Custodian agent, C.C. Robinson, inventoried goods in the name of the above and some declared by his wife, Mrs. Aika HIBI, #115 5471, at House #12, Imperial Cannery, (Apparently, this house had Japanese goods stored in it), on June 17/42, per Chattel List #16, on file.

Some of these goods were shipped to Mrs. HIBI, as noted on the file, others were taken by the Navy as part of the equipment of the fishing vessel owned by the above, and the remainder, with the exception of those listed as missing, were sold at auction for the net sum of \$16.83, and this sum credited to the account of the above.

A net form was sent to the above on May 24-43 which he was requested to complete and return to this office. He did not send this until Dec. 14/45. All nets and gear found tagged with the name of the above were inventoried at the Imperial Cannery net house on Sept. 2/42 by Custodian agent, Mr. C. C. Robinson. Nets and gear as shown on the Net Statement on file dated Dec., 1943, were sold for the sum of \$507.50 and this sum credited to the account of the above. Seven nets, Custodian nos. 171, 172, 178, 180, 181, 183, 185, were never sold or credited to his account. We assume these were either sold and credited to Net Suspense Account because of definite identification or were discarded as of no value.

SPECIFIED ARTICLES: According to information supplied to this office the above was the registered owner of a fishing vessel, the "Chrysophase", which was sold through the Japanese Fishing Vessel Disposal Committee for the net sum of \$1034.50, and this sum was paid to HIBI on May 26/42. Full details are given on Specified Articles Summary on file.

The above surrendered a radio to the R.C.M.P. on March 10/42, which they handed over to the Custodian on May 27/44. It was sold at auction for the net sum of \$58.69, and this sum credited to the account of the above.

The above surrendered a camera to the R.C.M.P. on March 10/42 which they handed over to the Custodian on July 11/44. It was shipped to the above on July 28/46 at his request.

MONEYS

RECEIVABLE: The account of the above was credited in July, 1945, with the sum of \$1.34, being a refund of security deposit for light from the B.C.E.R.

**MONEYS
RECEIV-
ABLE:
Cont.**

On March 6/46 the account of the above was credited with the sum of \$5.50, being a refund of subscription to War Savings Certificate made in Dec., 1941 in the name of "Steveston Fish".

**BANK
ACCOUNT:**

The above declared a savings account in the Royal Bank of Canada at Steveston in the sum of \$292.72, which was not brought under the control of the Custodian.

**LIFE
INSURANCE:**

The above declared an insurance policy with the Sun Life Assurance Co. in the sum of \$1500.00, Policy No. 2202081. On July 31/45 the above asked us to pay the sum of \$75.30 premium due on the policy, together with the sum of \$230.58, being advances under the automatic non forfeiture provision of this policy. We accordingly sent the Sun Life Co. a cheque for \$305.88 on Aug. 8/45 and debited HIBI's account with this sum. We received a refund of \$5.73 from the Sun Life Co. on Aug. 17/45, representing overpayment of the automatic premium loan, and this sum was credited to the account of the above. On June 29/46 the above requested us to pay the premium on his policy and accordingly a Custodian cheque in the sum of \$75.30 was remitted to the Company and charged to the account of the above. We received a refund of \$8.70 from the company, being a refund of overpayment of the premium, and this sum was credited to the account of HIBI.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

Reg. No. 04391

The following list of fishing equipment was sold direct to the B. C. Packers Co., Ltd., by the Japanese Fishermen or credited to their accounts for money owing to the Cannery. In accordance with arrangements made with the Cannery, these lists were obtained direct from them on February 14, 1946 by the Custodian and the original records remained with the B. C. Packers. The Custodian had no information from the Japanese fishermen of their selling or receiving money direct from the Cannery.

MEMORANDUM -- MR. BACKUS

August 30, 1946.

Re: Tadasu HIBI
Mag. No. 94391

With reference to the memorandum taken from Mr. Robinson's Stoveton files, in which it states that one sewing machine was loaned to Babe McAllister, the writer had a conversation with Mrs. McAllister on August 27th, and she claims that at no time did she borrow a sewing machine from Mr. Robinson. She states that the house she rented from the Custodian at 80 Moncton Street, belonging to Shima SOGAWA, File No. 9863, contained a sewing machine in a locked room upstairs, and as there was a leak in the roof this was taken down into her quarters by Mr. Robinson, and at a later date removed by Mr. Harris.

On checking with Mrs. Sogawa's file, it does not reveal a sewing machine declared or removed. The only reference to a sewing machine was one that was stored at Crane Storage in Vancouver and shipped to Mrs. Sogawa by them.

We do not know how much truth is in Mrs. McAllister's statement, as over a period of time, according to records, she appears to have been loaned different articles, appearing on different files, by Mr. Robinson. She has not signed for the sewing machine, so it would be just her word against Mr. Robinson's word.

Gentlemen:

Please pay the premium which will be due soon to the Sun Life Assurance Co. of Canada, out of my credit you hold. My policy is numbered 2202081.

Now that we are facing repatriation within a month time, I want to draw some money out of my account. We have lived here for the last four years and almost worn out our clothing. I must buy few things for my family, wife, three daughters and for myself.

As we have a short time, please remit by return mail.

Dear Sirs:

Re. File # 5475

At the time of evacuation from
Steveston, I registered with you, under
the name of my wife, Aika Hibi #04167,
one Singer Sewing Machine which we
left in the care of Mr. Joe Niedzalski,
Box 39, of Steveston, B.C.. We have
written to Mr. Niedzalski, asking him to
send us the machine, but so far we
have had no reply.

Would you kindly get in touch
with the man and ship to us as soon as
possible the said machine.

In case there should be no
machine left, I would like you to
purchase ^{and send us} one Singer Sewing Machine
with my credit balance now being

held in your care. Should there be no machine available now in Vancouver, I would appreciate your sending me from my credit, a Cheque for \$100.00 as I have a friend who is willing to sell me one at this price. We are greatly in need of a sewing machine.

As we will be repatriating to Japan very shortly, kindly give the above request your kindest and earliest consideration.

Thanking you in anticipation,

Yours truly -

Dear Sir:

Re: HIBI, Tadasu ⁵⁴⁷⁶ #04391

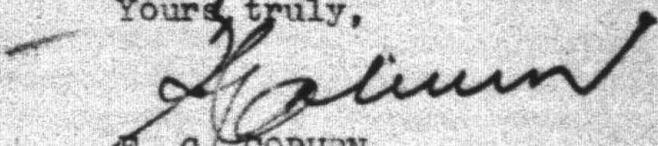

Please note that the above has been repatriated to Japan. At the time of repatriation, the following transactions took place:

Cash turned in - - - - - \$ 223.11

Draft Issued - - - - - \$ 350.00

It will be seen that this Japanese is indebted to the Department on account of repatriation in the amount of \$ 126.89. Therefore should you receive further funds on this account such funds should be turned into this office. It will be applied first to recoup the expenditure made and, second, if there is any surplus such surplus will be remitted to Japan for the account of the Japanese in question.

Yours truly,
