LIABILITY SUMMARY

FILE 5567

February 28, 1949.

Tadashi Clifford Doi, Deceased.
Registration No. 06496

Tadashi Doi, in his Custodian Declaration dated April 18, 1942, declared the following debts:

T. Doi	-	\$170.00
Courtenay Garage	-	30.00

Neither of these creditors presented their claims to the Custodian for collection and no correspondence regarding these claims has been carried on between the creditors and this office and it would appear that satisfactory arrangements had been made by Doi with these people.

Further claims were filed against Clifford Doi as follows:

Shell Oil Company	-	\$ 18.33
Imperial Oil Limited	-	37.73
M. Furuya Company	-	1.10

These were submitted to Doi for confirmation on July 17, 1942, and in his letter of July 30, 1942, Doi acknowledged that the claims of Shell Oil Company and Imperial Oil Limited were correct and stated that they would be liquidated as soon as he obtained work and funds were available. These companies were so advised and given Doi's address in order that they might contact him direct for settlement of the debts.

Doi stated that he had called on M. Furuya Company and their accountant had agreed that he did not owe anything to that Company. This was confirmed in a letter from P.S. Ross & Sons dated July 26, 1943.

Subsequently claims were filed against Clifford Doi by the following:

M. Ebisusaki Company	-	\$ 6.45
Laver's, Courtenay, B.C. (for Clothing)	-	13.25

These claims were referred to Doi for confirmation on July 12, 1943 but were neither confirmed nor denied before his death.

The claim of M. Ebisusaki Company is contained in a list of accounts receivable on Enemy File 170 but refers to "Tatsuo Doi, Cumberland, B.C." There is no record of a Tatsuo Doi but there is no evidence that Tadashi Doi is the correct debtor.

We are today writing to Laver's informing them that Clifford Doi has died and that this office is not aware of any assets belonging to the deceased from which the claim may be paid.

Dear Sir:

Re: Cliff Doi

When in Nanaimo last week, the writer found that Doi had been evacuated from his home which was formerly in Cumberland, and as we believe he had a substantial equity in his logging truck and possibly other assets, we would like to file our claim against assets.

We are therefore enclosing regular Proof of Debt, together with itemized statement of the balance owing of \$18.33, and would appreciate your placing this in his file in case there are sufficient assets to permit payment of all or part of same.

\$170. owing to Mr. T. Iwasa. This was borrowed for business purposes. Mr. Iwasa is not pressing for a settlement as Mr. Doi was working for him on a contract basis in mining timber for the last 5 years. This will be paid just as soon as Mr. Doi is able to resume his commercial activity.

\$30. owing to Courtenay Garage. This was owing on account of repairs to the truck, but as the truck was purchased from the Courtenay Garage, he does not think they are worrying about the payment as they must know the account will be liquidated just as soon as Mr. Doi is able to resume work again.

Dear Sir:

We wish to draw your attention to the fact that you have not yet replied to our letter of the 12th of June, 1943 sending you a list of claims which have been lodged against you.

For your information we have had a letter from Messrs. P.S. Ross and Sons, who represent M. Furuya Co., stating that their claim has been withdrawn. You can, therefore, ignore this claim in your reply.

On looking at the various claims listed against you, with the exception of IWASA's claim the rest do not amount to very much. We would suggest to you that perhaps you could arrange some settlement with IWASA direct. If you can arrange this it would very much simplify the settlement of the other claims.

Please let us hear from you at an early date.

Yours truly,

Dear Sir:

re: Claims

Please refer to our letters of June 12th and July 30th last relative to seven claims submitted to you in our June letter.

Nos. 1 - 4. These you had admitted as correct and owing by you.

No. 5. This has been withdrawn as per our July letter to you.

Nos. 6 and 7. We are awaiting your reply to know if you regard these as correct or otherwise.

The last paragraph of our July letter suggests that you might settle direct with IWASA, and forward funds to this office with which to settle the other claims.

Our records indicate that a brother was a partner in Doi Brothers, Cumberland, B.C., when the account No. 4 - Imperial Oil Co. \$37.73 was incurred. The name of that brother seems to be Frederick Tadao DOI, and if he is the one that was a partner he would be liable also for the payment of this account. Let us know about this.

We shall be obliged for a complete reply to this letter just as soon as possible.

Yours truly,

Dear Sir:

We have a claim on file for \$37.73 by Imperial Oil Co. against Doi Brothers, Cumberland, B.C. Our records indicate that you and your brother, Clifford Tadashi DOI, made up the firm of Doi Brothers.

An early answer is requested.
