PERSONAL PROPERTY SUMMARY

File No. 5685

May 14th, 1946.

RE: Yuriko (Mrs. Utaro) FUKUHARA

Reg. No. 02824

CHATELS:

The above, who registered with the Custodian on April 22nd, 1942, signed a yellow "No property" card stating that she owned no property of any kind whatsoever in any protected area of British Columbia. However on May 25/42 she sent us a list of nets and lines said to be stored at the Vancouver Cannery, Burne, B.C. These were inventoried by the Custodian representative, Mr. C.C. Robinson at the Cannery in January and February of 1943 as shown on the net statement of November 18th, 1943. Three nets and one lead line were sold for the sum of \$130.00 and this sum credited to her account with the Custodian. One 9" net with lines and one cork and lead line for 7" net are missing. These may have been sold and the proceeds credited to Net Suspense Account, or they may have been abandoned as of no value.

Although the above declared no household effects, she sent us a Custodian Release dated November 7th, 1942 asking for the shipment of a trunk and one large box stored at the Vancouver Cannery. The trunk was found and shipped to her on April 18th, 1944. The box was not located at that time. On referring to the file of her husband Utaro, Int. 757, it is noted that he declared household effects when he made his declaration to the Custodian on April 22/42. Some of these were inventoried by Mr. C.C. Robinson, the Custodian agent, on Dec. 17/42 and some on Dec. 21/42, and taken to Custodian storage in the Community Hall. The contents of the large box asked for by the above in Custodian Release of Nov. 7/42, were sold at Steveston auction #28 and the proceeds credited to the account of the husband.

Again on April 9/43 the above sent us a Custodian Release requesting shipment of a sewing machine stored at the house of Tokichi HAMAUHA, Aome Cannery. This was located at this address and shipped to her on July 22/43.

The file reveals that the above owned no specified articles.

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.
