Dear Madam:

Your file has come under review for closing and we take this opportunity of reporting on our administration of your affairs.

You declared no real property or fire insurance to the Custodian and none was administered under your file.

In your declaration to the Custodian, however, you stated that a Mr. Tatsumi owed you \$200.00, but on attempting to collect this account for you, the Custodian found that this money was actually owed by you to Mr. Tatsumi, and in accordance with your letter of the 30th May, 1944, you advised us that the account had been settled, and this was confirmed by Mr. Tatsumi.

You declared to the Custodian a bank account and Manufacturers Life Insurance Policy. These however were not brought under control by the Custodian.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian and in order that you may confirm this we are enclosing a stamped addressed envelope for convenience in replying.

Yours truly,

Dear Sirs,

✓ The claims about Dr. Morse, Komura Bros. and the Pacific Co-Operative Union is correct but the claim about the \$200.00 from Mrs. Katsue Naganatsu is mistaken. This lady borrowed \$500.00 from my cousin Mr. Eiichi Tatsumi who is in the camp now, and she returned to him \$300.00 last year, and he still has \$200.00 coming to him. So I think you are mistaken by our names. What should we do about these claims? We can't possibly pay it out now.

Dear Madam:

In reply to your letter of April 19th, we have contacted both Mr. Bouffard and the Pacific Co-operative Union regarding the bill for fertilizer charged against you amounting to \$70.75 and the following is quoted from the Pacific Co-operation Union's reply to our letter to them:

"When Mrs. Nagamatsu came in last spring the writer asked who was to pay for the fertilizer and was told Mr. Bouffard was responsible for it. However, after we transferred it to Mr. Bouffard's account he said the fertilizer was supposed to be included in the agreement. There is nothing in the agreement about fertilizer so it's just Mrs. Nagamatsu's word against Mr. Bouffard's."

Mr. Bouffard is of the same understanding and refuses to acknowledge any obligation and under the circumstances we can see no other alternative but to carry this account against you.

Dear Sir:-

Re K. & D. Nagamatsu
Your File 5750 and 7281

Yours of the 6th. You may be quite correct in that the Lot should be 5 instead of 3 as I have it in the Lease. It is a marvel to me that there are not many more mistakes than there would appear to be. Some of the people had tax papers, others had none and I had to phone for descriptions of the land. I have no record of where I got the description which is in the lease but after all whatever land Bouffard is farming is the land which is leased and the description can be altered in January when the question of next year's lease comes up.

Yours faithfully,

(Sgd.) J. M. Campbell.
