LIABILITY SUMMARY

Re: Tadaso MARUSE

Mag. No. 03977

In his declaration of April 28th, 1942, Tadaso MARUSE declared that he owed \$500.00 to the Great West Cannery, Stevenson, B. C., on nets and lines, and that when the cannery sells his nets this debt would be cleared. Mr. H. F. Green of this office wrote to the Great West Packing Co., in regard to this debt, on February 1st, 1944, and their reply of February 3rd, 1944, stated they had sold nets belonging to Tadaso Maruse, in the amount of \$468.79, leaving a balance of \$31.21 still owing. However, the cannery said there were some small parcels of web left which they would try to dispose of to cover this balance. In a letter from the Great West Packing Co., dated February 22nd, 1945, they state that there are only two small bundles of net left, which were not worth bothering about, and the balance of Mr. Maruse's account would be taken care of as a bad debt. No further action was taken by the Custodian.

Re: Tadao NANUSE
Reg. No. 03577

All trunks and personal belongings in storage at Steveston were opened and inspected in October, 1945. Goods of no value were discarded; clothing of no saleable value were turned over to U.N.R.R.A.; saleable articles were auctioned and any personal photographs or goods of personal nature are stored ready for shipment at the request of the Japanese.

NANUSE, T.
Lot No. 202

For auction: 1 Tin lacquer ware
rice bowls
2 Crocks
1 Water can
2 Cans

Discarded: 4 Wooden boxes of junk
1 Winnipeg couch mattress.
Window blinds (bad condition)
Curtain rods.

NOTE: A telephone call was received on November 22, 1946, from Mr. Howell, who does special work for the Custodian. He informed us that the Buddhist Temple had again been broken into and that all parcels of personal goods stored in the basement had been opened and the contents strewn on the floor. It is impossible to identify to whom they belong.

The personal effects that were salvaged on February 27, 1947, being 44 boxes and cartons, were removed to Vancouver and stored in a room in the basement of 604 East Cordova Street. These items cannot be identified by the office.

A suggestion was made by Kihaiji Kishi of Cascade, who helped to sort personal goods, that this office should forward these goods to Greenwood, as many former residents of Steveston are now living there and they could most likely identify these items.

You will recall that the above Japanese owed you \$500.00 on nets and lines. We see from your letter of February 3rd, 1944 that \$468.79 was liquidated by the sale of some of his nets. At that time you stated that you had some small pieces of web which you would try to dispose of to cover the balance and would remit any surplus to us.

nets and open to them at anytime.

I believe the balance of Naruse's a/c
(\$31.21) will have to be taken care of as a bad debt,
and this will apply in the cases of Y Murakami (\$30.00)
and G. Yonemoto (\$15.94)

Dear Sirs:-

Re: Tadao NARUSE
Goichiro YONEMOTO
Yoshikichi MURAKAMI

Thank you for yours of February 22nd.

Insofar as the cases of Yoshikichi Murakami and Goichiro Yonemoto are concerned, we have funds to their credit and after reference to them, expect to be able to arrange to meet your claims. In this connection, however, we cannot trace any answer to ours of July 17th last year in which we quoted a letter from Goichiro Yonemoto (actually his wife) stating that their account with you had been settled in full. Would you care to give us more particulars?

Turning to Tadao Naruse, however, we find that the position is a little different in that the nets were left in your care to meet the debt owing to you and there was even some question of their value exceeding the account claimed by you, in which case (yours of February 3rd, 1944 written by Mr. Elston in ink and therefore perhaps not recorded in your files) you were going to remit the surplus to this office. Do you recall the approximate value of the pieces remaining as at February 3rd, 1944, as set out in ours of February 16th, 1945? Would they be likely to exceed in value the balance owing to you of \$31.21?

Yours truly,

H. F. Green

Dear Sir:

As we have previously told you, although you did not declare any personal goods in the Protected Area, certain personal goods were removed from the Great West Cannery house in your name. We have placed the proceeds from the sale of these articles in our Suspense Account, awaiting their identification. If you did leave some personal goods in this Area, and could declare them now, we will look into the matter for you, but as you have not previously declared goods it may be a very difficult task at this date to establish their identity.

Concerning the sale of your cars, our records show that a "bundle" of cars, found in your name in Steveston, B.C., was sold for the amount of \$8.00, and this amount was forwarded to you in our letter of May 13.

Yours truly,
