DEAR SIR,

— RE — FILE No 25837. —

It is going on to three months since I heard from you (Sept 27/46) about the transferring of my share of Shimomachi Sasaki estate to this city but to date there is no word of the transfer taking place.

Please re-check again and send this through immediately. I am expecting to see the money before I mess and I am sure this is not a unreasonable request as three months should be sufficient time for any deal.

Yours sincerely
M. Sasaki

Dear Sirs:

Re: ~~1516~~ August 27/47.
1006

It is very regretful to learn that your office has made such a mistake as ~~paying~~ us for a property that has been sold for less than half of its actual value.

I'm afraid I cannot do very much about your ~~error~~ error at present as I have spent up the cash received from you about six months ago.

I would suggest that you deduct this amount from my account in your office. I must have an account as I have not received one penny for the household chattels registered at your office prior to evacuation.

As a matter of fact, please deduct my sister Ritsuko Sasaki and brother Minoru Sasaki's share from my account also.

This should save you the trouble of further action on this matter.

Incidentally, will you please inform me as to why Mr. Sakaji Kanegawa's house was credited to him? I am of the opinion that unless we have mutually consented to do so, no home built on another persons property can be claimed or moved by the builder or occupant.

Sincerely yours,

H. W. Sasaki
