Dear Sir:-

Many thanks for the letter, Received the past week.

I owed Mr. C. J. Carritt \$26.00 but just before I come here to Trachina I put in \$5.00 so I owe him \$21.00 now. I have the receipt for the \$5.00 so will you please let Dr. know. He must be forgotten the \$5.00.

I worked for Mr. Hardys more 12 years ago. & He still owes me the sum of \$62.18. He is the man that used to live in Vancouver but I do not know where he stays now. I often go over to ask him but he does not pay me so will you please do something so that I could have some money.

If only I could get that money I would pay to Dr. but right now I have no money to pay the doctor for I only get enough to support my family. I only get 27½¢ an hr. so you know how hard it is to live on that. Please get that money from him & pay it to the Dr. from the Custodian

I thank you.

I will write to Dr.

Dear Sir:

Replying to your letter of the 18th of April, 1943. We have written to Mr. James M. Campbell, Solicitor, who acts as agent for Dr. Eacrett, in connection with the Doctor's account against you asking him to submit a corrected claim, if he agrees that he has already received \$5.00 from you. In the meantime in order that we can settle this claim we would ask you to write us authorizing us to pay same from funds which are standing to the credit of a joint account which you and your wife have here, and in which there is a credit balance of \$78.00. In your letter to us authorizing settlement of the Doctor's claim both you and your wife must sign the letter as it is a joint account and we require the authorization of both parties concerned.

For your information you have also got another joint account with Sakutaro FUJINO, and the balance at the credit of this joint account amounts to \$398.00.

On the 3rd of May, 1943, we wrote to Hachizo MORI regarding your claim against him amounting to \$62.18 and asking him if he agreed with the claim to remit this amount to the Custodian. We notice, however, that you mention that this claim is 12 years old. If no payments or acknowledgments have been received in the meantime the claim is outlawed and you cannot legally collect on same. Mori's address is Grand Forks, B. C. and we think you should contact him direct in this connection. However, the payment of the Doctor's account should not be dependent on Mori paying his account as you have sufficient funds now available to settle same.

Your early attention to this matter would be appreciated.

Dear Sir: ^{and to Gibson}

I received your letter on May 12,
and was very glad to hear that you agreed with
me that the amount I owe to Dr. was \$21.00.

This is the only balance I have till to-day.
Please give me a full details why my life insurance
is under the Custodian.

The reason why I cancelled my insurance is I am
short of money here and the Dr's bill always
reminds me. If I did not cancelled my insurance
I thought it would be very hard to live with
such a little amount of money.

I really think that the Custodian has nothing
to do with my life insurance. Does it mean
that a Custodian could take up all the savings
and even the life insurance? Why is there some
people that got the cheque ^{directly} from the insurance Co.?

I think you do not give us a square deal.
In the last letter you wrote to me that I should
write to Mr. Hopkins now. and settle my ~~amount~~
with him.

It would be same as Dr. Lavett too.

I would pay him back directly from myself.
I think Mr. would like it better too. Then you will
not have any responsibility.

Please send me the cheque which the Insurance
Co. put in. I will be waiting for it.

I really think the Custodian is really mean. If I have
a balance to someone you want me to pay the Custodian
and if I have the credit coming to me, you do not
bother very much. This is really unfair I think.

If you cannot send me any of my insurance
I shall replace it back to the Insurance Co. and
carry my party interest. If you are holding my
insurance cheque this means it does not make any
difference to me even I cancelled my insurance.

Thanking you on a early reply

Thank you very much for your letter dated May 15th which has been referred to me for attention.

Your letter indicates that it is your desire to pay direct to Dr. Macrett the sum of \$21.00 in settlement of your account with him and we would appreciate your doing so but in order that our records may be complete, kindly notify us when you have done so.

In connection with the claim you have against Mr. Hachizo Mori, which we understand is twelve years old and which amounts to \$62.18, we have provided you with Mr. Hachizo Mori's address, have pointed out to you that the claim is probably outlawed and we have suggested that you write to Mr. Mori direct in this connection. We are now in receipt of a letter from Mr. James M. Campbell, Barrister, on behalf of Dr. Eacrett, advising us that you have not paid the above account as yet. He states that he cannot even get a reply from you.

We do not understand this situation as we have your letter dated June 15th last wherein you state as follows:

"I am sending the sum of \$21.00 to Dr. Eacrett to-day."

We assumed from that letter that you had taken care of this account and we are, therefore, quite surprised to receive Mr. Campbell's letter stating that the account has not been paid. Let us know promptly why you have not settled this account as promised, and what you intend doing about it.

We shall be obliged if you will give this your immediate attention and let us have a reply by return mail.

Yours truly,

B. R. Dusenbury,
Claims Department.

Dear Sir:

re: \$21.00 - Dr. E.J. Eacrett v.
Tomiso FUJINO, Reg. No. 13380

Please refer to your letter of the 3rd inst. and to our reply of the 6th inst. relative to the above claim.

On receipt of your letter of the 3rd inst. we immediately wrote to FUJINO, reminding him that he promised to forward the above amount direct to Dr. Eacrett nearly a year ago. We are now in receipt of a reply from Mrs. FUJINO, in which she gives what seems to be conclusive evidence that this amount was remitted to Dr. Eacrett as promised. She claims having a receipt in her possession from Dr. Eacrett, dated June 20th, 1943, for this amount.

If the foregoing is found correct on further investigation we shall be obliged for a reply from you, indicating that it is so, as these people now think that this office has made a mistake.

An early answer will be appreciated.

Yours truly,

B. R. Dusenbury,
Claims Department.

P.S. Since writing the foregoing we have received your letter of the 13th inst. advising that Dr. Eacrett received the sum of \$21.00 direct from FUJINO on June 19th, 1943.

Dear Sir:

re: \$21.00 - Dr. E.J. Eacrett

We are in receipt of a letter from Mrs. FUJINO, dated the 10th inst., relative to the above claim.

It is regretted that we had to write to you as we did in ours of the 6th inst., but we assure you that it was no mistake of ours, as is intimated in the letter of Mrs. Fujino.

On the day that we received her letter of the 10th inst. we also received a letter from James W. Campbell, Esq., Barrister representing Dr. Eacrett, and in order that you will understand where the mistake occurred we quote his letter as follows:

"After receiving yours of March 6th I was today able to see Dr. Eacrett who is very busy these days.

I find that he received \$21.00 direct from FUJINO in June 1943. He thought he had told me about this but evidently he overlooked it.

I am very sorry about this matter as I try to keep these things in shape but no doubt you understand how it is."

This, therefore, closes the matter and cancels the claim on your file.

Yours truly,

Dear Madam:

In reply to your letter of October 20th, please be advised that it is not the policy of the Custodian to recommend the return of any evacuated Japanese to the Protected Area.

According to Mr. TANAKA'S file, no trace can be found of the two trays. Regarding the religious articles which you desire shipped to you, please send us complete details of the articles required, and, to the best of our ability and as soon as possible, we will have our field men attend to the shipment of same if sufficient funds are remitted to this office to take care of the necessary expenses.

Dear Sir & Madam:

Your file has been reviewed and the following is noted:

Both of you declared that you owned no property in the Restricted Area. You later acknowledged a debt of \$21.00 which you owed to Dr. E. J. Everett of Mission, B. C. You paid this to him direct on June 15th, 1943.

You applied to the Crown Life Insurance Company for cash surrender value of your policy #261556 and the amount \$78.00 was paid to you jointly on May 20th, 1943.

A cash surrender value in the amount of \$323.00 was paid to you jointly on May 12th, 1943 by the Monarch Life Insurance Company for your policy #P59172.

You requested the Custodian to collect a debt of \$42.18 owed to you by Machino NOKI. It was pointed out to you however, that this debt was outlawed and you were advised that this office could not take any action on this.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian and, in order that you may confirm this we are enclosing a stamped addressed envelope.

Yours truly,

W. J. Iverson,
