PERSONAL PROPERTY SUMMARYRe: NOMI, Tetsuhiro (Reg. No. 00365).

According to information on the file T. NOMI was evacuated on March 5, 1942 and signed a declaration to the Custodian at Powell Street on April 28, 1942.

CHATELS: He declared no chattels of any kind.

On April 1, 1942, James Blair, 1190 Burrard St. offered to purchase the business known as the Hollywood Grocery, 949 Davie St., owned by T. Nomi and at that time operated by his wife and brother. The Canadian Credit Men's Trust Association were asked to investigate and reported on May 11, 1942 that the stock and fixtures had been purchased by James Blair from T. NOMI on April 9, 1942 for the sum of \$1,700.00, cash. We wrote to T. NOMI repeatedly to ask him to confirm that the transaction had been completed to his satisfaction and stated that, unless we received a reply to the contrary, we would assume that he was satisfied. No reply was received.

On October 27, 1942 we received from the Bank of Nova Scotia a cheque, in the amount of \$10.00 signed by James Blair, Junior and payable to the Hollywood Grocery. This was returned on November 4, 1942 as James Blair had no account with the Bank of Nova Scotia.

MONEYS OWING:

He declared \$591.75 owing to him by 42 creditors whose names and addresses he supplied. Following is a summary of the efforts made by this office to collect his accounts receivable:

PERSONAL PROPERTY SUMMARY

MONEYSOWING:

(Cont'd) The city directory has been checked in an effort to locate the 5 creditors who did not reply to our letters. Only one of them, Mrs. M. Luft appears to be still residing at the same address and we are endeavoring once more to effect collection, her account being \$160.98. See 1/15/47

Tetsuichiro NOMI was advised from time to time of the difficulty encountered in collecting his accounts and advised, through the B.C.S.C., on October 22, 1943 that we would take no further action beyond reporting to him any replies received. (Claims handled on 6457/A - Accounts receivable)

BONDS:

Tetsuichiro NOMI declared holding in his own possession 8 \$5.00 War Savings Certificates. These were not brought under the control of the Custodian.

LIFE

INSURANCE: He declared Monarch Life Policy in the amount of \$3,000 and Manufacturer's Life Policy in the amount of \$2,000. Both policies were in his possession and were not brought under the control of the Custodian. However, he applied for cash surrender value of his Manufacturer's Life Policy #588534, and the net amount of \$145.55 was remitted to him through this office on October 15, 1943.

Policy #588,535 with the Manufacturer's Life Insurance Co. was surrendered for its cash value, \$277.85, which was remitted to T. NOMI on March 8, 1944. This policy was in the name of his daughter Minoru NOMI. Another policy with the same company, #718,302, in the name of his daughter Kaoru was also surrendered for its cash value and the sum of \$131.10 remitted to T. NOMI on September 27, 1944.

Re: NOMI, Tetsuichiro

I would refer you to T. Nomi's letter of September 11th requiring funds for an operation on his daughter and dental requirements for himself. We have on hand \$145.55 representing the cash surrender value of his life insurance policy which he is requesting.

My understanding is that we cannot hold the cash surrender value of life insurance policies to apply against claims. Will you kindly requisition a cheque for the above amount to go to T. Nomi.

Dear Sir:

949 Davis
re: Tetsuchizo NOMI, 941 Burrard St., Vancouver, B.C.

In response to your instructions of the 28th ult., our representative proceeded to 941 Burrard St., Vancouver, B.C., the address mentioned in your letter, for the purpose of undertaking an investigation. He found, however, that the subject party had previously operated the Hollywood Grocery, also mentioned in your communication of the 28th ult., which is located at 949 Davis St. It was, therefore, presumed under the circumstances that a discrepancy had occurred in the original filing of the address with the Custodian.

Subsequently it was discovered that Mr. James Blair, residing at 1190 Burrard St., Vancouver, B.C., continued to operate the store. He advised our representative he had purchased the stock and fixtures from T. Nomi on April 9th 1942, for \$1,700.00 cash and that the transaction was consummated pursuant to authority granted by the Custodian.

The covering Bill of Sale executed by T. Nomi was examined by our representative and appeared to be in order. The purchaser indicated he was satisfied that requirements of the Bulk Sales Act had been observed. Nevertheless, we are endeavouring to ascertain whether or not there are any outstanding liabilities at this time and, in addition, have requested the Provincial and Dominion Governments to supply clearances with respect to any amounts owing their departments.

It is reported that T. Nomi was evacuated to Jasper on March 4th 1942, leaving his wife and three young children in Vancouver. Efforts have been made to locate them, but no information in that connection has yet been obtained.

Our further enquiries regarding the subject's ownership of property other than that indicated above, have not met with any degree of success.

Dear Sirs: Attention Mr. M.L. Brown
Re: Tetsuhiro NOMI, Reg. #00365

Referring to your letter of September 22nd, T. Nomi has a balance with us of \$145.55 representing the cash surrender value of his life insurance policy.

In regard to the letter from your Supervisor at Lethbridge stating that T. Nomi had left over \$400.00 Accounts Receivable with the Custodian to pay Tagashira's account of \$395.90, this is the first time that we have learned of this and actually he did not report this debt when he registered with the Custodian.

We wrote T. Nomi on the 16th of September, 1942 advising him that the list that he left with us of Accounts Receivable was so inaccurate that we did not think there was any chance of collecting any of this money on his behalf.

Would you please ascertain from T. Nomi what he intends to do in regard to Tagashira's account and also advise him that Dr. Uchida's claim of \$3.00 has been withdrawn.

Yours truly,

Dear Sir:

Yours of the 10th instant to hand informing us that you have no further information about certain parties against whom we are submitting claims. For your information we have had half of the letters dealing with your claims returned by the post-office stating not known at the address given by you.

The remainder we have not heard from with one exception. This exception was Mrs. Porter, who stated she had already paid your account and forwarded her receipt in proof. Either your claims are so old, or the information you submitted so inaccurate, that it would not appear as if there was any chance of you collecting moneys from this source.

However, any money received by this office will be placed to your credit.

re: Tetsuichiro NOMI
Registration No. 00365.

With reference to NOMI's outstanding claims, as you will probably be writing to him in connection with his request for money, all of his reputed debtors (42) have been written to with the exception of a few where only the christian names such as Ruth and Frank were given. Twenty were returned by the Post Office as not known. One replied enclosing a receipt showing the bill had been paid, another replied denying any knowledge of the claim. These totalled \$353.63, leaving a balance of \$238.15, according to NOMI's own figures. This leaves sixteen who have not replied to our letters.

We wrote to NOMI on the 16th of September, 1942 advising him that his list was so inaccurate that we did not think there was any chance of collecting moneys on his behalf. Even if all the remaining accounts were paid in full the total would amount to \$353.60, which would be insufficient to cover the Tagashira claim of \$395.90. Dr. Uchida's claim against him has been withdrawn.

We have written to NOMI giving him a list of the accounts which we have not yet heard from, and informing him that this office did not propose to do anything further in the way of trying to collect.

We notice that the B. C. Security Commission letter attached, dated the 16th of September, 1943 says that NOMI stated that he left over \$400.00 of accounts receivable with the Custodian to pay Tagashira's account. This is the first time we have learned of this and actually he did not report this debt when he registered with the Custodian.

In reviewing the attached file you will doubtless notice that there are indications that NOMI received \$1,700.00 in cash for his business when he was evacuated last year, and he has another life insurance policy for \$3,000.00.

Your letter signed by Mr. McAlister, dated September 25th, addressed to above named, has been referred to me by subject person. It refers to the accounts of some sixteen people who purchased groceries from Mr. Nomi, when he was in business prior to the evacuation, and they, as stated by him, owe in the aggregate sum, \$400.00. Your Department states that these individuals did not reply to your correspondence, and we would ask what steps could be taken for the collection of these accounts, one of which itself, is in excess of \$140.00.
