Dear Sir:

Re: OBARA, Shirau (Mrs. Tsuneo)

Please accept our thanks for your report of August 20 in connection with Mrs. Obara's property. We note that the house is built on land belonging to the Canadian Collieries "p" Ltd., ground rent of \$1.00 per month which has not been paid since 1928, so Mrs. Obara evidently has no interest in the house; although we understand that if this place were rented, the above Company would allow the rental monies to go to the Japanese account, on payment of the current ground rent.

In regard to the personal effects, we note that you have shipped to her all goods of any value, the remainder staying in the house until it is rented.

Dear Sir:-

Re: OBARA. (Mrs. Tsunao) Shirau

We referred the contents of your report on the above of August 20th to her and have now heard from her as follows:

"We only received some old chinaware, washing tubs and two beds, which side panel of the bed is missing so it is of no use to us. Kindly remember we left one big box full of good chinaware, three tons of coal, which we left behind, musical instrument, dresser, and a few odd belongings."

Insofar as the missing side panel is concerned, we are of course covered by the release signed by this party, but we should be obliged if you would give us an inventory of what remains in order that we may satisfy this Japanese. It is, of course, unnecessary to list odds and ends packed away in drawers or boxes.

Dear Madam:-

Thank you for your letter of December 11th. We have now heard from Mr. Matt Brown as follows:

"This house has been broken into and effects scattered about the house. Mr. C. E. Mounce and I packed all bulk articles such as kitchen wares etc. in company with Constable A. Lashmar of Provincial Police and noted that some articles were missing. Balance left in the home are as follows:-

"1 old kitchen cabinet, 2 tables, 3 old chairs, 1 dresser, 1 kitchen range, 1 tin heater and 1 Donkey stove in out shed."

Mr. Brown also tells us that he has sold the coal for you. Mr. Wilkinson would not buy it as it was old slack coal picked up from the rock dump and of very poor quality. There was, moreover, not more than one ton, not three tons. He finally managed to sell it for \$2.50 and we have credited your account with this sum.

Re: Mrs. Tsuneo (Shirau) OBARA

With regard to the claim amounting to \$125.00 which you lodged with the Custodian through Mr. Matt Brown, against the above named. We wrote to her and she replied as follows:-

"Received this letter of 28/1/43 which I "Miss T. Ohara" disagree with this claim re Youkichi Kishimoto for the sum of \$125.00.

For years and years my father and Mr. Y. Kishimoto being friend, settled all these financial balance long before evacuation.

At present of our situation we are impossible to settle with this large amount \$125.00.

We would be glad to get further information from Mr. Y. Kishimoto, which he knows that we are in very poor situation all our life.

We are unable to pay \$125.00, but with further investigation kindly let me know at your earliest."

Mrs. OBARA mentioned on her "JP" form that she owed approximately \$20.00 to Komura Bros. and also approximately \$100.00 to T. IWASA. However, as no claim has been lodged by either of these parties we presume they have been settled and are taking no further action in connection with them.

Dear Sirs:-

Re: Mr. and Mrs. Tsunee OBARA.
Reg. Nos. 07373, 04113

In answer to yours of May 10th, we cannot trace receiving any letter from you about Mr. Tsunee Obara. As, however, your letter was doubtless a request for particulars of his assets, we are appending the following information.

We have no assets registered in the name of the husband and most of the wife's belongings were shipped to her after evacuation. We have to her credit a total of \$86.23 consisting of \$40.00 rents collected on her house in Cumberland, \$40.00 allowed by the Canadian Collieries when they took over this property (it was built on their land) and \$6.23 from sale of coal and a kitchen range.

Against these assets we have claims in the husband's name of \$42.76 in all and in the wife's of \$180.00 as declared by her but not lodged by the creditors she mentioned. Perhaps if you are corresponding with your Supervisor you would ask this couple to answer our letter of February 28th requesting them to confirm the two claims totalling \$42.76 lodged against the husband and suggesting that they be paid from the wife's credit balance.

Dear Sir and Madam:

Your files have been up for review and we avail ourselves of this opportunity to give you a brief resume of our administration of your affairs.

As you know, the policies in regard to the management and subsequent liquidation of your property were decided upon by the Government of Canada, and while the problem was a difficult one for all concerned, we can assure you that it has been the aim of this office to carry out these policies in as careful and fair a manner as possible.

Real Property: You did not own any Real Property in the Protected Area of British Columbia, but you declared ownership of a dwelling built on land owned by Canadian Collieries Ltd., to which we refer below.

Personal Property: The dwelling referred to above was one of many owned by evacuees under a long expired agreement with the Colliery Company. The Company recognized no outside equity in such buildings. Although under no legal obligation the Company, as a result of negotiations initiated by this office, agreed to make an ex gratia payment, based on the salvage value to them of such buildings. The appraisal of each building made by the Company's engineer, accompanied by our local agent, resulted in an ex gratia payment to you of \$40.00, as advised Mrs. Obara on the 27th August, 1943.

Mr. Obara did not include any chattels in his "JP" declaration of assets to the Custodian (dated Sept. 28/43). Of those declared by Mrs. Obara on April 28th, 1942, our records show the bulk to have been shipped to you on June 16th, 1942. What was left would appear to have been of too little value to justify the expense of removal for sale by auction.

Bonds, Shares, etc.: War Savings Certificates (\$40.00) declared by Mrs. Obara remained in her possession and did not come under our administration.

Liabilities: Mrs. Obara declared certain debts which, however, were not registered by creditors named and this office has, therefore, taken no action. Claims (3) registered against Mr. Obara were all paid by this office, at your request, on June 11th, 1945.

Funds: There is a credit balance of \$43.47 in your account at the present time, made up as follows:
