NET SUMMARY

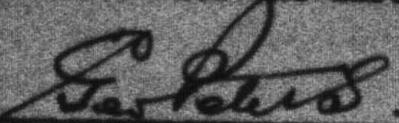

Re: Yonekichi YOSHIDA
Registration No. 03899

In his declaration of April 28, 1942, YOSHIDA declared nets giving a detailed list of what he claimed to be stored in the Gulf of Georgia Fishing Company's Cannery. The Custodian inventoried the number of nets declared, and these were sold after an independent appraisal was made, with the exception of one net which was given Custodian No. 783. This net is missing.

Although YOSHIDA declared 930 fathoms of cork line, only 300 fathoms were found by the Custodian. He also declared 1007 fathoms of lead line and 300 corks but these were never inventoried by the Custodian.

The approximate value placed on his nets by YOSHIDA amounted to \$1297.00. What was found by the Custodian was sold for the total amount of \$602.00. In practically all cases, the Japanese over estimated the value of their nets, as will be shown on the Net Statement dated March 3, 1944.

The above Summary is certified to be in accordance with the information on file.

Dear sir,

Thank you very much for your letter of August 19, 1943. Since evacuated to unfamiliar places, I am not able to earn enough money to continue with the payments of my policies. I have written to my Insurance Company last year telling them that I wanted to keep my policy as an unredeemed property of myself until the times comes for me in a favorable condition. Thank you again for advising me but at this time I think I will keep as it is now.

Dear Sirs:

Attention: Mr. Lawson

Under date of April 30th, 1942, you supplied to the Japanese Fishing Vessels Disposal Committee a list of outstanding accounts receivable. This list contained the name of Yoshiyi YOSHIDA as mortgagor in connection with a mortgage of \$200.00.

An earlier list, January 29, 1942, listed Y. Yoshida, of Wadhams Cannery, as owing \$200.00 on a chattel mortgage.

Yoshiji YOSHIDA, formerly an employee of your company at Wadhams Cannery, was the owner of an unlicensed boat, which was left at Wadhams Cannery, and which was seized by your company under mortgage of \$200.00. In this connection we refer you to your letter of November 26, 1942, addressed to the Custodian's Office.

There does not appear to be much doubt but that the Yoshiyi YOSHIDA listed on your April 30, 1942, list and Yoshiji YOSHIDA, of Wadhams Cannery, are one and the same, and the boat seized by your company appears to be the one on which the mortgage, listed by you, was held.

However, on May 13, 1942, when the vessel "Y.Y." NW2342, was sold by Yonekichi YOSHIDA, the sum of \$200.00 was paid to your company to satisfy a chattel mortgage. We have not been able to find any other record of the Yonekichi YOSHIDA mortgage, and would appreciate any assistance you can give us in this connection. The "Y.Y." NW.2342 had been in operation in the Fraser River, and Yonekichi YOSHIDA appears to have been connected with the Gulf of Georgia Cannery. His address was Box 15, Steveston. We hope this will be sufficient information to enable you to check your records in regard to his chattel mortgage.

Dear Sirs: Files 6498 and 2112.

In answer to your enquiry re the clarification
of boat dealings with Yoshiji and Yonekichi Yoshida,
we give below the following information.

Yoshiji Yoshida of Wadhams Cannery was in debt to
the company the sum of \$200.00 which was covered by
Mortgage. This boat was seized by us for this amount
which was over the value of his boat according to
appraisal.

Yonekichi Yoshida of Steveston does not enter into
dealings with this company except that the Japanese
Fishing Vessel Committee deducted from his sale of boat
the sum of \$200.00 which was remitted to us. They
found out that this money was collected in error and
asked us to remit same to Yoshida. On May 15, 1942 this
company issued a cheque to Yonekichi Yoshida for the
above amount.

The mistake was made by them trying to protect
our mortgage from the other Yoshida. At that time they
did not have the full names.

We hope this clears up any misunderstanding re
these two accounts.

Yours very truly,

L.A. DODD, Esq.,

Forks Sub-Commission

G. RAMBLETON, Esq.,

Official Reporter

30

MR. COBUS: The claim, your honour, of Yoshida,
Yonekichi, which is No. 112 on the Secretary's
list and which becomes Case No. 288, I believe.

THE SECRETARY: 288.

YONEKICHI YOSHIDA, the Claimant herein, be-
ing first duly sworn, tes-
tified through the official
interpreter as follows:

10 MR. COBUS: Your honour, there were two claim forms
submitted by the witness, one in respect of a
vessel, and the other in respect of certain nets
and lines. They were both made on the same day,
the 15th of November, 1947.

The claim with respect to the vessel is with-
drawn subject to the possibility of the Terms of
Reference being broadened to include such a
claim.

20 I would ask leave to amend the claim with
respect to nets and lines by showing the total of
the four items of \$1297.00, being credited with
\$487.00 to the Custodian --

THE COMMISSIONER: That is, deleting the items you
have here?

MR. COBUS: The items remain, your honour. We have
shown the total offset by a credit which is not
shown on the claim form.

THE COMMISSIONER: I see, the \$1297.00 remains sub-
ject to a credit.

30 MR. COBUS: To a credit of \$487.00, yes, your honour,
leaving a net claim of \$810.00, which is the

amount shown in 5 (r)

THE COMMISSIONER: \$1297 less \$487.00, is that correct?

MR. COBUS: That is correct, your honour.

THE COMMISSIONER: Very well.

DIRECT EXAMINATION BY MR. COBUS:

10 Q: Witness, I produce to you a statement concerning the nets and lines for which you are claiming. Did you instruct Mr. Leckie to prepare this statement for you and is that your signature?

A: Yes.

Q: In that statement you refer to a list of nets and lines attached. I produce to you a list of nets and lines. Is that the list you refer to in your statement?

A: Yes.

Q: And the information contained in the statement and the list attached is true to the best of your knowledge and recollection?

A: Yes.

20 MR. COBUS: I would ask to file the statement and list, your honour, as one exhibit.

(STATEMENT AND LIST MARKED EXHIBIT NO. 1)

MR. COBUS: Referring to the statement, your honour, the claimant refers to the list attached to the exhibit and says that he left the articles claimed in the New England Gulf of Georgia Cannery at Steveston, B.C., and points out that he has allowed for depreciation on nets and lines claimed.

30 Would my learned friend produce the J.P. form and Analysis of Personal Property Claim?

Y. Yoshida
In Chief

MR. McINNES: There is the Analysis of Personal Property Claim.

MR. COBUS: I have, produced from the Custodian's file, the Analysis of Personal Property Claim in the name of Yonekichi Yoshida, which I would ask to file on behalf of the Crown.

(ANALYSIS MARKED EXHIBIT NO. 2)

10 Q: Witness, I produce to you a document known as a J.P. form. Your name is typed on the front page and it is signed Y. Yoshida, on the 28th day of April, 1942. Is that your signature?

A: Yes.

Q: And attached to the form there appears to be an inventory of nets and lines which bears a signature, Y. Yoshida, at its foot. Did you prepare that statement and is that your signature?

A: Yes.

MR. COBUS: I file the J.P. form on behalf of the Crown, your honour.

20 (J.P. FORM MARKED EXHIBIT NO. 3)

MR. COBUS: Referring to Exhibit 2, your honour, the Analysis of Personal Property Claim, under "Sales" a total of \$1687.00 is shown. That includes the boat, your honour. So reducing the \$1687.00 by \$1200.00 leaves us the net credit to the Custodian of \$487.00 which has been already noted. Referring to the first column on Exhibit 2, reference there is made to a list of nets and corks and lead lines, spring nets, corks, declared by Y. Yoshida as being stored in Gulf of

30

Georgia Cannery and which are the same as claimed.

Referring to Exhibit 3, the J.P. form, the attached list of nets and so on, is the reference made to the declaration in that first column of Exhibit 2.

Again referring to Exhibit 2, there is a note just above the recap of the claim concerning an additional sale of a net for \$115.00.

THE COMMISSIONER: That refers to net sales, does it?

10 MR. COBUS: It refers to a net which was sold by the Custodian and which the claimant received \$115.00 for. There is no claim being made against this particular net.

Your witness.

MR. McINNES: It is submitted, your honour, that those nets and lines which did come into the possession of the Custodian were sold for their fair market value. It is further submitted that 11 lines and one net, as claimed, were never found and there-
20 fore do not come into the possession of the Custodian and are not within the Terms of Reference. As my friend as pointed out, there is a credit on the Analysis of Personal Property Claim, Exhibit 2, of \$602.00.

MR. COBUS: \$602.00?

MR. McINNES: \$487.00, \$115.00.

MR. COBUS: Oh, yes. Your honour, that is not a credit to be shown in this claim. I have made it clear that the claim doesn't concern that particular
30 item. The credit remains, as far as we are concern-

ed, at \$487.00.

MR. McINNES: Well, if my friend would prefer to conduct my case for me, I would be very happy.

MR. COBUS: You say I had admitted the credit for \$602.00. I did no such thing.

CROSS EXAMINATION BY MR. MCINNES:

Q: How long had you had these lines or nets, rather, that you are claiming for?

10 A: About three years.

Q: From whom did you buy them?

A: From the cannery.

Q: Which cannery?

A: Giff of Georgia Cannery.

Q: Yes, and in what condition did you buy them, new or second hand?

A: They were new.

Q: What is the ordinary life of one of these new nets?

A: About three years.

20 Q: And then you have to discard them and buy a new one, is that right?

A: Yes.

MR. McINNES: That is all, thank you.

MR. COBUS: No questions, your honour.

Case No. 288

Memo:

1. Ref. Transcript p. 5, line 10:- Re - the net which was sold by the Custodian for \$115.00 and the proceeds credited to the claimant's account. The reason why the claimant is not claiming for this net is apparent on its face. This net was not declared by him, as described, in his J.P. Form, Exhibit No. 3., and such a claim, if made, would probably not be legitimate. Yet he is prepared to take credit for it, even though it may not have belonged to him. Since there is a net, Custodian No. 783, for which he claims \$190.00, which was not sold, and on the Personal Property Claim Analysis, Exhibit No. 2, is shown under the 'No Account, Theft' column, it may be argued that this is the same net as the one for which he does not claim, referred to above, and was sold for \$115.00. This may be explained by the fact that in a number of instances the tags on these nets were switched by prospective buyers. A letter in the Claim File from the claimant to the Custodian, dated Aug. 9, 1942, further supports this argument and assumption.
2. Ref. Transcript p. 6, line 8 and following:- The claimant admits he had these nets for about three years, and that the ordinary life of a net is three years, and then you have to discard them and buy a new one. Accordingly, all his nets should have been discarded at the time he was evacuated in May, 1942.
