MEMORANDUM

To: Mr. C. C. Robinson

From: Mr. R. B. Mackenzie

Re: Mr. & Mrs. Shizuko MATSUMURA

Enclosed is a copy of a letter received from the Lethbridge Supervisor regarding the above named who have applied for an electric sewing machine on Custodian Release Form dated July 20th, but no sewing machine appears on their chattels list #35 dated July 23/42, but a crated sewing machine does appear on chattels list #34 dated July 29/42 under the name of Toshio SAMESHIMA.

Several other items asked for on Custodian Release Form dated August 24/43 can not be found, as mentioned in your memo of September 15th to Mr. Green - also some appear on list #34, so we believe a good many items on this list in the name of SAMESHIMA must belong to Matsumura.

Please let us know if you can identify the sewing machine which is item #81 as belonging to MATSUMURA.

Re: Seitaro MATSUMURA
Takatsugu HIKIDA

More trouble with nets. Our records show \$110.00 received for net #1164 from the B. C. Packers as part of their cheques for \$19,831.18 and \$214.70 sent to us on February 1st and February 2nd, 1943.

On February 12th, 1943, \$110.00 was received from Mr. Robinson for Custodian No. 1174 and was credited to the account of Takatsugu Hikida, file 4515. On November 23rd, 1943, however, Miss Seaton asked the Accounts to transfer the credit to Seitaro Matsumura stating that Mr. Robinson advised that the receipt for 1174 should have read * 1164.

The description of 1164 is 9/40 x 9 x 42 - 150 and as there are not many 9" nets, this will perhaps not be too difficult to trace. Would you take this up with the Imperial Cannery bookkeeper the next time an opportunity presents itself?

Dear Sir;
I am dropping a note to you in connection with my nets etc. again.

Letter dated on May 20/45. and by you had said to have sent \$75 for 12 times and ones of \$50. He has started receiving money from Feb. and got 50 at first. He has written to you again asking for 25 more as 50 wasn't enough for us to live on.

On Feb. 28/44 \$25 was sent by you making the total of \$75 total for the month of Feb. from then on to Jan. 29/45 we were receiving 75 monthly making the sum of \$900.

As I see you have stated of sending \$950 which is not correct so I must you check this up again.

About this net \$6 and gas lantern. I am absolutely sure I received word from you about these being sold and now you say you can't give any information of this being sold. I am asking you if you locate these articles now. But I think you can't find it. no record - checked files again.

Another thing this \$6. for shipping freight. you mentioned always paid advance before the goods were sent to you. me. No deposit

Re: Chattels

We have received back from you the list of
your goods which we forwarded to you on March 23rd.

This list contained all the goods from the
Canadian Pacific Cannery House #2 which we could iden-
tify as yours.

Chattels from all houses at this cannery were
moved by the Japanese into Houses #1 and #2 which had
been set aside by the Cannery for the purpose, and later
taken to our storage warehouse for safe-keeping. Some
of your effects may have been listed in the name of the
former tenant of one of these two houses if they were
not tagged with your name.

Dear Sir:

I have heard that there is a shortage of nets in the coast and you are selling the nets owned by the Japanese. As an owner of these nets, I wish you to sell mine, at a reasonable price if possible. Just as a best worker, you will understand it is hard to make a living. If it is possible I wish you will send me the cash, which will help us considerably.

Enclosing, please find a list of the nets. These nets are stored at B.C. Packer's no. 1 warehouse.

Dear Sir;

I would like to know for sure whether the fishing net I left at the Imperial Cannery in Steveston B. C. has been sold, if so at what price. My family of nine has been living on thirty acres of beets which gives us approximately nine hundred dollars. The cost of living for the family amounts to about one hundred dollars which makes it very difficult to get some of essential things for my children. From now until beet time it is almost impossible for me to carry on. I have heard from others that they have received their money for the nets sold, but I have not as yet heard about it from you. To save me from further financial difficulties please forward my share from the net at your earliest convenience. Hoping to hear from at the possible date I remain

Dear Sir:

During last month we acknowledged the letter from Mr. A. E. Russell, Security Commissioner in Lethbridge informing about our net. We clearly understand from his letter that you are willing to send us the amount of \$5 per month starting in this month. But not even yet, we haven't received ^{your} answer. Did you receive the letter which I forwarded to you on Mar. 8th 1944? If so, I imagine you perfectly understand what we're trying to discuss with you. Sir, will you please, note that this matter is entirely important due to the fact of our living. Suppose you aren't going to forward us this amount of ~~money~~ money as you should, we certainly can't go on living like this unless we get the relief which I think is very foolish thing to do. There's ten of us in our family ~~and~~ contenting only 20 acres. Just figure out from that, how long this small amount of money will hold. And beside, if we can't receive the money soon after we finished with it we have to wait for the certain month. So until then, we have to ~~be~~ be in debt in order to buy some groceries. Sir, so please we will kindly urge you to send us this amount of money in earlier position. Thank you.

Sincerely,
Mr. Tanigami

Mr. Moriji TANIGAMI,
Registration No. 03452,
P. O. Box 10,

Dear Sir:

This is just to thank you for your two letters of March 23rd and 26th telling us of your difficulties.

We have already sent you \$75.00 for this month (mailed on or about March 16th) and have no doubt this has now been duly received.

We are enclosing herewith a statement of the nets that have been sold for you. The entire proceeds have been credited to your name. We had to do this because, although both you and your son declared nets and lines, these were only tagged "M. Tanigami".

Our enclosure shows total sale of \$853.50 and our remittance on March 16th has reduced this to \$778.50. Before we can make another remittance we shall need a letter signed by you and your son, Moriharu, stating that future monthly remittances of \$75.00 may be made to you, or, alternatively, advise us how much is to be sent to you and how much to your son.

We have not forgotten your jointly signed letter of July 29th last year which read, "I would appreciate it if you would send my father's net funds to him and my net funds separately from his to the above address."

We think you will understand now that we cannot do this until you have advised us which nets belong to whom. That is why we have made the suggestion set out in the preceding paragraphs.

Dear Sir:-

Thank you for yours of April 12th acknowledging receipt of our cheque for \$75.00 and requesting that a similar remittance be made monthly. We are ready to do this but remind you of what we wrote on March 31st. You will recall that we said that as we could not distinguish between your and your son's nets, we could only send the proceeds to you on receipt of a request signed by both of you.

It will, therefore, be necessary for you to write us a letter somewhat on the following lines.

"My son, Moriharu, has agreed that the entire credit from the sale of nets belonging to the Tanigami family and not separated in our account with the Custodian, may be sent to me at the rate of \$75.00 per month."

Signed: "Moriji Tanigami"

Signed: "Moriharu Tanigami"

Please be sure to send us such a letter or some other jointly signed request for the disposition of these funds as without this, we cannot make further remittances to you.

Dear Sir,

You sent us \$75 in the month of March and have not since. We are again in financial difficulties so please forward us some money as soon as possible. If it is possible we would like to have all our funds sent to us together, for it will be more convenient for us.

We received a letter from the Lethbridge Commission stating that you notified them that we have a credit balance of \$360.00 in the Royal Bank of Canada and will send that to us also. That money was taken out the first year we came to Alberta when the best money would not carry us through the year.

Since writing the above, we have had your letter of May 13th asking for all the balance of your funds. We are applying for a cheque for \$314.25 and will send this to you shortly. If your son wishes the balance of his money sent in a lump sum rather than at the rate of \$75.00 per month, we will also attend to this on receipt of his request.

Dear Sir,

Case No. 87 - Mariji Tanigami

I have your letter of the 6th July and have had the matter investigated. I would point out that our copy of the Award Sheet notes note under "Recorded new filing" at \$399.00, with the \$50.00 net claim being considered as relating to abandoned note and therefore not within the award.

There seems to be a possibility, however, that this \$399.00 item was not entered on your Award Sheet and if this was the case will you kindly note the amendment and let me hear your views on the case.

NORIJI TANIGAMI, the claimant herein,
being first duly sworn, testified
through the Interpreter as follows:

DIRECT EXAMINATION BY MR. RUSSELL:

Q Mr. Tanigami, I am showing you this summary of
evidence, which contains your claim for loss, is
that correct?

A: Yes.

Q You are familiar with the contents of this document?

A Yes.

Q Will you just sign it at the end where it says

"Signature of Claimant"?

A: (Witness complies).

Q Was this prepared on your instructions and from
material supplied by yourself?

A: Yes.

Q You believe it to be true to the best of your know-
ledge, information and belief?

A: Yes.

MR. RUSSELL: I will put that in as an exhibit.

(SUMMARY MARKED EXHIBIT NO. 1).

MR. RUSSELL: Q: I believe these nets for which you are
claiming were jointly owned by yourself and your
son Noriharu Tanigami, is that right?

A Yes.

Q And you are claiming for the nets, or the nets for
your son? Your son is making no claim for the
nets, but you are making a claim for both, is that
right?

A: Yes.

MR. RUSSELL: Your Honour, I think there is a letter
on the Custodian's file from the son whereby he
waives all claim to the nets, and I don't know
whether my learned friend wants it to go in or not,

M. Tanigami,
In Chief.

or whether it is sufficient.

MR. RICE: It might be well for the purpose of the record to put it in. It is a statement signed, presumably, by the son. It would be just as well to put it in.

THE SUB-COMMISSIONER: You might refer it to the witness.

MR. RUSSELL: Yes.

Q I am showing you a letter dated May 19th, 1944, and purporting to be signed by Meriharu Tanigami; do you recognize that signature?

A Yes, that is my son's signature, Meriharu.

Q Have you seen this letter, or a copy of it?

A Yes.

Q Was that written in your presence? Were you there when the son signed this letter?

A Yes.

MR. RUSSELL: I will put that in as an exhibit.

(LETTER MARKED EXHIBIT NO. 2).

MR. RUSSELL: I think that is all, sir.

20 MR. RICE: I am submitting, your Honour, that these nets were sold for their fair market value. Some nets were declared and were not found; one net was abandoned as being worthless; one net appears to be unaccounted for. I am submitting that if the Custodian is responsible for any part of this claim that the claim made by this claimant is exorbitant.

I submit as an exhibit an analysis of personal property claim.

(ANALYSIS MARKED EXHIBIT NO. 3).

M. Tanigami,
Gross Exam.

GROSS EXAMINATION BY MR. RICE:

Q I show you a J.P. form, dated the 27th of April, 1942 (indicating); did you complete that document? Is that your signature on it?

A Yes, that is my signature.

Q And that is your signature, or your document, I mean?

A Yes.

Q Or the document that you prepared?

A Yes.

10 MR. RICE: I tender that as an exhibit.

(J.P. FORM MARKED EXHIBIT NO. 4).

MR. RICE: Q: I show you an inventory of nets which I believe you completed in April of 1943, and which was received in the Custodian's office on April 24th, 1943. Will you look at that document and tell me if it was completed by you?

A Yes, this was supplied to the cannery before I evacuated.

Q But this document was completed by you, the description of the nets and the values?

A Yes.

MR. RICE: I tender that, your Honour, the inventory of the nets.

(INVENTORY MARKED EXHIBIT NO. 5).

MR. RICE: I tender, your Honour, a net statement showing the owner's value, the appraisal and the sale price of the nets.

(STATEMENT MARKED EXHIBIT NO. 6).

MR. RICE: Q: I show you a proof of claim form that you completed, apparently, on the 15th of November,

30

M. Tanigami,

last year?

A: Yes.

Q That document was completed by you?

A Yes, that is my signature.

Q And sworn to by you?

A: Yes.

MR. RICE: I will put in the proof of claim, your Honour.

(CLAIM FORM MARKER EXHIBIT NO. 7).

MR. RICE: Q: I show you a letter apparently written by you to the Custodian with a net statement attached. Did you send that letter, or is that your signature and did you send that letter to the Custodian?

A: Yes, this was written for me by my son, and he printed my name in there.

Q And you signed it, or he signed it?

A It isn't a signature; it is my name printed.

Q But that letter was written under your instructions and for you, was it?

A: Yes, it was written for me by my son.

Q And the list was attached to it at the time that you wrote the letter?

A: Yes.

Q A letter written by the claimant to the Custodian, July 9th, 1943,

"I have heard that there is a shortage of nets in the coast and you are selling the nets owned by the Japanese. As an owner of these nets, I wish ^{you} to sell mine, at a reasonable price if possible. Just as a best worker, you will understand it is hard to make a living. If it is possible I wish

M. Tanigami,

you will send me the cash, which will help us considerably.

"Enclosing, please find a list of the nets. These nets are stored at B.C. Packer's No. 1 warehouse."

Signed, "M. Tanigami".

And there is a list attached to that letter.

(DOCUMENTS MARKED EXHIBIT NO. 8).

10 MR. RICE: I will point out, your Honour, that the summary of evidence, Exhibit 1, in valuing a net, the 11th from the top, at \$125.00, the same net is valued at only \$100.00 in the claim that was filed, and in the list submitted with Exhibit 8.

THE SUB-COMMISSIONER: The list I have shows \$100.00 estimated value, Exhibit 1.

MR. RICE: Mine shows \$125.00. Am I getting a copy of the summary of evidence, or what?

20 THE SUB-Commissioner: It would appear that the "25" is marked over.

MR. RICE: Mine is not. Well, then, on the cork lines and lead lines, there is apparently thirteen items on the list that I have, whereas there is, I think, eleven items on the list contained in Exhibit 8.

MR. RUSSELL: Isn't it the same as yours (indicating)?

30 MR. RICE: No, this is not the same as mine. My learned friend has shown me a corrected list, showing the last two items on the summary of evidence list, the second page of the summary of evidence, Exhibit 1, the item of \$15.00 has been changed to \$10.00, and the last item, I don't know whether it is

M. Tanigami,
Discussion.

"13" or "15", or what it is, it is a blurred figure, but it is changed to \$14.00. But I would also point out that in the list of nets set forth in Exhibit 8, and also set forth in Exhibit 5, are only three items valued at \$25.00, whereas the summary of evidence has four items valued at \$25.00. There appears to be an extra item there, and is not in the list, Exhibit 5.

10

THE SUB-COMMISSIONER: What about that, Mr. Russell?

MR. RUSSELL: I am just checking that now, sir.

MR. RICE: I would also point out, your Honour, that the claimant here declared the value of his nets in his J.P. form to be worth \$800.00, and it is now stepped up to \$1859.00. It is impossible to add this statement, or properly check the same, when I get it in this manner. I am entitled to a better statement than that.

20

THE SUB-COMMISSIONER: I understood you were to be handed copies of these statements several days before the hearing.

MR. RICE: I have been getting them the day before the hearing, and apparently I am not getting a correct statement. There is a different one filed here to the one I got. In spite of that, there is a discrepancy there; there is an extra item. There are four \$25.00 items there, and the same do not appear in Exhibit 5; there appear to be only three \$25.00 items.

30

MR. RUSSELL: Your Honour, there does appear to be an

8
M. Tanigami,
Discussion.

extra item of \$2500 in the summary of evidence.
Whether this was declared, I think probably this
must have been declared by the claimant at a later
date; that is the only explanation I have of it.

MR. RICE: I don't know how he can declare it at a
later date, when you have his signed statement all
the way through. It looks as if an extra item
had been added in, or a stenographic error was made
in it.

10 THE SUB-COMMISSIONER: It is probably a duplication.

MR. RUSSELL: Possibly, sir.

THE SUB-COMMISSIONER: Yes, I think so.

MR. RUSSELL: That might be right.

THE SUB-COMMISSIONER: Is that all, Mr. Russell?

MR. RUSSELL: That is all, sir.

Case No. 767

PERSONAL PROPERTY CLAIM

(All claims shown are Gross)

Nets, Lines & Boats

Claim increased to

\$1884.00

Sold for

\$853.50

On his J.P. Form claimant declared Nets and Lines to the value of \$800. His original claim was for \$1859. and he now claims \$1884. An extra item of 150 feet Corks and Lines for \$25. has been added to the claim which is probably a duplication as there is no record of these.

The nets belonged to claimant and his son but the son has waived his claim in favour of his father (See letter 19-5-44) and claimant is claiming for both.

A letter received by the Custodian from the claimant dated 9-7-43 requested the Custodian to sell his nets for him at a reasonable price if possible stating that the nets were stored at B.C. Packers No. 1 warehouse.

The net, value \$125. which is not accounted for was appraised by Mr. C.P. Leckie at \$85. Mr. Leckie reported that net No. 1 on claim was of no value.

✓ (a) Nets , Lines & boats, value \$1410.	Sold for \$853.50.

	<u>\$1884.</u>

Claimant declared 1 Fishing Boat only which he stated was in the custody of the Navy.

It is submitted that these nets were sold for their fair market value. Some nets were declared and were not found; one net was abandoned as being worthless and one net appears to be unaccounted for. It is submitted that if the Custodian is responsible for any part of this claim that the claim made by this claimant is exorbitant.
