Mrs. Yonezo (Shizue) SHINDE,
Registration No. 08558,
Tashme, B. C.

Dear Madam:-

With reference to your recent request under date of September 28th for Box No. 4 containing dishes, tools, etc. left at the house of Mr. Kijiro Nakahara, we regret to advise that we have received the following report from the Chemainus Police.

"On Thursday, October 7th, 1943, the undersigned and Rufus Smith who does the carting and crating on these jobs, on entering the premises of Kijiro Nakahara where the effects of the above-named are stored, found the box #4 opened and nothing therein except four very small dishes. Near the box on the floor were also several dishes. Nothing else could be found on the premises that could have been in that particular box, and it is assumed they have been stolen.

"Entrance to the Nakahara house is easily gained by the use of an ordinary pass-key, and on a few occasions Mr. A.E.P. Stubbs, Custodian and myself, have found it unlocked and the effects therein showing signs of having been searched, but as usual in these cases, it is very difficult to determine whether anything has been taken or not, until a Release order calls for some particular item.

"The buildings which have any effects stored in them are checked every so often at various hours, and not once on these patrols have persons been noticed in their near vicinity, who might be responsible."
