PERSONAL PROPERTY SUMMARY

File No. 6587

February 2, 1946.

Re: Itsu TANOUYE #08545

This woman signed a declaration to the Custodian on April 27, 1942. She was evacuated on September 15, 1942.

In her declaration, she reported a quantity of effects left at the Japanese Community Hall, Chemainus, as follows: One Singer sewing machine, one box kitchen utensils and chinaware. These were shipped to her in May, 1942.

She also reported, one cupboard, 3 bureaux, 1 cookstove, 17 volumes of books, 4 beds, 4 tables and kitchen utensils left at House #2, Chemainus, in the possession of G. Kawahara (File 1746). On November 13, 1943, her husband requested shipment of a set of books, all the remaining kitchen utensils and the contents of the kitchen cabinet. At the same time the husband requested shipment of a quantity of tools, a table cover, blinds, curtain rods, a picture (with frame) and 3 coal-oil lamps, none of which had been declared by either husband or wife. From our records it is not clear whether shipment was made or not. If shipment was made, there remains unaccounted for 3 bureaux, 4 beds, 4 tables and a kitchen range, as one cupboard, identified as the property of this woman was sold at auction on November 22, 1942, for the net sum of \$1.54, which was credited to her account.

In regard to the articles missing, while the inventory of chattels on the file of Gihei KAWAHARA is fairly extensive, no mention is made of articles found in House #2, but it is possible that the chattels of Mrs. TANOUYE were among those inventoried in connection with the property of Gihei KAWAHARA. It is quite probable that chattels unaccounted for were discarded as valueless and that the cupboard was the only saleable item left by Mrs. TANOUYE.

This file reveals no other property.

This summary is certified to be in accordance with information on file.

Dear Madam: 9

Attached is Custodian cheque for the sum of \$1.54 representing all the funds standing to your credit in this office.

In your Declaration to the Custodian you reported a quantity of chattels left at Chemainus. Of these chattels the most valuable were shipped to you. The saleable articles remaining were sold for the net sum of \$1.54, which is remitted to you herewith.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian and in order that you may confirm this and acknowledge the cheque, we enclose a stamped, addressed envelope for your convenience in replying.

Yours truly,

MEMORANDUM

File No. 1746

February 2nd, 1946.

Re: Itsu TANOUYE, Reg. No. 08545,
File No. 6587

This woman reported - one cupboard, three bureaus, one cook stove, 17 volumes of books, four beds, four tables and an unspecified quantity of kitchen utensils, left in the possession of Gihei KAWAHARA at house No. 2 Chemainus.

On November 13, 1943 her husband requested shipment of a set of books, all the remaining kitchen utensils and the contents of kitchen cabinet as well as some tools and other articles which had not been entered. Our records are not clear as to whether shipment was made or not.

If shipment was made, there are still unaccounted for: three bureaus, four beds, four tables and a kitchen range, as a cupboard identified as this woman's property was sold at auction at Chemainus.

Since it appears likely that the chattels of Mrs. Tanouye were among the chattels inventoried on File No. 1746, this information is placed on the file of Gihei KAWAHARA for the attention of the person administering that file.
