Mr. Torakuma YANOSHITA,
Registration No. 14544,
P.O. Box 216,
Coaldale, Alta.

Dear Sir:

We have received your enquiry regarding the disposal of a G.M.C. 2½ ton truck, and we are attaching hereto a copy of the Pacific Co-operative Union statement setting out details according to their records. From this statement you will note the sale price was $1600.00, of which $1060.00 was paid to the Finance Company. The sum of $202.57 was charged to your account regarding Mrs. Ford's rent and freight on a shipment to you, and the balance of $338.23 was remitted to this office.

Of this balance, it was definitely established that the 80¢ credit was accrued interest on a United Farmers Co-operative share belonging to you, but the actual balance relative to the truck in the amount of $337.43 should be credited to the account of your son, Tatsuo, pending acknowledgment, as the truck was registered in his name, and this sum still remains to his credit at this office. It is available to either yourself or Tatsuo if you will send to this office a request for the funds signed by both of you, advising to whom the funds should actually go.

We trust you will understand the position of the funds and that this has cleared up the matter for you satisfactorily.

Yours truly,

W.E. Anderson,

Dear Sir:

Replying to the many letters being received concerning the $200 to Tosaichi Endo being a definite mistake. I cannot recall of anything related to that matter.

So please inform T. Endo that if he has anything in reference I'd like a personal letter from him stating just exactly what the charge is for.

Dear Sir:

Re: Your 1941 G.M.C. Truck and
The Pacific Co-operative Union T-188

Further to our letter dated May 13th in connection with your 1941 G. M. C. truck, we have received on your behalf further information from the Pacific Co-operative Union which in summary reads as follows:

"Truck Sale realized $1,600.00
Interest on P. C. U. Share .80
Total credit with P. C. U. $1,600.80

Paid to Finance Company $1,060.00
Paid to Mrs. M. Fore for rent $200.00
Paid to C. P. R. for freight 2.57 202.57
Cheque sent to us and credited to his account 337.43
Plus interest on share .80 338.23
$1,600.80 "

In addition to the $337.43 net remaining through sale of the truck, you were credited also with 80¢ covering interest on a share, but we have now received from the Pacific Co-operative Union a claim against you of $4.45 covering freight paid to the C. P. R. and now charged by the Pacific Co-operative Union to your account. We would appreciate your advising us whether or not you agree with the correctness of the amount claimed.

We have questioned the Pacific Co-operative Union regarding your account and are informed that it covers not only your own account but the account of your father, Torakuma Yanoshita, and that the arrangement of having both your account and your father's account jointly on the books of the Pacific Co-operative Union under the one heading "T. Yanoshita" was approved, according to the Pacific Co-operative Union, by you and your father. Please confirm.

Re: Tatsuo YANOSHITA #13250
