Dear Sir:

Re: Estate TOICHI YOSHIKAWA

I refer to your letter of May 29th, last, with respect to the herein estate. You referred therein to one, Kanekichi Furugori, who was allegedly a friend of the deceased, and who lived in New Denver, B. C. It was further indicated that Furugori was asked to look after the effects of the deceased for his son.

In this respect, I am enclosing a copy of a letter which was addressed to Furugori on June 3rd, last. To date, no reply to this letter has been received.

The administration of this estate is now practically completed with the exception of learning whether Mr. Furugori has in his possession any effects of the deceased.

Perhaps you would be willing to make an attempt to obtain this information for me from Mr. Furugori.

Yours truly,

Mr. Kanakichi FURUGORI,
Registration No. 10756,

SLOCAN, B. C.

Dear Sir:

Our records show that the sum of \$55.00 is standing to your credit in this office.

This sum was derived from the sale of fishing line and a cohee net left by you at Beaver Cannery, Rivers Inlet.

According to information supplied to this office, a fishing vessel was sold by you through the Japanese Fishing Vessels Disposal Committee, and the net proceeds of this sale, in the amount of \$294.50, was paid to you by the Committee on August 19, 1942.

The Victory Bond, which you declared, was in your own possession at the time of your declaration. This did not come under the control of this office.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian, and, in order that you may confirm this, we enclose a stamped, addressed envelope for your convenience in replying.

Yours truly,

Enclosure

PERSONAL PROPERTY SUMMARY

File No. 7018

Kanekichi FURUGORI

Reg. No. 10756

In his declaration to the Custodian, April 30, 1942, this man declared the following:

Chattels: Kitchen utensils, tools, stove, etc. valued at \$50.00, left at Beaver Cannery bunkhouse, Rivers Inlet, B. C. On April 15, 1942, this office instructed the Union Steamship Co. to call at Rivers Inlet to accept a small shipment of clothing belonging to this man, stating that it would not be necessary to get a Custodian release for this shipment. Nothing further appears on the file in regard to this. It is probable that the smaller articles belonging to this man were shipped to him and possible that all his effects were shipped. He may have sold some of his effects without reference to this office. In any case, the value of his belongings was not high, and there appears to be no possibility whatever of anything of value being at Beaver Cannery at this date.

Fishing gear: Fishing line and coho nets (no number given) valued at \$225.00, at Beaver Cannery. According to letter of J.H. Todd & Sons on this file, C.P. Leckie placed a value of \$65.00 on the dogfish gear (line). The names of five Japanese appeared on this gear, and when, in February 23, 1943, this gear was sold for the sum of \$25.00, this money was divided equally among the five. This gear was sold at the price shown because this was the best offer received and further delay would mean that the gear would be unsaleable. A coho net belonging to this man was sold in 1942, for the sum of \$50.00, which was the value placed on this by C. P. Leckie. The two sums, \$5.00 and \$50.00, were credited to the account of Kanekichi FURUGORI.

Bonds: One \$50.00 Victory Bond, in declarant's possession, was reported. This did not come under the control of the Custodian.

Vessel: This man did not declare a vessel, but the records of the Japanese Fishing Vessels Disposal Committee give the information contained in the Vessels Summary, which shows that a vessel owned by him was sold through the Committee and the net proceeds of this sale was paid to him direct on August 19, 1942, in the amount of \$294.50.

This file reveals no other personal property of any kind.

No real property interest is shown in this file.

This summary is certified to be
in accordance with information
on file.

Dear Sir:

Re: Kanekichi Furugori Registration No. 10756,
We have contacted the Manager Of Beaver Cannery and he states that the Navy took over the personal effects of all Japanese at that plant. The kitchen utensils that were at Beaver were only a few pots and pans, which due to their rusted condition were thrown away for junk, other than these few odd items, no other equipment is at the plant other than Company property.

If further information is required will you please address the letter, attention Mr. G. Johnston, as he will be more than pleased to supply you with any information.
