Re: Kane (Mrs. Mitsugu) IMADA, Reg. 01015

CHATELS:

Mrs. Mitsugu IMADA declared that her household furniture, kitchen utensils, chinaware were left in Kanetoshi MORIOKA'S house, R. R. #1, New Westminster. There were two houses on this property and it was not until May 8th, 1944 that she advised the Custodian in which house her goods were stored. On that date she advised that the bulk of her effects were left in the old house and some in the new one. Although, our fieldmen made an inventory of effects found in both houses on October 8th, 1942, under the name of K. MORIOKA, the file does not reveal that this old house was ever occupied after the Japanese left.

All saleable chattels found in both houses were sold at auction on February 9th, 1944 or to the tenant on May 5th, 1944, and the sales proceeds were credited to K. MORIOKA, file 6903. A Dalton Adding machine was the only item positively identified as Mrs. IMADA'S property and the proceeds, \$12.07 was transferred to her account.

Mrs. IMADA and Mr. MORIOKA were requested on March 19th, 1946 to try and make a mutual arrangement in regard to any credit coming to her from the proceeds of effects sold to the account of K. MORIOKA.

RECEIVABLE:

Mrs. IMADA registered a claim of \$200.00 against K. NAKASHIMA, File 10249, but although the claim was admitted by him to the B. C. Security Commission, his file reveals a large number of other claims against him. Mrs. IMADA was notified that the Custodian would take no further action in the matter.

No property interests other than those mentioned above are found on this file.

CHATTEL SUMMARY

File 7533

April 23rd, 1946.

Re: Eise (Mrs. Mitsuru) IMADA, Reg. 07015.

The above person made her declaration to the Custodian on May 4th, 1942 and was evacuated on May 15th, 1942.

She declared that she had left certain personal property in the house of Mr. Kanetoshi MORIOKA, corner of Townline and Unwin Roads, Surrey, File 6903. There were two houses on the property, a new and an old house and Mrs. IMADA'S declaration did not indicate which of these contained her possessions.

She declared her effects in general terms only and our fieldmen, when checking the chattels of K. MORIOKA, on October 8th, 1942, inventoried everything in the name of MORIOKA, including those contained in the old house. There is no evidence on either File 6903 or File 7533 that this house was occupied.

In response to Mr. Green's letter of March 15th, 1944, advising her that goods belonging to Mrs. IMADA could be identified amongst those of MORIOKA'S, she replied on May 8th, 1944 and gave a list of goods which she stated were in two separate houses. She admitted however, those those in the new house were not marked with her name and asked for shipment of some of these goods, but she was advised however, on June 26th, 1944 that all saleable Japanese effects found in the MORIOKA place had been sold.

On February 9th, 1944 all saleable Japanese goods found in the two houses were sold at auction, realizing the net sum of \$461.35. Additionally, certain effects were sold to the tenant on the property (Mr. McWilliams) on May 4th, 1944 for \$67.50, both these amounts being credited to Kanetoshi MORIOKA. Although, a hand wringer and three stoves were sold and the proceeds credited to MORIOKA, and the inventory of effects found in the old house includes a wringer and stove, we cannot positively identify them as Mrs. IMADA'S from her letter of May 8th, 1944.

An adding machine however, the sale of which was credited to MORIOKA, was transferred to Mrs. IMADA as it was listed as hers in her letter of May 8th, 1944 and the net sales value \$12.07 remains to her credit.

On April 9th, 1946 both Kanetoshi MORIOKA and Mrs. IMADA were notified that the proceeds from the sale of goods removed from the two houses had been credited to K. MORIOKA, with the exception of the adding machine. It was suggested that they arrive at a mutual agreement as to the distribution of the credit, and in regard to anything that appears to belong to Mrs. IMADA.

Mrs. IMADA, on April 9th, 1946 requested that we forward her the sum of \$12.07, the proceeds from the sale of her adding machine and as she did not refer to any other effects, we assume she is agreeable to an agreement with Mr. MORIOKA in regard to the sale of effects.

This summary is certified to be in accordance with the information on file.

Dear Sir:

We are in receipt of your letter of the 22nd ult. referring to the TANAKA claim of \$68.53, plus interest, against you, and we note that you admit it as correct but are unable to pay. We have so advised TANAKA through our Internee Dept.

It is noted too, that your wife has a claim against Katsuji NAKASHIMA for \$200.00. NAKASHIMA was notified of this some time ago by this office but has not replied. In looking over his file we find that he has a considerable amount in claims lodged against him, and the prospects for collection of your wife's claim are not very bright at the present time. However, we are writing to him again to-day about your wife's claim and also the others, and if and when we hear from him we shall advise her of what he has to say.

In the meantime we shall be obliged if you can make some payments to this office on the TANAKA and Nishiguchi Co. claims.

We shall expect further word from you in this regard at an early date.

Yours truly,

We submitted the above claim to NAKASHIMA for payment and after obtaining the assistance of the Supervisor of the B.C. Security Commission at the point of location the Supervisor reports that NAKASHIMA denies owing you any amount.

In view of this reply it is obvious that we can do nothing more and must leave the claim to you to deal with. His address is:

With reference to your letter of the 15th of March last, I beg to advise you that Mr. Morioka has two houses one being old and the other new building.

re: \$200.00 - Katsumi NAKASHIMA

We are in receipt of your letter of the 9th inst. relative to the above claim.

It seems evident from what you say that NAKASHIMA owes you this amount of \$200.00, and we are so reporting to him through the Supervisor of the B.C. Security Commission at Slocan. Should we receive any further word about this claim we shall advise you. However, it appears best to leave the adjustment of this account to be arranged between you and him, as you now have his present address.

In the meantime we shall take no further action, but shall be obliged if you will report any settlement arrived at so that we may make proper notation on our records.

Dear Sir:

re: Katsugi NAKASHIMA. Reg. No. 03261

Our previous efforts to obtain a response from NAKASHIMA regarding claims submitted directly to him having failed, and having received complete reply through your Supervisor at Slocan, suggests to us that we report through you in regard to No. 7 claim for \$200.00 lodged by Mrs. Kane INADA. NAKASHIMA denied owing anything to Mrs. INADA. We are now in receipt of a reply from her, from which we quote as follows:

"re - \$200.00 Katsugi Nakashima. Received your letter of April 29/44 which stated Nakashima denies owing any amount as proof of this claim, I have at hand a promissory note dated Feb'y 27/1937 this note was signed by K. Nakashima Jr. for Nakashima Sr. was ill at the time of the loan.

I also wrote Nakashima at Slocan, like you suggested and have yet to receive his reply."

It seems evident from what she says that NAKASHIMA is in error and really owes this amount.

Subsequent to the foregoing claim being submitted we wrote to NAKASHIMA regarding another claim of \$723.82 lodged by Mrs. Miki MORIYAMA, as per copy of our letter of the 24th ult. herewith. As it is not likely that he will answer this letter, we shall be obliged for your assistance in obtaining a proper response. Since writing to him, as per enclosure, we have received copy of a registered mortgage from him to Mrs. MORIYAMA, which is very indefinite as to description of the vessel covered.

A vessel belonging to NAKASHIMA by name of "K.N. 1624" has been sold, but we cannot tell if this is the same vessel referred to in the mortgage at hand, for lack of name and different measurements in the mortgage. Perhaps you could ascertain if NAKASHIMA had another vessel, besides the one sold and referred to above, on or about the 8th of February 1935 when the mortgage was given, or if "K.N. 1624" was the vessel that he mortgaged to Mrs. MORIYAMA.

We shall appreciate your further co-operation in obtaining a complete reply to the foregoing, and thanking you in advance, we remain,

Dear Madam:

Referring to your letter of February 9th, 1946 and your request that we give you a list of articles that belonged to you and were left on the farm formerly occupied by K. MORIOKA.

We would point out in reply that we wrote to you under date of March 15th, 1944 and pointed out that nothing could be identified on the MORIOKA property as belonging to you. You had not given the Custodian any specified information about your effects until May 8th, 1944 at which time all chattels on the MORIOKA farm had been removed and sold at auction, all the proceeds being placed to his credit. It was possible however, to identify your adding machine later and the net proceeds \$12.07 from the sale of this is now at your credit.

We suggest that you communicate with Mr. MORIOKA and reach an agreement whereby the proceeds from the sale of goods that appear to be yours will be paid to you by him. We have written Kanetoshi MORIOKA in this regard and suggested that he make an arrangement to reimburse you from the proceeds of sale credited to him.

Dear Sir:

We have received a communication from Mrs. Mitouga (Kane) IMADA, in regards to certain personal effects that she declared were left in the house of K. MORIOKA. Mrs. IMADA did not specify her goods, merely stating in general terms that she had household furniture, kitchenware etc.

However, in May 1944, she submitted a list of effects which she stated were not marked with her name and as we had already removed the personal goods subject to liquidation from your late residence and credited the proceeds from this sale to your account it was impossible to make any check. We may say further that the effects removed included those found in the old house.

We have written Mrs. IMADA and advised her of the foregoing and stated that we were only able to identify an adding machine as hers and suggested that she make an arrangement with you to reimburse her in regard to the value of any goods that may appear to be hers in the proceeds credited to your account.

Will you kindly co-operate with Mrs. IMADA in this respect and in the meantime we can hold the said proceeds pending this arrangement and advise from you.

We have a communication from Mr. MORIOKA in reference to effects left on the property at Townline and Unwin Roads.

We have already advised you that all the saleable effects were removed from this property including, those found in the various buildings. In the old house particularly, there were a great many things which were examined by our fieldmen, and considered that cost of removing them would be more than they could be sold for.

We have asked Mr. MORIOKA, to whom we have sent sales sheets showing proceeds of sales credited to his account, to arrive at some mutual agreement on the distribution of this credit.

Finally, we were only able to identify the sewing machine which you told us in your letter of May 8th, 1944 was yours. All other goods you described were similar in nature to those declared by Mr. MORIOKA.

Dear Madam:

In response to your request, we enclose herewith our cheque in the amount of \$12.07 representing the sales proceeds of your Adding Machine.

We take this opportunity of giving you a brief summary of your file file, which reveals that you declared having left certain household effects, which you stated, were left in the house of Kanetoshi MORIOKA. The Custodian advised you however, on March 15th, 1944 that we could identify nothing as belonging to you on Mr. MORIOKA'S property, and assumed that everything on that property belonged to him.

Although, you advised this office later that your effects were located in an old house and some in the new house on Mr. MORIOKA'S property and you requested us to ship certain articles, we advised you in reply on June 26th, 1944, that all saleable effects removed from there had been sold at auction on February 9th, 1944.

We advised you more fully of this on March 19th, 1946, suggesting that you make a suitable arrangement with Mr. MORIOKA in regard to the sales proceeds credited to him. As your Adding Machine could be identified amongst the goods sold, the proceeds were transferred to your account on June 30th, 1944.

It is noted that you declared a debt of \$200.00 was owing to you by A. HAKASHIMA. This was admitted by him. Although, the Custodian endeavored to collect this for you it was found that he had a large number of claims registered against him and there did not appear to be any prospects of collecting it and you were advised accordingly.

It would appear that we have as far as possible accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian and in order that you may confirm this and acknowledge our cheque we enclose a stamped addressed envelope for convenience in replying.

Yours truly,

W. J. Iverson,

Dear Madam:

Re: Katsui NAKASHIMA - Regn. No. 03261

Some time ago you filed a claim of \$200.00 against the above named. Mr. Nakashima admits this account is correct but has insufficient funds at this office with which to make settlement in full. A final distribution of his funds at this office is being made to his creditors and your share of this distribution amounting to \$83.85 is enclosed. Please acknowledge receipt.

The Custodian is taking no further action in the collection of this account. Should you wish to contact Mr. Nakashima direct, his present address is 629 Prince Arthur West, Montreal, Quebec.

Yours truly,

Office of the Custodian.
