Dear Sir:

We are writing to you regarding a box of books and pictures, and a globe of the world which are presently in Custodian Storage, having been removed from the Boyne Street School. Mrs. Kinue TANAKA has requested that these goods be sent to her, and we wrote to Messrs. Mitsugu IMAISHITA and Eijiro OHISHI, in July, regarding shipment to her.

On the 23rd October, Mr. Imaishita advised us that he was willing that these goods be shipped to her provided we received permission from Mr. Danji KAHANARA, Mr. Ichiji UHASO and yourself.

Would you please let us know as soon as possible if you agree that these goods should be shipped to Mrs Tanaka. For your convenience in replying, we are attaching a copy of this letter on which you may indicate your approval, and a stamped addressed envelope.

Yours truly,

W.J. Johnston,

Dear Sir:

Your file has been reviewed and the following is noted:

You declared on May 5th, 1942 that certain effects were left at 106 Mercer Street, New Westminster. An inventory of these was sent to you for confirmation. You, however, returned this and submitted a list of effects which did not agree with your original declaration. You had included a boiler and screen doors which were not removable and additional items which were not in evidence at the time the inventory was taken.

Your possessions were removed to our storage and subsequently sold at auction in accordance with Government regulations, realizing the net sum of \$48.79, this amount being placed to your credit. A carton of clothing remains in storage.

At your request your 620 Kodak Junior camera was mailed to you on June 11th, 1946.

On May 3rd, 1945 you requested us to pay the 1945 premium on your wife's Sun Life Assurance Company Policy #2122099 and accordingly, a cheque in the amount of \$48.79 was sent to this Company, leaving a balance of 27¢ owing on the premium which we asked you to pay direct. The aforesaid payment of \$48.79 closed your account.

Your Sun Life Assurance Company policies #85404, #637502 and #2268682 are in your own possession and have not been brought under the control of the Custodian.

You are in possession of \$70.00 of War Savings Certificates.

A remittance of \$6.55, representing a 1% wage deduction for the first six months of 1941, refunded by the Provincial Collector was sent to you on February 23rd, 1944.

A claim of \$2.44 was filed against you by the M. NISHIGUCHI Company Limited but you denied owing this and the Company was advised accordingly.

It would appear that we have accounted for all the property of every kind left by you in the Protected Area which vested in the Custodian and in order that you may confirm this we are enclosing a stamped addressed envelope.

Dear Sir:

Referring to that part of your letter dated May 25th in which you make inquiries about your belongings left at 106 Mercer Street, New Westminster, we find on looking over your file that you were advised at various times that some of these were found missing when our representatives called at the place to check on the chattels.

On September 4, 1942, in particular, we advised that a quantity of your chattels had been sent to 318 Boyne Street for storage, and comparing this list with our sales sheets, copy of which you have had, it would seem that everything was accounted for with the exception of five chairs, which were not found, and a crock which was broken.

We trust this will satisfactorily answer your inquiries.

Dear Sir:

We are in receipt of your letter of the 25th instant, and in reply to your request for the Sun Life Assurance Company receipt we wish to advise you that same must remain on your file in our office.

This is a regular procedure in connection with all Life Insurance premiums paid by us as we must have vouchers to substantiate all payments made from Evacuee accounts in our office. As stated in our letter of the 16th instant, however, you may verify our advice that the premium has been paid by writing to the Company.

We will be writing you further regarding your chattels in a few days.

Dear Mr. Johnston:

Re: Policy Nos. 885404-Masayuki

Yonezo Uyeda

We have received your letter of April 23rd enquiring about policies on the Uyeda family. According to our records, the above numbered policies are the ones to which you refer.

1 Policy No. 885,404: as at the last premium due date which was October 1, 1944, there was an automatic premium loan of \$76.99 outstanding plus the current net premium of \$35.61. Interest on the foregoing amounts will be payable at five per cent per annum until the date of payment. This policy is still in force and would carry through to maturity which is October 1, 1953, even if no further payments were made.

2 Policy No. 2,122,099: the current premium on this policy falls due on May 1st in the amount of \$54.45, less a dividend of \$5.49. This leaves \$49.06 required in cash to pay this premium. There is no indebtedness against this policy.

3 Policy No. 2,268,682: this policy is paid to date with the next premium falling due on February 1, 1946. There is no indebtedness against this policy.

Yours faithfully,

C. E. HAY,
BRANCH SECRETARY.

CHattel SUMMARY

File 7735

February 5th, 1946.

Re: Yonezo UYEDA, Reg. 08165

The above Japanese made his declaration to the Custodian on May 5th, 1942 and was evacuated on May 11th, 1942.

The declarant states that he left certain effects in the house and greenhouse at 106 Mercer Street, New Westminster. These were moved to our storage at 318 Bayne Street, New Westminster on May 19th, 1942 and an inventory prepared and sent to Yonezo UYEDA for confirmation. On August 11th, 1942 he returned this and stated this as being incorrect. He submitted instead a new list of his possessions. This however, does not differ very much from our inventory which is shown on the Chattel Schedule.

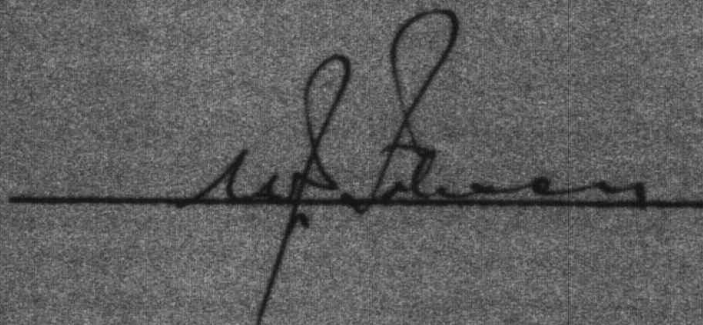

The actual differences between our inventory of May 19th, 1942 and UYEDA'S list of August 11th, 1942 are: (1) Bamboo food strainer, (2) Box stove, (3) Cement rice grinder, (4) 2 tables, (5) 2 spring doors, (6) boiler tank, (7) 40 flower pots. Of these items number 5 was a fixture, #6 was the usual Japanese bath tank. The other items were missing as of November 3rd, 1942 except 2 homemade tables which were left on the premises.

In addition 5 chairs and two tin buckets were not found identified in storage. All linoleum listed was in one roll.

Prior to our auctions of March 15th, 1944 and May 31st, 1944 the declarant's effects were removed from storage to our auction rooms at New Westminster and sold for the net sum of \$48.79, this amount being placed to the credit of Yonezo UYEDA. Except for the articles missing all articles are now accounted for. One carton of clothing remains in storage at the Buddhist Temple, New Westminster.

This summary is certified to be in accordance with the information on file.
