Mr. Tassaki HASHIMOTO,
Registration No. 06178,
Greenwood, B. C.

Dear Sir:

With further reference to your letter of May 16, 1946, we wish to advise you that our Mr. Iverson misinformed you in our letter dated May 22, 1946, regarding the disposition of funds received from the sale of chattels found on the premises formerly occupied by you, in-as-much as said funds were not credited to your account as at the date of his letter.

Although you did not declare owning any chattels in your JP Declaration Form dated May 3, 1942, we nevertheless credited your account with the proceeds received from the sale of furniture and effects found at No. 8 Mercer Street, now known as 312 Mercer Street, New Westminster, B. C. Subsequently, however, it was noted that your wife, Mrs. Tsuji Hashimoto, and your daughter-in-law, Mrs. Minoru Hashimoto, declared effects as having been left at the above address. After communicating with them it was agreed that the sum of \$61.03 should be transferred from your account as follows:

\$61.03 to Mrs. Tsuji Hashimoto's account No. 7738 and
\$20.00 to Mrs. Minoru Hashimoto's account No. 7742.

Therefore, the proceeds from the sale of furniture and effects found at the house formerly owned by you are not presently credited to your account.

In view of the above situation, if you wish the proceeds received from the sale of chattels declared by your wife, re-transferred to your account it will be necessary for Mrs. Tsuji Hashimoto to write us requesting us to do so.

Please let us hear from you as soon as possible regarding this matter in order that we may close your file.

Yours truly,

Dear Sir:

Re: Chisae HASHIMOTO,
Reg. No. 08409.

We have transferred to your account the sum of \$3.00, being 21% of your claim against Mrs. Hashimoto amounting to \$14.31. Although Mrs. Hashimoto acknowledged your claim, she also admitted three other claims and, in view of the small amount at the credit of Mrs. Hashimoto in the hands of the Custodian, these creditors have accepted a pro-rata payment of 21% in full settlement of their accounts.

The Custodian will have no further funds belonging to either Mr. or Mrs. Hashimoto and, if you wish to contact them, their address is:

Mrs. Tsuji HASHIMOTO,
Registration No. 08176,
QUEENSBORO, N.Y.

Dear Madam:

In accordance with the policy of the Federal Government in liquidating the effects of Japanese evacuees, we removed and sold at auction all the personal chattels found at 312 Mercer Street, Queensboro, (old number 8).

It was discovered however that many of the articles declared by you as being left at this address were similar to those declared by Mrs. Chiase Hashimoto, also left at this address. Mrs. Chiase Hashimoto stated in a letter dated March 19th, 1943, that she had left no property except a few cooking utensils, dishes and things left at #8, Mercer Street. We were unable therefore to identify and credit the sales proceeds to the various people accurately.

Under the circumstances all proceeds were credited to the account of your husband, Tasaku Hashimoto, for the time being. In order to straighten out the ownership of these effects we sent your husband copies of our sales sheets on July 4th, 1945, asking him to separate those items belonging to yourself or Mrs. Chiase Hashimoto. We shall appreciate a speedy reply to our request, and to expedite matters your husband can simply state the following:

1. Items on your sales sheets dated 30/8/44 to the value of \$^{61.13} were the property of Mrs. Tsuji Hashimoto.
2. Items to the value of \$^{26.40} were the property of Mrs. Chiase Hashimoto.

Attention: Mr. Green.

Dear Sir:-

Your letter of Sept. 24th received. You will find enclosed a number of lists of Japanese and a letter dated May 19th asking us to arrange for the moving and storage of these effects. In a great many cases all it was necessary for us to do was to check with the Japanese Committee on this end and locate where the different parcels of effects were stored.

As you will note by the pencil notations on the lists this entailed a great deal of work because very frequently we found the given address to be occupied by a different family or entirely vacant. We would then have to contact the Japanese Committee and endeavour to locate the missing furniture.

None of the articles belonging to these particular Japanese were moved by Belyea & Co. and for that reason you have no record of our work other than our invoice for services rendered and the enclosed lists which we would ask you to kindly return as they may be of value to us later on.

You will note, also that on some of the lists appear the names of the Westminster Trust and McLeods. The reason for this is that the three offices held a meeting and divided the lists so that they could be worked out with a minimum of expense.

We did not check all these chattels against the lists sent to us as we pointed out to your Messrs. Reed, Shears, and Alexander at a meeting held in your office that this was impossible and they agreed that it was not necessary. What we did was to determine that the articles were positively located and securely locked away.

Trusting this is the required information,

Yours very truly,

Re: Chisae (Mrs. Minoru) HASHIMOTO, Reg. 08409 &
Minoru HASHIMOTO, Reg. 08325.

Chisae Hashimoto
The declarants listed personal effects that were also identically declared by the mother (Mrs. Tsuji HASHIMOTO, File 7738). Mrs. Chisae HASHIMOTO admitted on March 19th, 1942 however, that she had no property except a few cooking utensils, dishes and things left at 8 Mercer Street (now 312) and therefore, when the chattels were removed to auction from this address the sales proceeds were credited to Tasaku HASHIMOTO, husband of Tsuji HASHIMOTO in whose house the effects were located. Due to our inability to identify any of Mrs. Chisae HASHIMOTO'S effects Mrs. Tsuji was asked to do so and her letter of January 10th, 1946 she apportioned the value of \$20.00 to Chisae HASHIMOTO.

One box of dishes was shipped by the B. C. Security Commission on September 27th, 1943.

The chattels belonging to the above Japanese persons are therefore, all accounted for.

This summary is certified to be
