It will be noted that the list of chattels signed by TERAKAWA under date of November 20th, 1942, does not entirely agree with the declaration on his J.P. form, but for purposes of liquidation we have used the signed list.

Effects of subject Japanese are all accounted for herein and the file may now be closed insofar as chattels are concerned.

CHattel SUMMARY

File No. 7842

October 30th, 1945.

Re: Sadako (Mrs. Tadaji) TERAKAWA  
Reg. No. 08503

In her declaration to the Custodian, on May 6th, 1942, this woman stated that she was the owner of a quantity of chattels stored at 148 East Columbia Street, New Westminster, as shown in Chattels Schedule.

On November 20th, 1942, the Custodian representative took an inventory of chattels, identified as the property of this woman, stored at 148 East Columbia Street, and a copy of this inventory was sent to Mrs. Terakawa. On November 30th, 1942, the inventory was returned to this office with the statement to the effect that this represented all chattels remaining in the protected area, bearing the signature of Tadaji Terakawa, husband of this woman.

At the time of inventory certain tools and some of the household effects declared by Mrs. Terakawa could not be found. As this woman has not inquired about these articles and as her husband accepted our inventory as covering all chattels in the protected area, we can assume that the missing items were disposed of by either Mrs. Terakawa or her husband prior to evacuation.

All articles inventoried have been sold, with the exception of two beds, one mattress and two bed-springs, which were abandoned as having no saleable value. The net proceeds of articles sold amounted to \$64.58, which was credited to the account of Mrs. Terakawa.

The pressing equipment, at Mrs. Terakawa's request, was stored with Belyea & Company, New Westminster, on May 4th, 1944. On January 23rd, 1945 this office paid from Mrs. Terakawa's account at her request, cartage and storage charges (May 4/44 to Feb. 4/45) in the amount of \$16.00. This pressing equipment was sold on September 27th, 1945 for the sum of \$400.00, which was the price set on the equipment by Mrs. Terakawa. From this sum outstanding storage charges of \$8.00 were paid to Belyea & Company on October 5th, 1945.

Prior to the sale of the pressing equipment, this office reported to Mrs. Terakawa on the administration of her affairs, and sent her the funds standing to her credit at that time, August 6th, 1945. On August 31st, 1945, we received an acknowledgement from Mrs. Terakawa requesting shipment of a green box which was one of the three boxes referred to in the inventory, the other being a violin belonging to Hiroshi Terakawa, File No. 2361 and shipped to him on April 30th, 1945. The remaining box contained the kitchenware referred to by Mrs. Terakawa on April 4th, 1944. The green box is in the Buddhist Temple in New Westminster, and it contains only a few kneeling cushions and pieces of clothing. On October 11th, 1945 we advised her that the contents did not appear to be worth the cost of shipping. As no reply has been received it would appear that she has decided against having this box shipped and we have therefore discarded it.

This summary is certified to be in  
accordance with information on file.

Dear Madam:

When you registered with the Custodian,  
you declared ownership of a Chevrolet car and a  
1941 Marconi radio, both in the custody of the  
Royal Canadian Mounted Police.

The car was in the name of your husband,  
Tadaji TERAKAWA, and the proceeds from the sale of  
this car have been credited to his account, as he  
was advised in 1943.

We have no record of the Marconi radio,  
and we would be pleased if you would send us a copy  
of the receipt you received from the police when the  
radio was surrendered, so that we may trace this  
radio.

*See letter June 9/45

Dear Madam:

We thank you for your letter of the 2nd instant enclosing warehouse receipt No. 1257 for your cleaning and pressing outfit stored in the warehouse of Belyea & Co. at New Westminster. This complete outfit was sold for the net sum of \$400.00. Storage charges amounting to \$8.00 were paid to Belyea & Co. leaving a balance of \$392.00, which was credited to your account. Custodian cheque in this amount is enclosed.

You have already been advised in regard to the green box which you asked us to forward. As this was found to contain only two kneeling cushions and some remnants of cloth, we propose discarding this, but if you wish these forwarded please send sufficient money for the cost of mailing by parcel post.

The Custodian wrote you under date of August 6th, 1945, giving you particulars of the administration of your affairs up to that date. Since then your cleaning and pressing outfit has been sold, and it would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian, and in order that you may confirm this and acknowledge the cheque, we are enclosing a stamped addressed envelope for convenience in replying.

Dear Madam:

In response to your recent request we attach hereto our cheque in the amount of \$48.58. This is your entire credit balance with us and this remittance closes your account.

As the chattel list dated Nov. 20th, 1942, and signed by your husband, does not agree with the list you have declared, we have dealt with the acknowledged list of chattels signed by him.

Your pressing equipment is stored at Belyea's as requested by you in your letter of April 4th, 1944. The charges on this up to February 4th, 1945, amounted to \$16.00 and this sum has been charged against your account. We have notified Belyea's to bill you direct for all future storage charges.

Your other chattels were sold at auction as per sales sheets enclosed herewith, the net proceeds being \$64.58. From this we have taken the \$16.00 storage charges, leaving your balance at \$48.58. The beds and mattresses were abandoned due to their poor condition.

The 1936 Chevrolet car was sold and the proceeds credited to your husband as the car was registered in his name.

You declared a radio, but your husband in a letter dated June 9th, 1945, acknowledged that you did not have a radio.

The violin was identified as belonging to Mr. Hiroshi Terakawa, and was shipped to him.

It would appear that we have accounted for all the property of every kind left by you in the protected area which vested in the Custodian and in order that you may confirm this and acknowledge

GUELPH, Ont.

Dear Madam:

We thank you for yours of August 21st in which you ask us to forward by freight a green wooden box now in storage. In view of our having remitted to you, however, the total of your credit with us, it will be necessary for you to send us sufficient funds to cover the forwarding charges. We should estimate these to be in the neighbourhood of \$10.00, and if you will send us this amount, we shall be pleased to make the shipment.

With respect to the pressing machine, etc., if you wish us to dispose of this equipment to the best advantage, will you kindly so advise. We note that it was appraised in 1944 at \$475.00, but whether this valuation would hold now we cannot say.

Yours truly,

W. J. Iverson

Dear Sirs:

Re: Tadao TERAKAWA, #06500

Referring to yours of January 3rd re the above. The pressing machine was declared by his wife, Mrs. Sadako Terakawa and at her request is stored at Balyea warehouse, New Westminster.

This machine is manufactured by Stein & Co., Chicago and is known as a National Cleaner & Presser. It was appraised a year ago and valued at \$475.00 complete.

We presume Mrs. Terakawa is paying the storage charges.

When communicating with your New Denver office, will you kindly ask them to inform Mrs. Terakawa that her steam iron has been located and is available, if required?

Yours truly,

W.J. Iverson,

Dear Madam:

Thank you for your letter of May 7th. The Pressing Machine has been stored at Belyea and Company Warehouse, New Westminster, in your name and under warehouse receipt No. 1257.

We regret that no such iron as the one you described has been disclosed.

We still have in storage a green box of clothing and Japanese dishes. Do you suppose it might be in this?

We will endeavor to ship the Violin shortly, it was not forwarded before, as advised, as it was found to be right at the bottom of numerous packages and difficult to get at.

By the way, Dr. KUMAGAI wishes to donate some Japanese books to the Sanatorium in New Denver. We have a carton of books belonging to you in storage, would you agree, in common with other Japanese, to pass these on to Dr. KUMAGAI who will pay transportation charges?

Yours truly,

W. J. Iverson
