Dear Sir,

We duly received your letter of the 16th ultimo,
requesting the remittance of \$150.00, representing the total amount
standing at the credit of your account.

As you are a resident of a B. C. Security Commission
Interior Housing project your request was passed on to the Commission
for their approval and we are now in receipt of their reply reading:

"This man's average earnings amount to \$100.00
per month which we consider quite sufficient for his needs.
We, therefore, cannot recommend that any remittance be made
to him at this time."

If you wish to follow up this matter will you please do
so through your local B. C. Security Commission Supervisor, who will
give your request sympathetic consideration and will also facilitate
legitimate payments.

Dear Sir:

We wish to acknowledge receipt of your letter of the 16th inst. requesting that we forward to you the sum of \$150.00 from your credit balance with the Custodian.

For your information requests for payments such as yours are being referred to the B.C. Security Commission, and the amount you asked for has been considered by them.

They advise us that they are not prepared to approve this payment being made as they consider that your wages are sufficient to support your family, and that it is desirable to retain the amount which we now have at your credit for your later use. We wish you to understand that the funds we have on hand are being held to the credit of your account, and we will be pleased to release same at any time the Commission may approve of further amounts being remitted.

We would suggest that you may wish to discuss this matter with your Supervisor at your location and obtain any further information you desire from him.

Yours truly,

Attention: Major McAlister

Dear Sirs:

re: Cameron Lake Logging Co. Ltd.

We enclose herewith cheque in the sum of \$185.65. This cheque contains certain wages due to Japanese formerly at Cameron Lake Logging Co. Ltd. for services rendered during the month of January, 1942. It also includes the sum of \$150.00 for Mr. Hideo Terakita covering the month of February, 1942. We understand that Mr. Terakita's registration Number is 07298, file number 8016, and that he registered a claim for this amount with your Claims Dept.

^{Mar. 44?}
Under date of 7th May you lodged a claim with us in respect of Masao Terakita amounting to \$400.00 in respect of remuneration for the months of January and February, 1942. This amount passed through the books to the credit of Mr. Terakita but in view of the fact that Mr. Terakita is indebted to the company for considerably more than this amount, we have applied this amount on his balance and would ask you to be good enough to advise Mr. Terakita accordingly. We would point out that Mr. Terakita is a shareholder in Cameron Lake Logging Co. Ltd. and that we shall be making a final report to the Custodian within the course of the next few days. It may be that as a result of our report there will be funds available to distribute to Mr. Terakita in his capacity as shareholder in excess of the amount of his indebtedness to the company.

Yours faithfully,

Dear Sir:

With reference to your tender on Car #V24 which was rejected. All tenders received on this particular car were too low and subsequently were rejected. Therefore, if you are still interested in this car, I would be happy to consider a further bid from you at your earliest convenience.

Dear Sir:

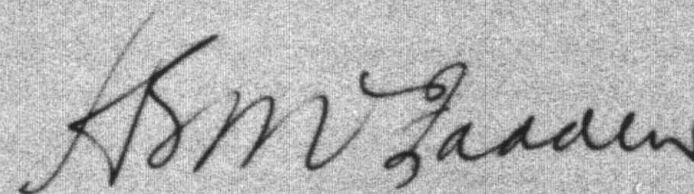

Re: 15 V 17976 - M. H. Terakita - Corfield
Your File No. V-24

Referring to the writer's conversation with you yesterday, will you please advise us if you are now prepared to release the car catalogued under the above number, a 1938 Ford Deluxe Sedan, which, we are informed, is stored at the Empress Garage, Victoria. As we have previously advised you, we have a lien against this car for a balance of \$362.60 principal plus accumulated interest on arrears of \$4.50, a total lien at this time amounting to \$367.10.

We understand that you have not succeeded in disposing of this car for sufficient to satisfy the appraised value which you have placed on the car. We might point out that if the car is to be released to us in order to give us an opportunity of satisfying our lien, we feel that in justice to ourselves we should be given the opportunity of taking possession of the car immediately, as the chances of selling the car are diminishing day by day, and the storage against the car is mounting up.

Will you please also let us know upon what conditions you are or will be prepared to release the car to us.

Yours truly,

Collection Manager

Dear Sirs:

Re: M. H. Terakita & M. & H. Maeda.

I regret that your previous letters in connection with the above named have not been answered before.

The truck belonging to Maeda is at present held at Port Moody, and is advertised for sale in the recent catalogue put out by the Custodian.

The car formerly owned by Terakita is our number V-24, and is advertised for sale in the same catalogue, in the Victoria district.

Your liens have been recorded in both these cases, and tenders on these vehicles will be considered in relation to the liens. You will be promptly advised of the disposal of these motor vehicles.

Yours faithfully,

Edgar T. Read.

When the writer was speaking to you earlier this month, you advised that we would be notified of any dispossession made of the two cars referred to above within a few days of the 25th when you were to open any tenders received. We have not yet heard from you and will appreciate your advice as to whether these cars were sold or if we are to be permitted to take possession of them.

Dear Sir:

We have written you on several occasions re two cars that were seized by the mounted police and which, we understand, are still in your possessions. The reference is your file 412 M. H. Terakita and M. & H. Maeda.

We gave you full particulars of these two cars in our letter of April 10th last and we feel that you should be able to advise us at this time what you propose to do with these cars. They are not, of course, improving in value but if anything are depreciating and if we have to take the cars back and sell them we would like to have them as soon as we can to get as much as possible out of them. We believe you will appreciate our position, and hope you will be good enough to advise us at an early date what is going to be done.

Yours truly,

Dear Sir:

Note 15 V 17976 - M. H. Terakita
(Corfield Motors Limited)

Further to our conversation on the phone today, we are interested in a 1938 Ford Deluxe Fordor serial H 1096 under a Conditional Sales Contract dated January 7, 1941 covering the balance of the purchase of this car, which Mickey Hides Terakita purchased from Corfield Motors Limited of Courtenay, B.C.. The contract was assigned to us by Corfield Motors Limited and registered in Victoria on January 11, 1941 No. 144574. The balance outstanding on our contract at this date is \$362.60. Terakita is in default under the terms of this contract and ordinarily speaking we have the right to seize the car under a distress warrant from Terakita.

We understand this car is now in the possession of the Custodian of Japanese property and we would appreciate your advices as to what procedure we may follow to gain possession of this car under our Conditional Sales Contract.

Yours truly,

Dear Sir:

Re: 1938 Ford Deluxe Fordor, serial H1096

We understand you took possession of the above car from Mickey H. Terakita of Coombs, B. C. and that it is now in Victoria under your jurisdiction. We have a lien on this car which is registered in Victoria under the Conditional Sales Act of this province as # 144574 - January 11, 1941.

Will you please be good enough to advise us what the procedure is to be as we have a considerable amount of money owed to us on this motor vehicle.
