Dear Sir:

I am enclosing with this letter, the receipt for the camera, Kodak 6/20 Series 3, which I wish to claim. I have sent it to the R. C. M. P. previously but was informed to write to you.

Also I wish to claim for the following list of things which was not given me a fair market value.

1937 Plymouth Sedan this car has been throughly overhauled since I got it. The motor overhauled and car repainted, twin horn installed, seal beam headlight and relay installed, new king pins installed. The car cost me \$1,000.00 for which I used a little over a year. It was sold by the Custodian for sum of \$350.00 of which I received \$300.00, less than half of the prevailing market value without the improvement put on the car.

Also the house which I owned in Cumberland was a five room house which I estimated the value about \$1000.00, have been sold by the Custodian for the sum of \$15.00 the property is owned by the C. C. P. Ltd. of Cumberland, B. C. I believe the sum of \$15.00 does not pay for the windows alone in the said house. I have only listed the article handled by the Custodian, the rest was sold by me at a sacrifice due to forced sale. If any claims as this is covered please notify me. I cannot go to Vancouver or Nelson or Kamloops due to the remoteness of where I am living now, so could you look after these matter there, without my presence.

The Information set out in form above is correct and true to the best of my knowledge and I make this solemn declaration conscientiously believing to be true. I thank you.

Yours truly,

Dear Sir:

Replying to your letter of the 30th of March, 1943, as requested therein, we have paid the claim lodged against you by the Inspector of Income Tax, amounting to \$4.92.

The premiums on your Life Insurance have also been paid as requested.

We have still got a claim lodged by M. Ebisuzaki Co., for \$1.75, against Uchida, Coombs, B. C. You state that you have no other debts. As you and your brother are the only Uchidas with the correct address we would ask you to kindly inform us if this claim is against your brother, or, if not, do you know what person it is against. There could not have been very many of the same name at Coombs, B. C.

With regard to your request for the balance of your account. We are passing your letter to the department concerned and you will doubtless hear from them. In the meantime we are retaining a few dollars until such time as we straighten out the claim of M. Ebisuzaki Co.

Dear Sir:

The Custodian is pleased to inform you that arrangements have now been completed whereby Canadian Collieries (Dunsmuir) Limited, have taken over numerous houses on their properties that were at one time occupied by persons of the Japanese race.

As the Company owned the land, the right to use and occupy such buildings was contingent upon payment of a nominal rent. We are informed that the right of occupation and use of any structure on the land was to terminate if the occupier ceased to be an employee of the Company. The Corporation, however, agreed to pay an estimated salvage value for the buildings, and pursuant to the agreement, the Company's Inspection Engineer, along with our agent, appraised each building on the basis of its value to the Company, in connection with their building plan.

You occupied the building known as House No. 188, No. 5 Japanese Town, and the award fixed as aforesaid amounted to \$15.00. Your account has, therefore, been credited with this sum.

Dear Sir:

Re: Susumi UCHIDA
Mrs. Mino UCHIDA

Further to our Administration Department's letter of October 21 on these files, we have checked the JP forms and your reports and find that after the things sent to Mrs. Uchida had been accounted for, the remainder left in the house checked very closely with the list attached to the first registration of Susumi UCHIDA of April 17. The only things that do not appear to be accounted for are the tools (specified in the second registration of May 7 of Susumi Uchida as two cross cut saws, one sledge hammer) and the clothing.

Under these circumstances, we are not quite sure what comment to make on the fact that this house was broken into or whether to refer this to the Japanese. Have you any record of what things were taken away and can you kindly in any case get us a brief report from the local police.

Please accept our thanks for your report on Mrs. Mino Uchida and her son, Susumi Uchida. We note that Susumi Uchida claimed ownership of house No. 5 built on property belonging to the Canadian Collieries "D" Ltd. We understand that this house is now vacant and boarded up.

In their declaration to us, Mrs. Uchida does not claim any personal effects, although we hold a receipt for articles which were shipped to her on June 12. We presume that these are the goods which were declared by her son.

We thank you for the list of articles which were left in the house, these being of very little value.

Dear Sir,

Re Car V19.

At the time we tendered for this car we had intended same for our local Rabbi. Prior to receiving confirmation of same our Rabbi left the city and we are now unable therefore to purchase same. Not being able to replace him we are without anyone who is eligible to buy a car.

We have tendered \$45.00 on this car and \$41.00 on another and we are wondering if it would be possible to have our tender cancelled if possible without loss under the circumstances.

Yours very truly,

Ed M. Allen
