PERSONAL PROPERTY SUMMARY

File No. 8032

February 3, 1947

Re: Nakazo KAJI, Reg. No. 11092

This man signed a declaration to the Custodian on March 24, 1942. He was evacuated on June 29, 1942. He was repatriated on June 17, 1946.

In his declaration he reported a gas-boat, valued at \$875.00 in custody in the Fraser River, and stated that \$370.00 was owing to B. C. Packers Ltd. on this boat. The vessel reported is believed to be the "Tanami", Prince Rupert 601, which was sold by N. KAJI to B. C. Packers Ltd. through the Japanese Fishing Vessels Disposal Committee in March, 1942. The sales price shown in the Committee's records is \$485.00, although KAJI reported the boat to be valued at \$875.00. It would appear therefore that the \$370.00 due B. C. Packers Ltd. was taken into consideration at the time of the sale and that the \$485.00 covered KAJI's equity in the boat. As no claim for this sum has been received from B. C. Packers Ltd. it is evident that the debt of \$370.00 has been settled to the company's satisfaction. The net proceeds of the sale of the boat, \$476.75, was paid to KAJI by the Japanese Fishing Vessels Disposal Committee on March 28, 1942.

KAJI reported 3 tubs of Soy, 2 boxes, 2 trunks, one wash tub, one sewing machine but did not give the location of these. On May 16, 1942, KAJI requested shipment of these goods from Sunnyside Cannery, and on May 22, 1942, 16 pieces of goods were shipped from Sunnyside. Although the record is not complete it would seem that the shipment was released to KAJI, who was at the time in Hastings Park.

KAJI reported a Manufacturers Life Policy. This policy No. 796,097 was surrendered by KAJI and the cash surrender value of \$20.15 was paid in to the Custodian on June 8, 1946.

KAJI reported \$44.00 in War Savings Certificates in his own name, \$24.00 in War Savings Certificates in his wife's name and \$4.00 in War Savings Certificates in his daughter's name, all in his own possession. These were not brought under the control of the Custodian.

This file reveals no other property of any kind.

Receipt No. 252

The above Japanese national returned to Japan from

When he was being expatriated, he left a Manufacturers
Life Insurance policy No. 796,097 in your custody on the agreement
that you would remit the Yen equivalent of the net proceeds of the

It is already four years since he returned to Japan, but
so far he failed to hear from you in this connection, and he is
anxiously waiting to hear how soon he can expect the remittance.

I shall be appreciated, therefore, to hear from you in
this matter so that I will advise this man accordingly.

Reg. No. 11092,
Slocan, B. C.

Dear Sir:

With reference to your letter of January 14, 1946, requesting refund of expenses in connection with the impounding of the Vessel "TANAMI". We would advise that we have no record of a claim having been filed by you previously in this connection.

There is nothing in our records to show that you were among the men who brought vessels to Steveston at the time of the impounding. Claims filed with the Japanese Fishing Vessels Disposal Committee for refund of such expenses were paid through this office. Only sufficient funds were paid to this office to cover the claims filed with the Committee, and the Custodian is not in a position to deal with any further claims of this nature beyond placing on record the fact that such a claim has been filed.

Yours truly,

F. Matheson,
Protection Department.
