PERSONAL PROPERTY SUMMARY

File No. 8048

March 14/47

RE: Mrs. Toki KUROSAKI, Reg. No. 00994

This file reveals that Mrs. KUROSAKI owned no real property in any protected area of B.C. and did not carry any Fire Insurance.

CHATELS: Mrs. KUROSAKI made her declaration to the Custodian on May 7/42 and was evacuated on Sept. 11/42. She declared chattels as shown on the Chattel Schedule on file.

Mrs. KUROSAKI operated a barber shop at 206 Main St. and lived in the three rooms back of the shop. She continued to operate the shop until her evacuation.

We asked our agent, H.D. Campbell to look after the renting of this shop and the personal goods of Mrs. KUROSAKI. Just prior to her evacuation, Mrs. KUROSAKI gave Mr. Campbell a list of goods she intended to take with her. These are shown on the Chattel Schedule.

Goods were inventoried by the Custodian at 206 Main St. on May 29/43 as shown on Schedule, and moved to 604 E. Cordova St. Certain articles were left with the tenant, but these were picked up on Jan. 31/45 and sent to Willards Auction. Chattels were sold at auction as shown on Schedule for the net sum of \$60.41 and this sum credited to the account of Mrs.

KUROSAKI. The following goods inventoried by the Custodian in her name are missing:

1 wardrobe	1 bed, rails and spring	1 barber chair.
1 bureau	1 coal pail	

It is possible the bed may have been discarded as of no value. The barber chair may have been the one sold in Van. auction #40 and credited to File 13413. I do not know why this barber chair was allowed to remain in File 13413 as that person declared no chattels, in fact refused to make any declaration whatsoever. However she is now deceased and the money has been paid to the Department of Labour for funeral expenses.

A large number of articles as shown on the Schedule, were not found by the Custodian. It is quite likely that she took a large number of these with her. Before her repatriation she gave us a list of goods still remaining in the protected area and the only ones on that list not accounted for by the Custodian are the following:

double bed	hot water tank	barber chair
1 barber mirror	electric hair dryer	glass doll case

No property interests other than those mentioned above are found on this file.

The above summary is certified to be in accordance with the information on file.

RE - KUROSAKI, TOKI (MRS. TORAKICHI),

206 Main Street, Vancouver, B. C., - 00994.

1. I have today inspected the property and investigated the circumstances in connection with the above declarant.
2. Mrs. Kurosaki operates a Barber Shop at the above address, being herself the operator. The business is apparently owned by her entirely.
3. The business is located on the ground floor of the building at the above address which is of frame construction, the Barber Shop being at the front, the three rooms behind being the living quarters.
4. She confirms the fact that the rent is \$25.00 a month and is paid to the end of May.
5. As Mrs. Kurosaki is still operating, I have not checked the inventory item for item - a casual inspection shows it is generally correct.
6. Mrs. Kurosaki has had no instructions regarding evacuation and has made no plans whatsoever with regard to leaving the protected area. She advises me that she intends to continue in business as long as she is permitted.
7. I have instructed her to advise me prior to the date of evacuation, at the same time depositing the keys to the property with me.
8. As she is continuing in business, which apparently is necessary for her existence, she is making no effort to dispose of the equipment and apparently will leave it behind in the hands of the Custodian, together with her personal property. My tentative suggestion would be that we store the personal property and dispose of the fixtures as and when she is evacuated. However, I will report again and make definite recommendations when the property actually comes under my control.

Vancouver, B. C.

Attention Mr. G. D. Milsom.

Dear Sir:

Re: KUROSAKI, Mrs. Torakichi.

Mrs. Kurosaki, who is a barber by trade is being evacuated today. My investigator has obtained a list from her of the articles which she is taking with her which I have had incorporated in a letter from her to myself.

This letter also incorporates a request from her to rent the remaining articles, which consist of the main portion of the barber shop equipment on their present premises. I believe this is possible and am endeavouring to obtain a lessee. The rent of the chattels will, of course, be more or less nominal, but inasmuch as she has requested and it will avoid further storage costs it would appear to be the best solution of the situation.

Mrs. Kurosaki is mainly interested in maintaining her location and has advised me in her letter that she is leaving the amount of rental obtained entirely to my discretion.

Unless I am advised by you that you have any objection to this course of action I will continue my endeavours to find a tenant and will report to you on any offer received.

Yours very truly,

H. D. CAMPBELL,
