Attached find copy of letter which we have received from the assured, and before replying to same, we would appreciate hearing from you as to what course to follow. For your information would advise that this policy was taken out in 1939 for \$1000 of endowment insurance with an annual premium of \$45.70. Three premiums were paid in full, while the 1942 and 1943 premiums are outstanding. The total arrears under the policy as at the 5th of June 1943 which is the premium due date, amounted to \$94.15. The present cash value on the basis of five premiums paid less the indebtedness is approximately \$55.00.

Awaiting your reply,

Yours truly,
