PERSONAL PROPERTY SUMMARY

File No. 8185

July 30, 1947

Re: Takeo NAMBA, Reg.No.09484

This man was a millworker at Woodfibre, B.C. He signed a declaration to the Custodian on May 4, 1942, at Woodfibre. He was evacuated on May 11, 1942.

In his declaration, he stated that he had left in the storage room for Japanese goods at Woodfibre chattels as listed below. On May 19, 1942, the B.C.Pulp & Paper Co., Woodfibre, shipped to the Custodian at Vancouver the goods left in their storage by former employees. The goods received in the name of NAMBA and the disposition of these is shown below:

	1 Cabinet)	
	1 Dresser)	In addition a wooden cabinet was sold at
	1 Roll of Lino)	this auction in the name of NAMBA.
	1 Sanitary Couch	Not accounted for.

Although NAMBA requested shipment of only one box, as revealed by his file, there is a copy of a receipt for a wooden box said to have been handed to the B.C.Security Commission on May 20, 1943, as well as the receipt signed by the Commission representative on June 22, 1943.

There is nothing on file to show what happened to the books, dolls, etc. If these were in the boxes shipped from Woodfibre, they must be considered as missing. In addition to the goods sold on July 25, 1944, a box of records was sold on December 21, 1945, in the name of this man. The net proceeds of the auction sales were \$18.49, which has been placed to the credit of NAMBA's account.

NAMBA declared 16 \$10.00 War Savings Certificates, a Savings Account of \$100.00 in Bank of Montreal, Main & Hastings, and a Sun Life Assurance Co. policy. None of these items were brought under the control of the Custodian. On December 28, 1944, we sent to NAMBA a cheque for \$370.17, which had been received from the Sun Life as cash surrender value of his policy.

This file reveals no other property of any kind.

This summary is certified to
be in accordance with in-
formation on file.

Re: Tahiichi SEKIYA
Takeo WANBA
Miss Shunko SAITO

Here is another of the cases I mentioned to you the other day where we have one or two articles unaccounted for. I realize that this was in the very early days when we were working under great pressure and in fact before you joined the staff. This particular case refers to goods brought down from Woodfibre and probably not clearly identified.

On reference to Lot No. 124 (Crone's list) May 21st, 1942, I see that two rolls of linoleum are unaccounted for besides, of course, the mattress which we always have to destroy as unfit for sale without fumigation. This matter has now come up because the Japanese has asked for shipment and he has stated the color of the linoleum to be pink, so it is evidently not too old to be recognized.

The remaining items on this inventory were sold at Vancouver Auction 28, at which auction I note that the following sales were also made.

(1) Two rolls linoleum for 50¢. Account of Takeo Wanba, file 8185, also a Woodfibre man. His list (Lot 105, May 25th, 1942) shows only one roll of linoleum and it seems that there might have been some confusion here. Incidentally, the sanitary couch (whatever that may be) shown on this list is also unaccounted for.

(2) Three rolls linoleum were sold at the same auction for \$2.75 in the name of Shunko Saito,

HFO:IF

NOTE TO FILE: I suggest we transfer 50¢ from file 6185 and \$1.00 from file 5371 to cover linoleum stained by file 1028. It should be noted that linoleum removed from Japanese homes is, for the most part, poor and after being left rolled in a warehouse for two years and sometimes crushed by other objects, is usually of very small value.

HFO:IF

File 5371, Lot No. 107, May 25th, 1942, coming from 6118 Fraser Avenue. Here again it looks as if there might be some confusion as this was stored about the same date. Here again some small items are unaccounted for and I will show these to you when we discuss this memorandum.

On Custodian Release of April 5th two boxes were shipped to the above, although only one wooden box containing kitchen utensils was ordered. Had a complaint that one box was marked "books" and should not have been shipped; the other box contained toys, dolls and ceremonial decorations and was of no particular value. It would seem that more care should be taken in delivering to us the articles ordered, as we cannot call upon the Japanese to pay the charges on goods not wanted. If the box #4 of kitchen utensils can be located, we will ship the next time you open the warehouse at 992 Powell.

Dear Mr. McAlister:

Through an oversight we failed to reply to your letter received June 26 relative to our claim against the above in which he offered to pay \$1.50 every three months. At this rate it would take another four years for him to clear up this obligation, which is already past due nearly two years. We are perfectly willing to be reasonable and fair but feel that Mr. Nanba should make payments of at least \$1.00 a month.

// If Mr. Nanba cannot be prevailed upon to make payments of at least \$1.00 a month, we are willing to accept the return of the material in settlement of the unpaid balance. It should be shipped to our branch manager, Mr. Allen R. Trimble, 123 - 32nd. Av. N. W., Calgary, Alberta.

We regret that we did not respond to your letter promptly.

Dear Sir:-

re: W.F. Quarrie & Co. Ltd. - \$25.60

We submitted to the above company your suggestion contained in your letter of the 9th of June last, regarding payment of the above claim. By an oversight of that company they are just now replying, and they state that while they are perfectly willing to be reasonable and fair, they feel that \$1.50 every three months is not sufficient.

They say that if you will make payment of at least \$1.00 per month, they will be willing to continue. If not, they say as follows:-

"If Mr. Nanba cannot be prevailed upon to make payments of at least \$1.00 a month, we are willing to accept the return of the material in settlement of the unpaid balance. It should be shipped to our branch manager, Mr. Allen R. Trimble, 123 - 32nd. Av. N.W., Calgary, Alberta."

Please advise this office promptly which course you wish to pursue, so we may advise W. F. Quarrie & Co. Ltd. of your answer.

Dear Sir:-

I wrote to the SUN LIFE INSURANCE COMPANY, that I would like to cash my SUN LIFE POLICY. I believe the cash surrender value is \$300.00. As yet, I have had no reply to my request of having the money sent to me, direct. Therefore, I am of the opinion that this amount was forwarded and placed in my account with you.

I owe Takeshi NISHIDA #09389 of KASLO, the sum of \$300.00, and I am now in the position that I must repay his loan. As this is the only reason why I wish to have the amount sent to me, I am asking you to take due consideration in this case, and hoping that I will receive a favorable reply.

This was discussed with Mr. MORYSON, SUPERVISOR, and it was his suggestion that I refer to you for definite information.

Anticipating an early reply.

Yours Truly,

Takeo NANBA #09484
