GENERAL SUMMARY

File NO. 8198

October 21, 1946.

Re: James Kiyoshi KAKUTANI #02363

This man signed a declaration to the Custodian on May 5, 1942; he was evacuated on May 27, 1942.

The only property declared was \$100.00 worth of War Savings Certificates in his own possession. These were not brought under the control of the Custodian.

The Royal Canadian Mounted Police, however, reported that two cameras had been surrendered by this man. These cameras were released on May 4, 1943, to the B. C. Security Commission for shipment to the owner.

Some chairs, referred to in letter of September 11, 1945, appear to be the property of this man's parents.

The Britannia Mining & Smelting Co. Ltd. turned over to the Custodian, in October, 1946, nine \$5.00 War Savings Certificates; the serial numbers are listed in letter of this date to KAKUTANI. These Certificates are going forward by registered mail today to KAKUTANI, by whom they appear to have been purchased during the time he was employed by that company.

This file reveals no other property of any kind whatsoever.

This file reveals no liabilities.

This summary is certified to
be in accordance with in-
formation on file.

Dear Sir:

I am in receipt of your letter of the 15th of
January under your file number 13836.

I hereby inform you that I haven't any property
remaining in the protected area. Before leaving the
protected area I was registered by the Custodian,
Mr. Coffee, on the 5th day of May 1942 at Britannia
Beach, B. C.

Trusting the above information will meet with
your request. If I can assist you further on the above
matters please be assured of my co-operation.

Very truly yours,

Dear Sir:

Thank you very much for your letter dated January 23rd advising us that you have no property remaining in the Protected Area. In order that our records may be complete, we should be glad if you would kindly fill up the enclosed yellow 'NO Property' card and return it to us. We have no record of your having registered with the Custodian at Britannia Beach though we have the forms filled in by your parents.

Yours truly,

Dear Sirs:

KAKUTANI, Jimmie K., #02363,

Apparently the above has written the Union Steamships in regard to 6 chairs, shipped by the Britannia Mining & Smelting Co., to us some time ago, the date not given, but which were taken over by the Central Transfer on June 18th, and signed for by Ace Cregor.

As we have not had any transfer work done by this company, no doubt you took delivery of these chairs.

Will you kindly advise this party direct what became of them, sending a copy to this office for our files.

Dear Sirs:

We have your letter of September 11th regarding a letter said to have been written to the Union Steamship Company with regard to some chairs from Britannia Mining and Smelting Co.

Mr. J. K. KAKUTANI declared no property of any description but he probably inquired on behalf of his parents, whose chattels recovered from Britannia Beach, have been sold at auction, and auction returns are available to the owners on application.

If your Supervisors would advise Japanese inquiring about their property to address us direct on the subject, it would obviate duplication of work, and would be following correct procedure at the same time.

Yours truly,

Mr. James Kiyoshi KAKUTANI,
Reg. No. 02363,
c/o Sanatorium,
NEW DENVER, B. C.

Dear Sir:

In reply to your letter of November 12th, we wish to advise that we wrote to your father on October 9th in regard to his War Savings Certificates. We have not received a reply.

In regard to the household effects left by your father at Britannia Beach, we wish to inform you that in the shipment received from Britannia Beach in June, 1945, were a number of articles that had not been reported to this office by your father and a number of articles that apparently were not the property of your father. We do not know whether these other goods were stored with your father's effects with his knowledge, or if these other goods were mixed with your father's effects at the storage place in Britannia Beach. We wrote your father on October 9th and asked him to let us know if goods belonging to other persons had been stored with his effects. We asked him also to give us what information he could supply in regard to the goods he had left. We have not received a reply.

In cases where goods are received by this office without the owner's name we get in touch with each of the persons who might have owned the items concerned. From information thus obtained we frequently are successful in identifying the owner. When the persons written to do not reply to our letters we can do nothing further toward finding the owner. It is possible that all the goods received in the shipment from Britannia Beach were the property of your father, but since the goods did not carry his name and were not reported by him to the Custodian, we must assume that the unidentified items were not his property.

All saleable items received from Britannia Beach have been sold at auction.

Yours truly,

F. Matheson,
Office of the Custodian.
