PERSONAL PROPERTY SUMMARY

July 23, 1946.

Re: Toshiyuki IOI, Reg. No. 09033

This man signed a declaration to the Custodian on May 8, 1942. He was evacuated on March 30, 1943.

In his declaration he reported 2 boxes of kitchen utensils and wedding presents left at Duncan, B.C. These were left at the home of his brother-in-law, under the protection of Messrs. Duncan & Christmas. On July 17, 1942, J. H. Whittome & Co. Ltd., Custodian agents at Duncan, informed us that this house had been broken in to, packing cases opened, chest of drawers rifled and probably many articles stolen. The effects declared by IOI appear to have been among the articles stolen. On July 15, 1942 he requested shipment of the 2 boxes of kitchen utensils, a washtub and washboard and a bucket and mop. On July 23, 1942 J. H. Whittome & Co. informed us that these had been shipped with the exception of the mop and washboard which the railway would not ship. However, when IOI received these articles he informed us they belonged to his sister-in-law, and he does not appear to have received any of his own chattels. The police were informed of this break-in, recovered a few articles from some children but the bulk of the missing goods appears to have been taken by Indians seen around the house, and were not recovered. IOI was informed of this vandalism and no further action seems to have been taken.

The account of this man was credited with the sum of \$45.40 received as refund of National Defense Tax for 1942. We are today remitting this amount to him.

This file reveals no other property of any kind.

This summary is certified to be in accordance with information on file.

Re: T. Ioi - #09033

Dear Sirs:

We received from you today an order from T. Ioi to ship six pieces of goods from #288, First Street, Duncan.

This property is being managed by Messrs. Duncan & Christmas at the request of Ioi and on visiting the property preparatory to shipment of the articles, we found that same had been broken into and the owners goods scattered all over the place, and probably many articles stolen as packing cases have been opened and chests of drawers rifled.

We reported this matter to Duncan & Christmas and no doubt they will take it up with the local Police Authorities. Meanwhile, as everything in the house is upside-down, it is impossible for us to ship the six pieces referred to in your order of July 15th. Perhaps you will advise Ioi of the above facts.

Yours faithfully,

I wish to bring to your attention that, Mr. and Mrs. T. Ioi
Reg. No. 09033 and 08953 respectively left Duncan, Vancouver
Island in the early part of April. On arrival here they have
reported their belongings, that they have left behind to Mr. Spain,
Custodian in charge at Hastings Park.

Few days ago, they were informed by Mr. Spain that some
burglars have entered the house and have taken away their personal
properties. Also they were told that since the same have not
been insured, the Custodian cannot be responsible for compensation. //

However, since the theft took place after the articles have
been reported to the Custodian in the Park, I feel that it is
up to the Custodian to insure the same if it was necessary. For
this reason and the fact that this couple was only married for a
short time, and what they possessed was all left at the place
where the theft have taken place, I am representing this case
before you for your deep and sympathetic consideration.

Hoping to receive a favourable reply.

Re: IOI, Toshiyuki -- Reg. #09033

Thank you for your letter of July 25th on the above. While we are writing to Messrs. Re: IOI, Toshiyuki

Herewith file 8218 and letter from the Japanese Committee which I think will interest you. You will see from the file that this man only declared two boxes kitchen utensils and wedding presents left at his house. His wife (File 8354) declared nothing. You will further see that he asked Messrs. Duncan & Christmas to care for his property and they seem to have failed to do so. I wrote to them on July 27th.

We have only the word of the Japanese Committee for the statement made in the second paragraph, second sentence of their letter of July 27th. From Mr. Spain's letter of July 25th it appears that his attitude was non-committal.

I propose to write to the Japanese Committee and tell them that we can do nothing pending an answer from Messrs. Duncan & Christmas and that while police action will doubtless be instituted, the matter is primarily one for the police and not for the Custodian.

HFG:IF

P. S.

Since writing the above, I have received Messrs. Duncan & Christmas Ltd.'s letter now on the file. I am writing to Messrs. Duncan & Christmas Ltd. to ask them to contact J. H. Whittome and arrange shipment if possible and let us know what is missing. I mentioned this case to Mr. G. W. McPherson and Mr. Bernard this afternoon and the latter seemed quite satisfied, so I shall write and explain everything to the Japanese Committee.

Re 101 Tosheyuki

We are in receipt of your letter of the 27th quoting the report of Messrs. Whittome & Co. that the premises had been broken into.

When Messrs. Whittome & Co. informed us of the fact we immediately got in touch with Mr. Tebutt who has the use of the garden and undertook to keep an eye on the house. He informs us that when he found some days before that the house had been broken into he immediately reported the matter to the police who investigated but thought it was the work of children.

Before T. Ioi left Duncan he gave Mr. V. Kennett, a few doors away on the same street, the use of the garage on the understanding that he would keep a watch on the premises, so the security of this property appears to have been unusually well provided for.

Dear Sirs:

Re: Hyankuzo Tsubouchi
Reg. No. 08921

We have your letter of the 31st of July, file #5488 re the above Japanese. It is correct that the house on 288 First Street had been broken into and the contents scattered all over the house as we advised you when we first received an order to ship some things out of this house. As Messrs. Duncan and Christmas of this City were in charge of this property we reported the matter to them and they in turn took it up with the police. We understand the police found that the house had been broken into by some children living near and that the mothers of these children cleaned up the house and put everything in order. We had no responsibility in the matter as the house was being looked after by Tsubouchi's own agents. We had two orders from you to ship goods from this house. One was signed by T. Ioi, #09033, and the other was signed by H. Tsubouchi, #08921. Both of these orders were shipped on the 23rd of July and the freight bills forwarded to you.

The property is registered with us under Kiyoshi Tsubouchi, registered #08957, under his declaration of the 22nd of April. We reported to you on May 15th that we had found the inventory as declared by Tsubouchi to be correct except that there was missing one Singer Sewing Machine and there were on the property a number of other articles not listed. You will see that this man's inventory shows five boxes kitchen utensils and dishes. We did not check any articles that were packed in boxes, according to our instructions, but simply the number of boxes.

We understand from a communication that Duncan and Christmas have had that the goods of T. Ioi, who we believe is another Tsubouchi, were stored in this house.

We can, if you wish, give you a list of the articles that are still remaining in the house of K. Tsubouchi but we would not be able to differentiate between their ownership as between Kyoshi and Hyakuzo Tsubouchi. Please advise us if you wish a complete list of the goods at present at 288 First Street.

Messrs Duncan & Christmas

Dear Sirs:

I wish to enquire about the property of K. Tsubouchi's on 288 First Street which was left in your care. Recently a letter was sent by Mr. Whittome of Duncan to the Custodian here of the damage and theft of household goods which was left in the house. What I wish to find out is about the property of T. Ioi's which was left in the above address before he was evacuated. I had a large wooden crate and a large carton but filled with kitchen utensils, wedding presents and other things. They were all packed and had my name "T. Ioi" on it. Since my wife and I to be evacuated soon from the park, we asked the custodian here to have these boxes sent to us. They in turn wrote to Mr. Whittome whom I am told is the custodian there, he replied, and like I said before, told of the thefts. I have tried to get compensation from the Security Commission but to of no use. They keep telling me that since the house and property was left in your care, you are responsible and not they. As I am in dire needs of those kitchen utensils and have no funds available to buy new ones again, I wish to have you look into the matter for me. I cant hardly believe that they were stolen course they were all practically new and ive only been married six months. Some have told me that perhaps the custodian had removed my things to the Japanese Hall on Second Street. Will you please look into the matter?, If they were stolen from the house, surely there would be something left. I can't imagine anybody taking everything as I had so many things.

Vancouver, B.C.
Aug. 8/42

Messrs Duncan & Christmas

Dear Sirs:

I wish to inform you that I have definite proof that the household goods of T. Ioi's on 288 First Street has been stolen. Your letter of Aug 3rd stated that you shipped several articles in my name, but I found in opening that they all belonged to H. Tsubouchi. To prove that my things were stolen, I found that parts of my large wooden box were used to crate Mrs Tsubouchi's sewing machine. Before I left Duncan I printed my name "T.Ioi" with a blue paint on my large crate box. The very board with my name printed on it was used to crate the above mentioned sewing machine. Will you be kind enough to go to the house and see if there's anything left of our things. I have already sent you a list of my belongings in my previous letter. There were all practically new so you'll easily recognize them. As I have stated before I am in dire need of those thing as I have no funds available to buy them new again. I have already had an extention on my permit to stay here because of this matter. I will very much be obliged if you will try and find my belongings or else get some compensation. Thanking you again, I remain,

Yours truly,

3. In this second letter it is noted that part of the wooden crate of T. Ioi's was used in crating Tsubouchi's goods. The person who did the shipping is A.J. Bossons of Chemainus. This man was in Duncan on the 15th instant and he states that when crating and shipping the goods on the 27th of July, 1942, he used part of an empty crate which was in the house. The theft therefore was seemingly prior to July 27th. It is noted by para. 4 of Const Deans' Crime Report that on the 17th July he went to the house in response to a Complaint from Mr. Whittome.

4. May 28th, 1942, which is shortly after the evacuation of the Japanese from this area, Frederick Gerald Fagan, was sentenced to nine months in Oakalla Gaol by County Court Judge P.P. Harrison of

There may be some connection here and perhaps Fagan could be interviewed at Oakalla re this matter.

6. No goods were stored at the Japanese Hall on 2nd Street in the City of Duncan

7. May I suggest that the list of stolen articles be inserted in our C.I.B. Circulars. The house in question is the last one on the left of a blind Street and between it and the Island Highway immediately to the west is a strip of dense brush and it could be approached from there by person without much fear of being seen by residents of adjoining houses. There are no houses across the street from Tsubouchi's and the house to the east is occupied by Mrs. Fagan.

8. The matter is still under investigation and further results will be reported upon.

IOI, T. (Japanese) - Complaint of theft.

1. With reference to the above and marginally noted report also Memo. from Insp. R. Peachey, i/c C.I.B. dated Aug. 18th. I beg to advise that Frederick G. Fagan was interviewed at Oakalla Prison Farm by the undersigned.
2. Fagan was questioned at great length and most emphatically denied any knowledge of the missing articles. He stated that the last time he passed the house in question, before he was arrested, everything appeared to be alright, as the place was boarded up and he could see a padlock on door. Further stated that he had seen some Chinese children playing in the yard from time to time. A neighbour by the name of "Breed" used the garden and a man by the name of B. Kenneth kept his car in the garage, he suggested that these people be questioned. Also stated that this was the first time he had been in jailand that if he knew anything about it would tell the truth and have the matter cleaned up. Fagan appeared to be sincere.
3. As Fagan was arrested in May and the theft not discovered until July 17th. it would appear as if Breed or Kenneth could give more information as to when the place was entered, seeing they had the use of the place.

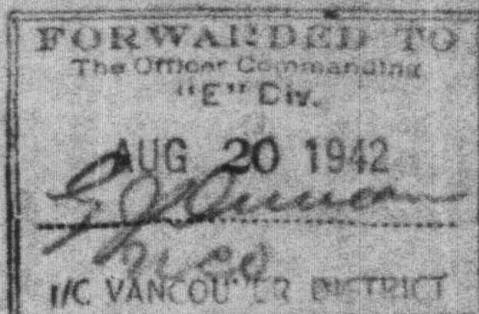

Unconcluded. Extra copies attached.

Aug 20/42

Dear sir

I am writing to you about my property in Duncan, B.C., which has been burglarized.

My property consisted of a large wooden crate and a large carton box, filled with kitchen utensils and wedding presents. They were practically new since I've been married for only six months.

They were both sealed and addressed so that they may be shipped to our point of evacuation. As there was no custodian in Duncan at that time to take care of our property, our Japanese spokesman was informed by Vancouver officials

of B.C.C. To leave all our household effects in their respective homes or at the Japanese hall. Since I was not a owner of a house, I left the above-mentioned property at the home of K. Imbouché (brother in law) on 288 First Street. Since the house was thoroughly boarded and locked up before we left. Then on arrival here, I registered my property immediately with the custodian.

Last month when our evacuation order was decided upon, I asked the custodian to have our belongings sent here. About a week later Mr. Spain informed me that he had received a letter from J. Whitmore of Duncan B.C. (who has since then become the custodian) that the house on 288 First Street had been entered and some

of the things were stolen.
Therefore I asked them to send me
what things that were left. They
immediately sent me the following -
1 large box kitchen utensils
1 carton box kitchen utensils
1 wash tub - 1 bucket
1 sewing machine table
1 hammer - 1 axe
1 box shoe polish

The above were all sent here in my
name but they were all the property
of Mrs. Tsubouchi's. Not a single
article belonged to me.

On writing to Duncan + Christmas,
financial agents with whom I
have done business before, they
told me that the large wooden crate
and the large carton box were
both empty and the only thing
left in my possession was a bench.
Since I am without funds to

bring them again and need them
urgently, I am writing to you if
I can be compensated.

I am,

Yours truly,
Joshinichi Doi,

Re: TSUBOUCHI, Ryakuzo #08921

We are in receipt of a letter of yours dated August 5 addressed to the B. C. Security Commission, but which we believe was intended for us. We would like to have a complete inventory of chattels left in Tsubouchi's house. If, as you say, you are unable to differentiate between the ownership of the various individuals interested in this house, a complete list will enable us to contact the Japanese in question, and we can then have them identified. Dear Sirs:-

Re: IOI. Toshiyuki

Would you please let us know if you have yet been able to get a police report on the house-breaking of the residence inhabited by the above and owned by Kiyoshi Tsubouchi. The reason we ask is that we have had a list of the effects lost by Toshiyuki Ioi, nearly all of which were new wedding presents and are anxious to do what we can on his behalf.

We have had a letter from Messrs. J. H. Whittome and Co, saying that they understood that the police found that the house had been broken into by some children living near and that the mothers of these children cleaned up the house and put everything in order. The articles missing, however, appear to be quite valuable and we enclose herewith a list which may be of use to the police.

From: MR. GREEN

Re: IOI, Toshiyuki

On July 15th, Toshiyuki Ioi asked for shipment of effects declared by him, namely:

1 Large Box Kitchen Utensils
1 Carton Box " "
plus undeclared wash tub, wash
board, bucket, and mop.

These were stored at "Home 288 First St., Duncan" being actually the residence of Kiyoshi Tsubouchi (Internee File 681), his brother-in-law.

On July 17th Messrs. J. H. Whittome reported that the property was being managed by Messrs. Duncan & Christmas at the request of IOI, Toshiyuki and that it had been broken into and packing cases rifled. They reported this to Duncan and Christmas.

Messrs. Duncan and Christmas reported on July 30th that a Mr. Tebbutt had had Kiyoshi Tsubouchi's permission to use the garden and keep an eye on the house. This arrangement is mentioned on Kiyoshi Tsubouchi's file. This man had discovered the breaking in and reported it to the Police.

In the same letter, Messrs. Duncan & Christmas advised that before Toshiyuki Ioi left Duncan he gave Mr. Kennett, a few doors away on the same street, the use of the garage on the understanding that he would keep a watch on the premises.

Nothing more for the time being can be done until we have the police report to hand.

Re: IOI, Toshiyuki--Reg. #09033

We have recently heard from Messrs. Duncan and Christmas of Duncan that a house belonging to a Japanese Internee, Ryakuzo Tsubouchi, was broken into. Our Duncan agents, Messrs. J. H. Whittome and Company further informed us that they understood the house-breaking had been done by some children living near and that the mothers of these children cleaned up the house and put everything in order.

The fact remains, however, that two large cases of wedding presents being nearly all new articles of some value, are missing. These were actually the property of Toshiyuki Ioi, the brother-in-law of the owner of the house. We asked Messrs. Duncan and Christmas for a police report but they tell us that their local police referred them to you.

We would greatly appreciate it if you would be so kind as to let us know your findings.
