PERSONAL PROPERTY SUMMARY

August 6, 1946.

Re: Nani (Mrs. Kichisaburo) TAKENAKA, Reg. No. 10874

This woman signed a declaration to the Custodian on May 7, 1942, in which she reported that she owned no property of any kind in the protected area. The husband of this woman declared no property of any kind.

However, on May 19, 1942 she requested 4 boxes of effects stored at Carlisle Cannery, Skeena River and on June 5, 1942 she requested 6 more pieces of effects left at Carlisle Cannery. Lacking evidence to the contrary we assume these were shipped to her. 2 other boxes and a can were found to be stored in her name and on November 22, 1942 she confirmed that these 3 pieces were all the chattels belonging to her left in the protected area. 1 box and a can were shipped to Vancouver and stored in our warehouse, as shown on the file of this woman's husband, File No. 13729, but no further disposition is shown.

The account of this woman was credited with the sum of \$111.25 received from the Canadian Fishing Co. Ltd. as payment on 250 lbs. of rice and a drum and this amount was paid to Mrs. TAKENAKA in April, 1942.

This file reveals no other property of any kind.

This summary is certified to be in accordance with information on file.
