REAL PROPERTY SUMMARY

RE: Tokutaro TANAKA REG. NO. 00709 File No. 8548.

Reid Island -- Lease.

Tokutaro TANAKA held a lease dated April 20th 1940 from Domingo Silvey of a position of Lot 35, Reid Island, Cowichan District, the lease being for a period of 5 years and the annual rental of \$150.00 payable on the 1st of May of each year. The Lessee in this case had the privilege under certain conditions, of removing all buildings erected by him, and unconditionally of removing all fixtures. No copy of lease is on file, but a copy is in possession of P. S. Ross and Sons.

Above particulars are from a letter on file from Lawrence Shaw of July 6th 1942.

The rental for May 1st 1943 to April 30th, 1944, \$150.00 was paid by the Custodian on September 17th, 1943, and was charged to TANAKA & Co. Ltd., whose affairs were subsequently handled by P. S. Ross and Sons.

This file gives no information respecting buildings on the land leased and as the property of the lessee, except TANAKA'S declaration of insurance in the Urbaine Fire Insurance Co., policy 38843, \$2000.00. Presumably the building has been disposed of by P. S. Ross and Sons.

Dear Sir:

Re: Your file No. 8548

I act as solicitor for the estate of Domingo Silvey, deceased who in his lifetime had leased 2 parcels of land on Reid Island respectively to T. Tanaka and J. Kasho.

The latest leases on both these properties are dated April 20, 1940 and run for a period of 5 years at an annual rental each of \$150.00.

I understand that Mr. Tanaka has paid his rent for the year 1942 - 3 but that the Kasho rent is still due, his funds being in your hands.

Copies of the leases were taken by one Wray who apparently works in your office, the originals being returned to me on May 30 last.

I would refer you to a letter addressed to your office of April 20 in which I asked whether the Custodian would permit my clients to arrange for the leasing of these properties so that they might be put to some productive use. I also took this matter up with Mr. Wray when I saw him on the 30th of May. However he did not seem to be very anxious to assist in this matter. Perhaps through your kind offices something may be done.

Yours very truly,

John Stanton

Referring to your letter of September 2nd, we would advise you that we have discussed the matter of the Silvey lease with Mr. Stanton upon several occasions, and he was quite aware that any discussions in the matter should be made with us.

At our request Mr. Stanton called last week and promised to bring Mr. Silvey in the next day for a discussion with Mr. McPherson, so that we could ascertain who gave Mr. Silvey the authority to lease the above Company's salteries as Mr. McPherson did not do so.

We have not heard from Mr. Stanton, so we are writing him today.

Dear Sir:

Re: Your file 8548 - Kashe & Tanaka Salteries.

Mr. Joe Silvey consulted me today regarding certain parts of machinery installed at the above salteries on Reid Island which were removed by their Japanese owners some time prior to the month of April last.

According to my instructions Mr. Silvey has received permission from Mr. McPherson in your office to operate the salteries in question and he is now doing so. However, the machine parts in question are needed for the operations if they are to proceed properly.

On April 27 last I wrote to J. Kashe & Co. Ltd. and to S. Tanaka demanding return of the machine parts in question. There were no answers to my letters but the Japanese, I understand, gave assurance to your office that, when required, these parts would be returned. The parts in question are used on the Diesel engines and electric light plants located in the salteries. They are presently thought to be stored in the Cowichan Saltery on Galiano Island.

Will you please make immediate arrangements to have the parts in question returned to the salteries on Reid Island.

In connection with the rent due on one of these salteries I would refer you to my letter of July 25 last which has not yet been answered.

Yours very truly,

Your file 295-142, T. Tanaka

Dear Sirs:

We wrote to you on the 3rd and 15th of August under your file 295-132, respecting land leased to Jinaburo Kasho--this was because we had received a letter from Mr. John Stanton, Barrister, who acts as solicitor for the estate of D. Silvey.

We have now received the enclosed letter, dated 31st of August from Mr. John Stanton, regarding certain parts of machinery installed at the Kasho & Tanaka Salteries on Reid Island, which were removed by these Japanese owners. We ascertained from one of your staff this morning that previous correspondence relating to this matter is on your files, and we are therefore handing this matter over to you for your attention.

Mr. Stanton advised us on the phone this morning that he is most anxious that everything possible should be done to have the parts in question returned with minimum delay, and we informed him that you were handling this matter, and understand that he will be getting in touch with you immediately.

MEMORANDUM TO FILES #13873 & 8548

From: Specified Articles Dept.

Nov. 25, 1943

Tokutaro TANAKA & T. Tanaka & Co.

Attached is a letter from T. Tanaka, of Tanaka & Co. Ltd. inquiring about three scows. The handwriting in this letter is not that of Tokutaro TANAKA, who signed for Tanaka & Co. in File 13873, or of Tokutaro TANAKA, as shown on papers in File 8548.

Scows, although registered as sailing ships, were not included in the properties handled by this department.

Through P. S. Ross & Sons, three scows have been sold, as shown on File 13873, which are believed to be the property of Tanaka & Co. Ltd. These are as follows, with selling prices:

S. T. No. 4, O.N. 157,252 -	\$ 50.00
S. T. No. 5, O. N. 157,253 -	150.00
S. T. No. 6, O. N. 157, 254 -	500.00

In case the identity of these scows was not definitely established at the time of sale, it should be noted that we have Certificates of British Registry for the following:

Y.S. No. 1 -	158,303
Y.S. No. 2 -	158,304
Y.S. No. 3 -	158,305
Y.S. No. 4 -	158,306
Y.S. No. 5 -	158,307

None of these scows have been sold, and none of these scows are now at the Takahashi Boathouse where these were moored by the owner, Harry Kanime Tsuchiya, File 11261.

Dear Sir:

We are in receipt of your letter of November 4th,
in reply to our letter of October 30th in which we asked for title no.
110005 E covering the above land.

We quote from your letter: "I declare herewith that

it will be free for you to take any proceeding you think suitable to

Therefore, in accordance with this declaration, we
are crediting the proceeds of both the land and the house of the above
property to HAKATSU, Yoshikazu.

We have a letter on file from your solicitors,

Would you please let us know the full name of C.

Mr. Tokutaro TANAKA,

Dear Sir:

We beg to advise that the sale of Lots 5 and 6, Block 17, Section 3, Blk. 3 North, Ra. 7 West, Map 249, known as 27 Chatham Street has been completed for the sum of \$950.00 and the proceeds have been credited to the account of Yoshikazu NAKATSU and at his request we are today forwarding him a cheque for \$300.00 from the proceeds of this sale.

We note in looking over this file that on May 22, 1943 you wrote us as follows:-

"I have received your letter of May 13. In reply to your letter about Yoshikazu Nakatsu, I have sold the lot. But he has not paid the full amount. He has a balance of \$250.00. If he pays the full amount, I will give him the land title. The land title is now at Lawrence & Shaw, 789 W. Pender St., I have no such paper as agreement for sale."

Also on November 4, 1944 you wrote the following:-

"Thank you kindly for your letter of October 30th with regard to the sale of property of Yoshikazu Nakatsu.

"Although I remember that some transaction had been made between Sankie I Tanaka, my deceased father, and Mr. Nakatsu a good many years ago when I was very young, my father has died some years ago and I am not able to tell you if the transfer of title has been made. Of course I do not know the whereabouts of the title in question.

"I declare herewith that I have no claim whatever

(Over)

Against the property in question, therefore
 it will be free for you to take any pro-
 ceeding you think suitable to close up the
 matter."

Our assumption is that you have on reconsidera-
 tion of the matter decided not to make any claim against
 Y. NAKATSU in connection with this property, therefore, it
 is the Custodian's intention to remit the balance of the
 proceeds of the sale to Yoshikazu NAKATSU.

We enclose a duplicate copy of this letter to-
 gether with stamped addressed envelope and we would ask
 you to kindly to give your approval of the above statements
 by signing the copy and returning same to us for purpose of
 record.

Dear Sirs:

Re: Your NO 966 S, Job No. 490 R.J.
Repairs to M.V. "C.S.C.#2"

Your claim, in the amount of \$279.04, for repairs to the M. V. "C.S.C.#2" has been passed on to this office by F. S. Ross & Sons.

While we have no record of "S. Tanaka & Co." against whom this claim was filed, we do have a record of the vessel concerned.

It is unfortunate that you did not file your claim in 1942, when the Custodian placed a notice in the press asking that claims against persons of Japanese origin be filed with this office. However, we will see if there is anything this office can do to assist you in obtaining settlement, if you will give us the following information:

1. Dates at which the repairs were commenced and completed.
2. Name of the person authorizing repairs.
3. What previous attempts have been made by your company to obtain settlement, and what the results have been.

and any other information that will support your claim, and enable us to identify the debtor.

Re: M. V. "C.S.C.#2"

In reply to your letter of the 13th instant, we wish to advise that the repairs made to the above vessel and claimed by us against Tanaka Company Limited, were acknowledged by the Royal Canadian Navy, namely inspectors Mr. M. Blenheim and Mr. G. Allan.

At the time this work was authorized, verbal authorization of the inspectors was accepted as sufficient to carry out the repairs, and the issuing of a formal order from the navy would follow.

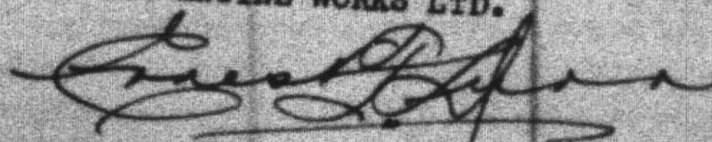

We are unable to state the exact dates the work was commenced and completed, but as near as we can check and recall, it would have been during the month of March 1942 and would have taken one mechanic and one helper about 4 days to complete.

The only effort made to effect collection was the submission of an invoice to the navy. We were then informed by the navy that this work was charged against funds which would be forth coming from charter moneys paid by them for the use of the vessel.

We have checked back on our records and have checked with the superintendant of our repair crew, who was in charge of this job, and to his knowledge this job was ordered by the above named navy inspectors prior to the navy taking over the vessel for their use. We had several jobs of this nature and in each instance they were paid not by the navy but by the owner of the vessel.

Trusting that this information will be of some use to you,
we are,

Very truly yours,

Dear Sirs:

Re: V.M. "C.S.C.#2" - \$279.04

Your letter of July 18th, in regard to your claim for repairs to the Vessel "C.S.C.#2", has been received.

We note that the work in question was authorized by the Royal Canadian Navy. We also note that you were informed that the work was to be charged against funds which would be forthcoming from charter money.

However, this vessel was purchased by the Department of Munitions and Supply on behalf of Naval Service, purchase being effective as at date of requisitioning, and no charter monies were paid to the former owner.

Furthermore, the former owner has already paid the Department of National Defense, Naval Service, that portion of the cost of repairs to this vessel that were chargeable to him.

We would suggest that you again bring this matter to the attention of Naval Service.

In any case, we feel that your company has no claim against the former owner of this vessel, and no further action will be taken by the Custodian in regard to this matter.

Yours truly,

F. Matheson,

You will notice by the enclosed sheets that these amounts have been credited to TANAKA & CO. Ltd. file No. 13873. The proceeds have been forwarded to the Liquidator of the Company who will later account for the liquidation.

In Auction sheet No. 36 is mentioned a cheque protector and on Auction sheet No. 39 is mentioned a child's crib, which are not referred to by you in your letter of the 15th instant, or in the one of the 25th November 1944. In your reply to this letter please explain about these two items.

Dear Sir:

Re: Tanaka and Company Limited

We enclose cheque in your favour in the amount of \$1,476.53, representing the final dividend of this company. This cheque along with that of October 31st, makes a total of \$4,155.02, which should be credited to the account of Tokutaro Tanaka. In our cheque of 31st October amounting to \$2,678.49, was included \$500.00 for the account of Rokumatsu Tanaka. In view of the fact that Rokumatsu Tanaka assigned all his assets to Tokutaro Tanaka prior to leaving Canada and also that Rokumatsu had no claims outstanding against him at the time of his departure, we feel that this \$500.00 should be transferred to the account of Tokutaro Tanaka.

On 19th July, 1947, we wrote to you requesting that you withhold certain monies of Tokutaro Tanaka until we receive a reply from him relative to certain cash shortages in the accounts of Canada Mic Company. To date we have not received a reply from Tanaka and would request that you hold these funds until we determine whether there will be any claim against him on behalf of Canada Mic Company.

Dear Sir:

re: Pacific Sea Products Exporters Limited

We have your letter of 10th December re Tokutaro Tanaka's claim of \$181.72. There are no books available with which to check the accuracy of the claim. We know from the last Income Tax return filed that the company had approximately \$20,000.00 of liabilities, and it would, therefore, appear that the likelihood of paying anything on this account is very remote.

At present we are corresponding with Mr. Sheppard as to the best method to wind up this company. It may be that his suggestions may have some bearing on the payment of this debt and if so we shall advise you accordingly.

Dear Sir:- Re:- Scows

We have received your letter of the 14th instant in reply to ours of the 12th instant in respect to 3 scows enumerated therein. Dear Sir:

Among the personal goods in storage here are two cameras. These cameras, according to our records, were among the effects turned over to the Custodian by Colonel McMillan. For that reason, we believe you may be able to tell us the name of the owner, if the cameras are not your own property.

One of the cameras is a folding Kodak with carrying case. The other is a Japanese-made Auto Press camera.

If either of these cameras is your property, please let us know if you wish to have it shipped to you.

Yours truly,

F. Matheson,
