Dear Sir:

Re: Mr. and Mrs. Chusaburo INABA

Further to the last paragraph of our letter to you dated March 11th we find that the figure of \$50.90 mentioned therein is in error, the error arising, in part, as three ledgers covered the affairs of the Inabas, one in the name of Mr. Inaba, one in the name of his wife and one joint account. The present net balance is \$154.88.

We have requested our Accounting Department to issue a cheque for \$100.00 which you will find attached. This leaves the Inabas with a credit balance with us of \$54.88 which we propose holding in view of the cost of the construction of the chimney regarding which you wrote us on March 9th.

In reply to your undated letter received at this office on March 26th and your enquiry as to what made up the difference of \$17.00 between our statement to you and the statement you received from Brackman-Ker Milling Co., we have to advise that the difference apparently is made up as follows:-

The rent of \$12.50 shown by the Brackman-Ker Milling Co. for December was not received at our office until January, and, therefore, was omitted from our statement, and the balance of \$4.50 was made up of charges deducted by the Brackman-Ker Milling Co. before remitting to this office for drawing up the lease, \$2.00 plus 5% commission amounting to \$2.50.

We trust the above will clarify the situation to you.

Re Your file 4942 & 8619.

Dear Sir:-

On October 16th 1942, we received a letter which enclosed LIST OF PRIVATE CHATTELS we left at our home 1369 Bailey Road, New Westminster, B. C. but we noted many chattels were not on the list, therefore, we report same to Mr. H. F. Green, Protection Department about this matter.

Up to date we did not hear regarding the shortage of goods, so that we have not sign the list which he requested to return.

As we are enclosing the blue print of our home where we stored the goods not listed therefore, kindly check up again and let us hear where you are keeping our PRIVATE CHATTELS.

Thanking you in anticipation for your trouble and prompt attention to this matter,

Yours very truly,

C. Inaba

Mutual Life Policy
#466335-Mrs. Chuzaburo INABA

We have yours of June 19th asking us to pay the amounts owing on the three life insurance policies mentioned above.

According to a copy of a letter written to you by the Sun Life, we understand that you have now decided to cash in your two policies with that company. Under these circumstances, of course, you would not wish the premiums paid and we will leave that matter in abeyance until we definitely know what you want to do, pay the premiums, or cash the policies in.

Referring to the Mutual policy above mentioned, (this covers on the life of your wife Mrs. Yoshio INABA), in connection with which, we wish to advise that the 1942 premiums are still outstanding and with interest to June 30th last, the amount owing would be \$113.35.

As your account in this office stands in the joint name of yourself and your wife, it will be necessary, please, to get her authority in writing to make payment as requested, in connection with this policy.

1300 Bailey Road, Seattle

The first named Japanese declared the following few articles as being left with C. Inaba at 1300 Bailey Road. When removing the balance of effects from this place will you kindly try and identify the followings:

- 1 bed & spring
- 1 sanitary couch
- 3 chairs
- 1 heater

which belong to Terashima.

In this connection, we note that some effects have been removed and sold, but according to our file there is a large quantity of effects still remaining besides 1300th of lumber. (List attached)

The tenant is/are Valentine Baker, who at the time of Inaba's occupation purchased the block in broader stove and a few other things for \$100.00.

There is an additional list of chattels made by Mr. Carlson and yourself on file, also a sketch of where the effects are stored. (This is the place where Mr. Page of B. & K. was administering the late block.)

Dear Sirs:-

Your Refer Nos. 4942 & 8619,
Re: Estate of My Deceased wife and Mutual
Life Insurance Co. Policy #466,335.

I have received with thanks your letter of the 28th September. In reply I wish to say that I have no Solicitor to consult with. Therefore I must ask you to place the matter in the hands of anyone you think fit.

However, I shall be glad if you will give me the following information before going into the matter:

1. Is it necessary to place the insurance money in the hands of the Official Administrator when the beneficiary of the insurance is myself?
2. Since the assets of the deceased are limited to a small amount of money now held jointly under both my name and the deceased's by the Custodian, would it be possible to transfer the deceased's share to my name without placing the matter in the hands of the Official Administrator?

As I would like to save expenses as much as possible, please advise your opinion as to approximate Administration cost will be if it necessary.

Thanking you for the trouble.

Yours truly,

Chuzaburo Inaba

CLAIM NO. 991 - Chuzaburo INABA

This claim refers to a $3\frac{1}{2}$ acre parcel of land in Delta Municipality, developed for egg production.

The property was appraised by S.S.B. Appraisers in 1942 at \$60.00 per acre for cleared land, and an average of \$35.00 per acre for uncleared land. There was erected on the property a 3 room dwelling, garage and 3 chicken houses 120x100, 74x24 (2 storey on concrete piers) and one 20x100.

The property was sold to the D.V.L.A., based upon the S.S.B. appraisal, at \$1262.00.

This claimant, prior to his evacuation, had caused an appraisal to be made by J.D.Dorgan of New Westminster B.C., who valued the land at \$175.00 per acre, the dwelling house at \$250.00, chicken houses and other buildings at \$3520.00.

Counsel have presented a joint proposal for payment to the claimant of the sum of \$2418.00, based substantially on the Dorgan appraisal, although Counsel have agreed upon a valuation on land alone of \$125.00 per acre.

I accept the proposal of Counsel and RECOMMEND payment to the claimant of \$2418.00.

A further claim is made in respect of chattel property which was appraised by Dorgan at \$1220.00. A substantial part of the chattel property was conceded to have been lost after the same became vested in the Custodian.

Counsel jointly recommend payment of an additional sum of \$548.04 in respect of chattels, which I approve.

I THEREFORE RECOMMEND payment to the claimant on account of chattels of the sum of \$548.04.

Commissioner.

January 11th 1950.
