PERSONAL PROPERTY SUMMARY

File No. 8656

4th June, 1947.

Re: Fukumatsu FUJII, Reg. No. 14091

CHATTELS: The above Japanese registered with this office on the 8th May, 1942, and at that time declared leaving household furniture and farm implements left on property at 10th Avenue, Haney, which he had transferred to his son. This property was inventoried by our fieldmen on the 21st September, 1942.

A copy of this inventory was sent to FUJII on the 13th October, 1942, and was returned signed on the 7th December, with the addition of a few articles. The tenant on the property was contacted, and she confirmed that these chattels were on the property.

All saleable chattels were removed to auction at Haney and sold on the 17th, and 24th March and 5th April, 1945, for the net sum of \$25.54. According to a memo dated 5th April, 1945, a number of articles were missing, and a quantity had to be abandoned on the property as not being worth the expense of handling.

SPECIFIED ARTICLES: This file reveals no specified articles.

ACCOUNTS RECEIVABLE: The B.C. Electric Rlwy. Co. sent in to this office the sum of \$5.00 being a refund of FUJII's electric light security deposit.

BONDS & INVESTMENTS: FUJII declared when registering that he was the holder of a number of War Savings Certificates, but these were not brought under control by the Custodian.

Although he did not declare so, according to the Maple Ridge Co-operative Exchange, he is the holder of 54 shares, and upon completion of the liquidation of this Co-operative, his proportion of the distribution will be sent to him.

LIFE INSURANCE: FUJII declared having a \$1000.00 Western Mutual Benefit Association policy, but this was not brought under control or administered in any way by the Custodian.

This file reveals no other personal property assets.

The above summary is certified to be in accordance with the information on file.

19th November, 1942.

Mr. Fukumatsu Fujii, #14091,
Slocan Extension, B.C.

Dear Sir:

re: Leasing the Farm Property of
your son, Yoshio FUJII.

Your letter to this office dated November 15th, indicating your disinclination to have the farm belonging to your son leased, has been noted.

You will of course appreciate the fact that the Custodian desires to the extent of his ability to protect and administer property vested in the Custodian in the most efficient manner possible. The Custodian's Office, as you may perhaps also be aware, has in addition a responsibility to Canada and also is desirous at all times to do everything within the power of the Custodian to supplement the war efforts of Canada. Reports we have received in connection with your son's farm indicate that it is in a very badly overgrown condition, but if leased to an experienced tenant the farm can be put in good condition and thus aid generally in the production of foodstuffs essential to Canada, and particularly so in time of war.

We ask that you fully appreciate the fact that the Custodian, regardless of the stand you have taken, is not obliged in any way to comply with your wishes and is entirely free to administer your son's property in any manner deemed advisable by the Custodian. Nevertheless, we are writing to you and explaining our views and so that our files may be complete, we would appreciate receiving a letter from you advising us that, having reconsidered the matter, you now have no objection to the Custodian leasing your son's farm. We ask that you write to us in this connection immediately.

You will appreciate the fact that in order to properly administer your son's farm, it will be necessary for the tenant to make use of 1 Walking Plow, 1 single Horse

cultivator and 2 brooding house stoves and covers. The
balance of yours or your son's chattels, stored in the
incubator house, will not be available for use of the
tenant.

If you do not agree with the suggestions embodied
in this letter, it will be necessary for us to assume, in
the absence of a complete and immediate explanation from
you, that you are opposed to the production of those agri-
cultural products required by Canada for the proper prosecu-
tion of the war.

Yours truly,

R. P. Alexander,
Manager.

MEMORANDUM.

Re: FUJII, Yoshio Roy, #15671
FUJII, Fukumatsu, #14091.

To: Farm Lands:

Wont you kindly tell us please how Minnie's in without a lease? It seems that she has good intent for she's already paid her rent. She moved in on the tenth September and paid her rent to tenth December. What about the chattel list? Who makes good if some are missed? All these goods are Fujii's (father) who by his letter makes a blather saying "Do not lease at all". Is it thought there's any call to write to Fujii on what's done with land belonging to his son?

The goods and lands are here divided so it might well be decided that there should be a lease for land and that upon the other hand the listed goods should all be bailed by an agreement well impaled upon the file made for the owner. We'd surely thereby pull no boner. The revenues would then divide as from the values you'd decide.

P. H. Russell.

Dear Sir:

Re: Yoshio Roy FUJII. #15671

Thank you very much indeed for your letter dated December 7th from which we are pleased to learn that Mr. Fujii is actually desirous of having his farm rented and now voices no objection to said farm being rented.

Will you please be good enough to inform Mr. Fujii that by virtue of Order in Council PC 5523 the Soldier Settlement of Canada selects tenants and sets terms covering all farms vested in the Custodian. An application having been placed with the Soldier Settlement of Canada by a Mrs. Hannah and her application having been approved by the Director of the Soldier Settlement, the Custodian's office has accepted the recommendation of the Director and has permitted Mrs. Hannah to rent the farm registered in the name of the Japanese individual mentioned above.

Yours truly,

R. P. Alexander,
Manager.

Dear Sir:

Re: Fukumatsu FUJII, # 14091

We have written numerous letters to the above Japanese in connection with the disposition of his chattels remaining in the protected area. On October 13th we attached an inventory of all his belongings our field men reported to have found in his dwelling house located at Haney, B. C. We requested that he sign one copy and return it to this office but to date we have not received any response from him in this connection.

We are, therefore, taking the liberty of asking you to kindly parade this individual to bring this matter to his attention.

Your co-operation in this respect would be greatly appreciated.

Yours truly,

R. D. Richardson,

I do not know how many brooder stoves were listed by the enumerators but there are two there - the two we asked to have the use of - also the saw blades and hayforks are on the place - possibly overlooked by the enumerators.

Dear Madam:

Re: Yoshio FUJII

Thank you for your letter of the 19th instant.

The Japanese holding on which you are living is one of those properties that will be taken over by the Director of Soldier Settlement, and the question of renting for another year will have to be discussed with that organization. I do not anticipate however, that there should be any difficulty in your being able to reach an understanding with them provided your present rental agreement is kept up-to-date, and the property is being well looked after.

You will in the very near future be receiving some assurance in this regard from the office of the Soldier Settlement Board here.

Yours truly,

G. T. McKay.

Re: Fukumatsu FUJII, Reg. 14091

The above-named Japanese leased his property at 154 Tenth Avenue, Haney, B. C. to Mrs. M. E. Hannah, who, I understand is still renting.

It is noted that the following items are missing from the auction sheets:

Heater
Platform Scales
Lantern
Hand Pruner
Watering Can
2 Wheelbarrows
11 Water Pails
1-12 gal Crock

Chicken Troughs

2 Sledge Hammers & Wedges
4 Peavies
Large Steel Block & Hook
1-5 x 1-6 Crosscut Saw
Buck-saw
1 Brooder Stoves & Covers (2)
50 ft. $\frac{1}{2}$ " Cable
50 " $\frac{1}{4}$ " "

As these articles would appear to be of some value, would request that you contact Mrs. Hannah to ask for an explanation of why these cannot be removed to auction?

This property was leased to Mrs. Hannah but she did not live on the property and did not see any of the chattels. She states if any articles are missing she had no knowledge of them as they must have been stolen, and she refuses to take any responsibility for them.
