Mr. Takemasa OMORI,
Registration No. 00262,
Minto City, B. C.

Dear Sir:

For your information we enclose statement of your account showing a balance of \$856.25 standing at your credit at the end of the Quarter ending 31/3/1943.

The only claim registered against you is for \$213.42, which Messrs. J. H. Todd & Sons Ltd. state was overpaid to this office by mistake, their explanatory statement reading:

(1) Price of Boat as per Agreement for Sale dated Feb. 2/1942		\$1200.00
(2) Paid Cash	\$900.00	
(3) Lippsett Ltd.	.55	
(4) West Coast Salvage - Invoice 27/6/1942	168.39	
(5) False Creek Machine Works - Invoice 30/7/42	44.48	
(6) Paid Custodian	300.00	
	\$1413.42	\$1200.00
(7) Amount overpaid		213.42

Messrs. Todd & Sons' covering letter stated that the Agreement for Sale was for the boat, seaworthy, in good running order, and fully equipped, of which they were to be sole judges, which explains items (3), (4) and (5).

If you confirm the correctness of this account then the balance less the above claim, or \$642.83, will be available to you. In this connection we might mention, however, that in order to conserve cash assets for the purpose of making them available over as long a period of time as possible we are following the policy of limiting remittances to a maximum of \$100.00 in any one month. A special request for a larger sum is given careful consideration but a request for regular monthly remittances within the above limit is sufficient to insure such

remitances being despatched every month so long as the funds available permit.

Dear Mr. Sutton:

I am writing to ask you for your assistance as you represented me at the time my boats were sold. As you know half of the money for the boats were paid at the time. The Custodian are holding the other half of the money for the following boats:

Robert K	\$300.00
H. O.	80.00
Nagato	80.00
Supplies	<u>410.25</u>
	\$870.25

I have written to the Custodian on October 19 but they wrote back to me saying that due to investigation in connection with several boats had not been completed they were unable to send me the money, but however they said that they would communicate with me at the end of November. I wrote again on December 8 and January 2 because I have received no answer.

I wonder if you would be kind enough to secure the money from the Custodian for me.

May we ask you to kindly reconsider this matter along these lines.

Re: Takamachi Otori - Boat, "ROBERT E" - File No. 5775

With reference to your letter of July 28th, wherein you enclosed receipt covering charges which we forwarded you for this amount, in the amount of \$100.00, and also with reference to our two letters of July 28th, and our telegram, we now enclose herewith statement showing that this was over as \$113.42. Of course we should have only forwarded you cheque for \$86.58, instead of \$100.00.

We trust you have not paid this money over, and that we may receive your cheque for this amount.

Under our Agreement of Sale, duly executed by Otori, this boat was to be sea-worthy, in good running order, and fully equipped. Under the said Agreement, we were to be the sole judges as to the necessity of effecting repairs, or making replacements of running gear, and, accordingly, these charges are absolutely legitimate.

Your file No. 8978

Dear Sir:-

Thank you for your letter of July 15 in which you informed me that you are holding \$410.25, pending investigation for the claim against this money, to the credit of my account.

In connection with above, I will be very grateful if you are kind enough to look in to the following matters;

I have sold three fishing vessels, namely, "Robert K" "T.O." and "H.O.", together with miscellaneous fishing gears, through Japanese Fishing Vessels Disposal Committee to Messers J.H. Todd & Sons, Victoria, B.C.

The total amount for the transaction of aforesaid vessels has been \$2,400.00 and out of that amount I have received \$1,800.00 from them as first payment, still leaving the balance of \$600.00 in my favour.

On June 12 I wrote to J.H. Todd & Sons through Mr. K. Kimura of Japanese Fishing Vessels Disposal Committee and Messers Reid Wallbridge Gibson & Sutton of Vancouver for the payment of above mentioned balance.

On June 19 J.H. Todd & Sons wrote to me, as per attached copy, stating that settlement for the "Robert K" "H.O." etc., together with

cannery accounts have all been paid and cheques were forwarded to the Deputy Custodian.

However, according to your letter of July 2 and 15, I have impression that all you have received in my favour from Todd & Sons, amounting \$ 425.00 was for the transaction of miscellaneous fishing gears, therefore, the balance of \$600.00 for the transaction of fishing vessels is still outstanding, unpaid by them.

Please, Sir, be kind enough to communicate with J.H. Todd & Sons Ltd., P.O.D. 578, Victoria, B.C. and ascertain about the payment of above balance in my favour.

I am,

Yours obedient servant
