File No. 2315

Feb 13 1947
Rebuletson

Dear Mr. Gibson:

The above policy was applied for January 4, 1926 and was issued at age two years next birthday with a twenty-five cent weekly premium payable. The policy was paid in full with a date of last payment of December 31, 1945, at which time the sum of \$317.48 became due.

We received a letter from the insured's mother dated May 31, 1946 requesting information as to the payment of this insurance. Accordingly on July 10, full particulars were furnished to the mother and the necessary claim papers were sent to her with instructions as to how the insured should complete them. Enclosed are two carbons dated August 29, and October 31, which are self-explanatory. Would it be possible for your office to assist us in the completion of the claim papers. If so, we are enclosing a duplicate form in the event the original has been lost or mislaid.

Any assistance rendered by your office will be most appreciated by us.

Yours truly,

F. R. Gibney

Mrs. F. Yagi,
P. O. Box 111,
Edmonton, Alta., Canada.

Dear Mrs. Yagi:

Although we wrote you on the above date, we have not up to the present time received the completed papers signed by your son nor have we had any additional word from you.

As previously pointed out, this policy matured for payment on January 1, 1946 and is in benefit for \$317.48. Due to certain Canadian Government restrictions, they must approve the payment of the insurance before we can remit our check to the insured. We would like to know if your son resides with you at the present time and also will you please have him furnish us with his place of residence prior to the one he now has.

It is our desire to dispose of this benefit as soon as it is possible to do so and, therefore, we would appreciate the prompt return of the claim form, properly filled out, and the policy.

Yours truly,

Dear Mrs. Yagi;

As our letter of above date has not been returned by the Canadian Postal authorities, we assume that it was received by you.

This policy on your son's life became payable on January 4, 1946, at which time a benefit of \$317.48 became due and payable. As the Company has no facilities for retaining this money after the maturity date has been reached, it is our earnest desire to pay this insurance to the insured as soon as it is possible to do so.

Therefore, will you kindly communicate with us, or else have the insured forward the completed papers to us at his earliest convenience.

Yours truly,
