PERSONAL PROPERTY SUMMARY

April 2, 1946.

Re: Nobuo TAKAI, Reg. No. 08477

This man signed a declaration to the Custodian on May 18, 1942. He was evacuated on July 30, 1942.

In his declaration to the Custodian he reported a savings account with the Royal Bank of Canada at Vancouver with a balance of \$750.00, life insurance policy No. 551414, Mutual Life Insurance Co. and a Montreal Life Insurance policy with the Yorkshire Savings and Loan Assn. None of these items come under the control of this office.

In addition to the property reported by TAKAI his file reveals that a Westinghouse mantel radio was surrendered by him to the R.C.M.P. This radio was sold by the Custodian for the net sum of \$42.91 which has been credited to the account of this man. This radio had been surrendered by the R.C.M.P. in the name of MAEDA & TAKAI of Egmont, B.C. This was the name under which the company for which TAKAI was working had operated. Tamatsu MAEDA, the "MAEDA" of this company, informed us in September, 1945, that TAKAI was the sole owner of the radio and that he had no interest whatsoever in it. The original of this letter is on File 8996.

The vessel "Matsue #1" was sold through the Japanese Fishing Vessels Disposal Committee for the total sum of \$2440.00. The Committee's supervision costs were \$29.40, leaving a balance of \$2410.60. From this balance the sum of \$12.21 was paid to Bill Wagner in settlement of a claim filed by him against this vessel. \$2395.94 was deposited in the east end branch of the Royal Bank, Vancouver to the credit of Nobuo TAKAI and \$2.45 was remitted to TAKAI at Grand Forks, B.C. on November 23, 1942. He received this on January 7, 1943.

This file reveals no other assets.

This summary is certified to be in accordance with information on file.

Dear Sir,

We have received your letter to-day regarding an offer for my radio. That offer from the J.Y.C.A. is entirely out of reason, or it may have been the mistake on the part of the radio technician on setting the valuation. That radio had cost us a little over one hundred dollars and it has only been used for about 6 months, so it is practically new.

I am very sorry to admit that I have no intention of selling it at the mentioned offer.

I have a white friend out here at Grand Forks, who wishes to buy my radio for \$75.00. So will you kindly arrange it so that it can be delivered out here. I understand that this man will be writing to you too.
