CHATEL SUMMARY

Re: Kuranosuke HASHIMOTO
Reg. No. 03393
Evacuated May 21/42.

In his declaration of May 19, 1942, Kuranosuke Hashimoto declared that he was leaving certain chattels at 111 No. 9 road, Steveston, and 1 washing machine and 3 boxes of chinaware in care of the new tenant in Mrs. Y. Kariya's home.

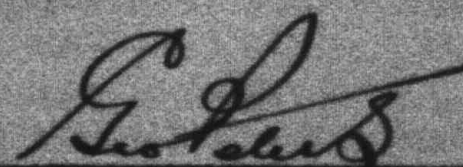

The Custodian's agent, J. D. Mather, reported on June 4, 1942, that the chinaware left at 111 No. 9 Road, Steveston, was left in the care of W. A. Urquhart, and the washing machine and chinaware to be left with Walters, the tenant of Mrs. Y. Kariya's house. This was found to be the wrong tenant and these articles were signed for by Mrs. Joe Martin.

When Mrs. Martin vacated the premises, Mrs. Dafoe, the new tenant, signed for the chattels in her care, but it is noted that the chinaware and washing machine are missing from this statement. See the General Summary for more details.

The chinaware and dolls held by Urquhart were taken over by the Custodian and auctioned. The Proceeds were credited to Hashimoto's account.

The goods stored at the warehouse of the B. C. Purchaser's Co-operative Association have been dealt with by Mr. Spain's memorandum of August 12, 1943.

GENERAL SUMMARY

Re: Mrs. Yone (Sadafuko) KARIYA
Registration No. 05080

There appears to be a memorandum missing from this file with reference to a visit to Mr. & Mrs. Martin in October, 1945, by the writer and Mr. Harris of the Stevenson office. The writer questioned Mr. & Mrs. Martin with reference to the missing articles which they had signed for in their care but which do not appear to be signed for by Mrs. Gladys Dafee, the new tenant.

Martin
Mr. & Mrs. *Martin* stated Mr. Robinson, Custodian's agent, signed them out of the house, allowing them to take one bureau and also supplying them with one heater. They also claimed this house was vacant for a considerable time and was broken into. They further stated Mr. Robinson was well aware of this fact. Later, on questioning Mr. Robinson, he could not remember if this was right or not. Mr. Martin claimed they threw the heater out as it was useless, and they still have the bureau in their possession, although the mirror was broken. It appears this bureau has not been removed.

The above Summary is certified to be in accordance with the information on file.

MEMORANDUM

File No.

August 12th, 1943.

TO: The File

FROM: Mr. G.B. Spain

RE: B.C. Purchasers Co-operative Association

As the B.C. Security Commission had accumulated sufficient Custodian releases to justify the opening of the premises at 573 East Hastings St., I telephone Mr. McLennan of Norris & McLennan, the legal representative of the Association, and suggested to him that he should bring the key, and accompany the Custodian officials, and members of the B.C. Security Commission, to arrange identification of chattels.

At 9:00 A.M. today we all met as arranged and Mr. McLennan with the key attempted to open the front door. This proved impossible as there appeared to be some obstruction inside, quite apart from the bad condition of the lock on the door. Eventually we were able to gain entry through the rear door and were then able to understand why the front door could not be forced. Thieves had entered by the front door, and had placed large planks against the door, preventing the opening of it which would insure their uninterrupted examination of all the chattels, most of which appeared to have been packed in boxes. The lids had been torn off the boxes and contents ransacked and scattered over the floor, and piled up in a state of utter confusion, making shipment impossible. Both Mr. McLennan and the B.C. Security Commission representative realized the futility of attempting to identify and separate the chattels, so the truck was dismissed.

Mr. McLennan called in detectives who made a cursory examination and left without making comments. This particular location is the hangout corner of the worst element in Vancouver.

All chattels were eventually moved to our warehouse and sold by public auction.

Mr. McLennan sent a representative who, in company with our Mr. D.A. Smith, spent about one week identifying chattels on the basis of a list supplied by Mr. McLennan. This identification was accomplished only with extreme difficulty.

Under the aforementioned circumstances, the Custodian can assume no responsibility for anything that may be missing.

Dear Sir:

This is to acknowledge your cheque amounting to Forty-One Dollars and Fourteen Cents (\$41.14) as requested by you. You also mention in this letter that 3 boxes of Chinawares and 1 Washing Machine left at Mrs. Y. Kariya's home are lost.

I would like to say that for the past four and one half years I have been on a self-supporting basis and am quite low financially. If there is any way in which I can make a claim for these lost goods, I would like to know in which manner I should go about in getting compensation for the lost goods, since they were left in your care.

Dear Sir:

We are enclosing herewith our cheque in the amount of \$41.14, being the balance of your account with the Custodian.

In your declaration of May 19, 1942, you declared 3 boxes of chinaware and 1 washing machine that would be left in care of the new tenant in Mrs. I. Kariya's home, whose name we found out later, was Mrs. Joe Miller. She vacated this house and before the new tenant, Mrs. Gladys Dafee, took possession, approximately 3 weeks later, this house was pilfered and your washing machine and chinaware cannot be found. A record of this remains on our file.

Kindly acknowledge receipt of the above mentioned cheque.

Yours truly,

Re: Kuranosuke HASHIMOTO

At the time of his declaration this man reported one washing machine and a box of chinaware stored at the home of Mrs. KARIYA, File 697. The file of Mrs. KARIYA throws no light on the disposition of these chattels. The chinaware sold and credited to HASHIMOTO were removed from 111 Steveston Highway and not from the KARIYA house.

In accordance with the Custodian's present policy, we expect to liquidate these goods in due course.

Regarding your real property, this has not yet been sold but when it is you will be advised.

If conveniently possible, would you please call on Mr. S. Watts, 659 No. 1 Road, Steveston, who purchased a Dodge Sedan from Kurenosuke HASHIMOTO for the sum of \$550.00 back in March, 1942 against which he paid \$300.00 in cash, leaving a balance still owing of \$250.00.

Would you please tell Mr. Watts, who has ignored all communications to date from this office, that in the absence of his making payment immediately the Custodian is fully prepared to have a Writ issued against him and to thereafter take any necessary steps. Mr. Watts might be well advised to effect settlement immediately and thus save himself the expense of a suit and save himself also certain unpleasant publicity. In our last letter we drew your attention to the fact that you lay yourself open to certain penalties by ignoring correspondence from the Custodian of Enemy Property. In order that you may not be under any misapprehension in this respect we are quoting below some paragraphs taken from the "Consolidated Regulations Respecting Trading with the Enemy".

"No. 56 - Any person who refuses or fails to make or require the making, as the case may be, of any payment, or to furnish the prescribed particulars as required by these Regulations, shall be guilty of an offence under these Regulations.

"No. 64 - Any person guilty of an offence under these Regulations shall be liable to a fine not exceeding five hundred dollars or imprisonment with or without hard labour for a term not exceeding six months, or to both such fine and imprisonment."

The Custodian will charge interest at the rate of 5% if overdue claims are not paid, and the Custodian may take action in the Exchequer Court of Canada if a reply is not received to this letter. Any such steps that he may decide to take will be taken without further notice to you.

Dear Sirs:

Re: Kuranosuke HASHIMOTO

Thank you very much for your letter dated January 27th, your reference VAN 89F, regarding the individual mentioned above. We regret that we have nothing on file bearing on the \$2,000.00 mentioned in your letter.

About two months ago Mr. Sokichi Ito, son-in-law of Mr. Kuranosuke Hashimoto, who had declared to us that he had no assets, and who was in the East expecting to be repatriated to Japan, telegraphed to Mr. Hashimoto and asked him to forward him a remittance of \$200.00. This Mr. Ito was one of the partners of the Import and Domestic Silk Company whose affairs are now being examined by Messrs. P. S. Ross and Sons.

Your letter indicates that in so far as the older transaction is concerned you deem it inadvisable to let Mr. Hashimoto know that his irregularities are suspected and we shall be guided accordingly.

Dear Sir,

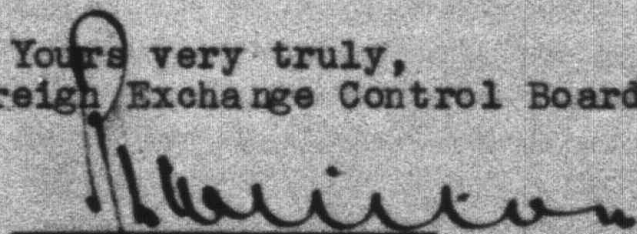

KURANOSUKE HASHIMOTO #03393
Your File No. 9575

Referring to your letter of November 17 last, upon investigation it appears quite likely that Hashimoto when he returned to Japan in December 1939 took with him various drafts for Japanese who might have bought them as benevolent remittances. At this late date it is practically impossible to check on this but in any event no permit is required from us to export a bank draft.

We found that Hashimoto had withdrawn \$2,000 in cash from his bank a few days before he sailed and it is likely that he may have illegally exported some or all of this. We have decided however not to question him on this for it would be so easy for him to say he had transferred it to some other resident and so difficult for us to prove the contrary. In the absence of a reasonable chance of establishing his guilt we think it better not to let him know we suspect any irregularities.

If by chance you have anything on file bearing on this \$2,000 we should appreciate your letting us know.

Yours very truly,
For Foreign Exchange Control Board.

Dear Mr. McPherson,

Re: Import and Domestic Silk Company

I find that on December 10th you wrote to Mr. K. Hashimoto at Shalalth, B.C. as follows:

"I would appreciate receiving by return mail from you full information as to your connection with S. Ito and whether or not you are holding any funds, belonging to this party, or any property for him.

I wish to point out that this information is requested under the provisions of the Consolidated Regulations Respecting Trading with the Enemy (1939)."

Apparently a reply was received in our office on December 24th as our date stamp appears on the letter. To-day the file and letter came to my desk and I have been unable to find any real reason for the delay. Apparently the letter was side-tracked in an endeavour to locate the correct file. The reply from Mr. Hashimoto is as follows:

"Answering the letter dated December 10th inst. I wish to state as follows:

- (1) That the above stated S. Ito is my son-in-law.
That is to say that Mrs. S. Ito is my own daughter.
- (2) That I hold no property nor any fund for the above party.

I trust that the above information will meet with your approval."

G. E. McPherson Esq.

This is the man referred to by Mr. Mathieu and to whom a telegram was sent by Sekichi ITO, who was expecting to be repatriated, asking for \$200.00 to be remitted to him.

The Mr. Ito referred to is one of the partners of the Import and Domestic Silk Co., now being investigated by Messrs. P.S. Ross & Sons and I am passing this information on to them.

We recently advised you in our letter of January 12th of a reply to your letter written to Mr. Ippai NISHIO and in which we asked for your advice in regard to obtaining a legal opinion as to the extent of the enemy interest.

At the moment we have not had your reply in regard to this and we will doubtless be hearing from you in this connection.

Dear Sir,

Re: Kuranosuke HASHIMOTO - #03393

We received your letter of November 17 and we are contemplating holding an investigation into the implications of the report you mention.

It is conceivable however, that since at the time of the export of 1,700 yen in December 1939 it may develop that this consists of a number of separate remittances by individual residents who were then permitted to export up to \$100. U.S. per month each, that we will find it difficult to prove a violation of the Foreign Exchange Control Order.

At a later date, the maximum amount that an individual could export without specific permit for benevolent or patriotic purposes was reduced to the equivalent of \$25. U.S. per month.

We thank you very much for bringing this matter to attention.

Yours very truly,

**900 Comfort Kits And \$1,700

KOBE, Dec. 22. — Kuranosuke Hashimoto, president of the Japanese Association of Steveston, British Columbia, arrived here today by the N.Y.K. liner Hiye Maru, with 900 comfort kits and \$1,700 entrusted by the residents of Steveston.

Aboard the same ship was Yoneichi Sakai, who operates a large fishing fleet in Skeena.

The number of Japanese residents at Steveston has dwindled from the former 3,000 to 800 during the past 10 years due to anti-Japanese movements, said Mr. Sakai.

"We are always given fabricated news to read over there", he said, "but the Canadian press admitted the fall of Hankow. That time, I was so happy that tears welled in my eyes as I shouted the good news to my employees".

"We Japanese fishermen gathered in the sea on 800 fishing vessels and shouted Banzai until our throats became hoarse and we could shout no more", he added.

I sold my car serial #
9386648 on March 5/42 at five hundred
and fifty dollars (\$550) to Mr. Watts of 859
#1 Road, Sturgeon. I have already received
five hundred dollars (\$500) from him,
but he has yet to pay me fifty dollars (\$50).
When I requested the Custodian on
May 2 19/42, I said that no one owed me
any money because he had promised
that he will pay the balanced amount
on May 21st which was the day I left
Sturgeon. I have written to him several
times stating the amt is due but he has
has not yet paid me nor told me
the delay in doing so. I will you ^{kindly} get
me the amt due on ^{and} forward it to
me or advise him to do so yours truly

Dear Sir:

Our agent reported that you took with you all your personal chattels with the exception of some chinaware and Japanese dolls which you left in the care of Mr. Urquhart of 104 Steveston Highway. The agent also reported that a washing machine and some chinaware was left in the home of Mr. Y. Kariya of Steveston whose home was subsequently leased to a Mr. Walters. We have tried to contact Mr. Walters, but there is no such person living in that vicinity. Will you kindly enlighten us as to the present whereabouts of the washing machine and chinaware, and we will then prepare a list of your chattels remaining in this area.

Yours truly,

Dear Sir: Re: Kuranosuke Hashimoto, #03393

I am in receipt of your letter of recent date in which you say the above Japanese declared to the Custodian that he had Chinaware and Japanese Dolls stored in my care at no 111 Steveston Highway.

This property no 111 Steveston Highway is owned by Rintaro Hayashi, (his file no. in your records is # 4967) and has been left under my care under Power of Attorney. There are a number of Japanese dolls stored there and I do not know to whom each belongs but I am writing to Mr Rintaro Hayashi and asking him to let me know if K. Hashimoto has chinaware and dolls stored there. I think he is a relative of the Hayashi's. As soon as I get word from Mr Hayashi I will write you.
