The Planer

Shafting & Pulleys

were moved to our Warehouse at 992 Powell Street. As this heavy machinery was unsuitable for auction, it was decided to include the above mentioned articles in our next public tender.

With this purpose in view, we called on the A.R. Williams Machinery Company to appraise the Machines. Their Mr. Godfrey examined the equipment and gave us the following verbal values:

Planer.....	\$435.00
Band Saw.....	\$365.00
5 H.P. Motor.....	\$ 81.18

The Shafting & Pulleys were valued at 3 to 4 cents per pound.

It is the policy of the A.R. Williams Machinery Company not to commit themselves to written appraisal, we therefore have been obliged to be satisfied with a verbal appraisal.

Re: Kwanichi SASAKI

The assets mentioned in memo to file of May 1st were advertised as per attached on May 15th and tenders opened by Messrs. Shears, Wright and the undersigned on June 5th. The following tenders were received.

Roesch Saw Mills	\$100.00
R. Ostley	380.00
A.R. Williams Machinery Co.	450.00
W. Murray	500.00
Turner's Boat Works	800.00

Mr. Shears ruled that the tender from Turner's Boat Works should be accepted although slightly under the valuation shown on May 1st. His reason for this was that the other tenders, all of which were much lower, indicated that this was an opportunity which might not occur again.

Dear Sirs:

With reference to 'phone conversation
to-day - would like to inform you regarding File
No.9632.

There is 3000 ft. lumber here belonging
to Takeo ENDO #01561 (which was what the men from
the B. C. Forest Service were measuring to-day here).

There is also a little lumber here belonging
to Kwanichi SASAKI. File No.2869.

Perhaps this small amount of information
will help you in finding out which lumber it was that
you wrote the letter about.

Dear Sir:

When you registered with us on the 20th May you listed among other things approximately 3000 ft. lumber left at 7226 Balachova Street in the care of Mr. J. Glazebrook.

This lumber will not improve by remaining at this location and theft is quite a possibility.

We believe that the Forestry Department might be interested in the purchase and use of this lumber and in view of conditions because of war, supplies such as lumber are needed and it would appear desirable to sell this at a fair price.

We would be glad of a reply from you with any comments which you may wish to make regarding this matter. Will you please let us hear from you by return.

Dear Sirs:

We thank you for your letter of the 18th instant in which you supplied us with an inventory of the lumber which is located at 7226 Balaclava Street.

From information we have now received and on looking up our files, it would appear that most of this lumber, said to be approximately 3000 ft. belongs to Mr. T. Endo and the balance we believe belongs to Mr. K. Sasaki.

We have written to both these parties in connection with this lumber and stating that you may be interested in the purchase of it and asking them for any comments which they may wish to make.

When writing to us further in connection with this matter will you kindly refer to our files Nos. 2869 and 9632.

Dear Sir:

Referring to your letter of October 5 in reference to ours of September 28, the offer we received from the Forest Branch of the Department of Lands was offering \$45.00 per thousand for the lumber which is owned by you at 7226 Balaclava St.

We understand that there is about three thousand feet belonging to Takeo Endo and that there is a small balance belonging to you; would you be kind enough to give us information as to how much of this lumber is yours and if you are willing to accept the price of \$45.00 per thousand.

Yours truly,

Dear Sir:

Re: Fire Insurance

Referring to your recent (undated) letter wherein you advise that you consider the value of chattels stored at 7226 Balachlava Street, Vancouver, to be about \$1500.00.

I inquired today of Messrs. Massie, Renwick as to the fire rate, who advise that they will write the risk, charging a rate of 60¢ a hundred per annum.

That would mean a premium of \$9.00 a year for the \$1500.00 coverage. If you would like us to place this insurance, kindly advise and remit the necessary premium.

Yours very truly,

Dear Sir:-

Thank you for your letter of November 24th from which we see that you do not wish to sell your lumber. The Custodian has no objection to your refusing to do so but wonder whether it would not be wise for you to reconsider your decision. Mr. Glazebrooke will not accept any responsibility for fire or theft though we see you are arranging Insurance for the former. The Custodian, of course, cannot accept any responsibility and as this lumber would be useful in the War Effort and may deteriorate if not sold, we think you would be wise to dispose of it. If you would consider \$45.00 per thousand too low, would you like to set a figure which you consider acceptable.

Dear Sir:

We have received a number of inquiries requesting further particulars in connection with recent statements covering disposition made of motor vehicles and we are, therefore, sending you this general letter of explanation.

The Custodian decided it would be in the best interests of the owners to sell Japanese motor vehicles due, not only to the rapid deterioration of paint, batteries and tires, but also because of storage and other charges which were accumulating.

Appraisals of all cars were obtained by the Custodian through competent and unbiased experts.

Deductions made for liens on said cars are self-explanatory.

The administration expenses deducted covered only insurance and storage charges incurred in each case for each car between the time said vehicle was impounded until date of sale of said vehicle.

The proceeds remaining thereafter were transferred by the Custodian to the credit of your account in this office.

Yours truly,

ENDO, Takeo

You will remember that the other day you gave me permission to sell some lumber which was in danger of being stolen, provided an independent valuation could be procured. I was then under the impression that this referred to file 5499 herewith.

On further investigation, however, it appears almost certain that this belongs to Takeo Endo, file 9632 herewith, and this Japanese has refused one offer as per his letter of November 24th. As an offer of \$200.00, being the equivalent of \$66.00 per thousand as opposed to the previous offer of \$45.00 has now been accepted, and as I am afraid this lumber will be stolen, may I refer this offer to the Japanese?

Re: Takeo ENDO

You will remember that the B. C. Packers are offering \$200.00 for some lumber at 7226 Balaclava. Our records show that some of this belongs to Takeo Endo and some to Kwanichi Sasaki.

We have now heard from Takeo Endo that while he considers his share alone of the lumber worth more than \$200.00, he is willing to sell at this price. Please note particularly that this refers to his only and not to all the lumber. He says that all the yellow cedar, red cedar and edge grain 1 1/2" fir is his and that Mr. Glazebrook can distinguish his from Kwanichi Sasaki's.

It is rather difficult, we believe, to find Mr. Glazebrook, but you might be able to contact him on the way in or back on the weekend and find out exactly which lumber belongs to which Japanese. If the Packers are willing to take Takeo Endo's lumber only, for \$200.00 you may then arrange the sale but please make very sure that Kwanichi Sasaki's is not included.

RE: SETTLEMENT AWARDS
Takeo Endo, Case No. 655
Custodian File No. 9632

We return Settlement Award in this connection.

*Withdrawn
12/1/49*

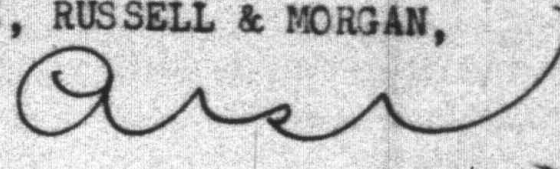

It is satisfactory except that in estimating the amount of goods sold by tender, the amount, we think, should be \$1,000.00 with an increase of \$120.00. The reason is that \$300.00 worth of boat lumber was sold for \$200.00 in addition to the \$800.00 worth of miscellaneous machinery, making a total of \$1,000.00.

Subject to this, the proposed award is satisfactory.

Dear Sir,

Case No. 655 - Takeo EMB

I have your letter of the 11th June and would point out to you with regard to the claim for \$300 for lumber which was sold for \$200, that the transcript on page 3, lines 2 to 7 shows that the claim was withdrawn and therefore no award was made.

On the machinery, the claimed value was \$1100 and the sale price was \$600. A 12% award on this would give \$96.00.

Will you please advise me of your views on the above.

IN THE MATTER OF THE CLAIM OF
TAKEO ENDO.

PROCEEDINGS AT HEARING.

20 APPEARANCES:

G.E.A. RICE, Esq., K.C., appearing for the
Dominion Government.

A.G. VIRTUE, Esq., K.C., appearing for the
Claimant.

MISS LILLIE THOMAS, Secretary.
MRS. LUCIE HANDFORD, Official Interpreter.
S.R. HOWARD, Esq., Official Reporter.

30

THE SECRETARY: Case No. 655, Takeo Endo.

TAKEO ENDO, the claimant herein, being
first duly sworn, testified
through the Interpreter as follows:

DIRECT EXAMINATION BY MR. VIRTUE:

Q Before you were evacuated from British Columbia,
did you have a small sawmill?

A It was a boat building shop.

Q A boat building shop?

10 A Yes.

Q I see. And were you running that boat building
shop right up to the time that you were evacuated?

A Yes.

Q You remember preparing this form (indicating) in
my office with the assistance of your Interpreter?

A Yes.

Q Is that your signature?

A Yes.

Q Was this form carefully prepared?

20 A Yes.

Q And are the statements made in this form true?

A Yes.

Q Are the values placed on your machinery and
other chattels fair values?

A Yes.

Q And all these goods were left behind when you
left?

A: Yes.

MR. VIRTUE: I will offer that as an exhibit.

(SUMMARY MARKED EXHIBIT NO. 1).

30 MR. VIRTUE: I might say to your Honour and my learned

friend that there is a claim in here for lumber that we are abandoning because we found afterwards that it was sold with his consent and we have amended the claim by striking out the lumber.

THE SUB-COMMISSIONER: How much is it?

MR. RICH: \$200.00. The claim is for \$300.00, the best lumber.

MR. VIRTUE: Now I would ask my learned friend to produce the claimant's letter of February 2nd, 1943, regarding the truck.

10

Q You had a Ford light delivery truck, had you?

A Yes.

Q Do you understand English well enough to get along without the Interpreter?

A No, I am afraid not.

Q Did you leave the truck behind when you left?

A Yes.

Q Were you using it in your business up to the time that you left?

A: Yes.

20 Q So that it was in running order?

A Yes.

Q You placed a value on the truck of \$450.00?

A Yes.

Q Was that a fair value on the truck in the condition it was in?

A Yes, I think so.

MR. VIRTUE: I produce from the Custodian's file and will tender it as an exhibit, a letter dated February 2nd, 1943, written by the claimant to the Custodian: "Referring to your letter

30

T. Ende,
In Chief.

"dated January 14, 1943, re Ford truck,
file No. 9362.

"This car was taken from me in spring,
1942, by Mounted Police in perfect condition.

"Had they let us I could have sold it
at a good price and now to sell it at this
price without even letting me know about it,
I do not want it sold.

10

"I understood all property left in care
of Custodians was to be sold at a fair market
price if sold.

"Administration expenses - why should I
pay for this. I did not ask to have it sold.
Please have this sale cancelled. If the car
is too much in your way I could find a buyer
for it here. If you will please have it
sent over here in the condition I turned it
over in.

20

"Thanking you for your consideration,
Awaiting your reply, I remain,
Yours truly,
T. Ende."

Q You wrote that letter, did you?

A My wife wrote it for me and I signed it.

Q Yes, I see. I will tender that as an exhibit.

(LETTER MARKED EXHIBIT NO. 2).

MR. REE: Is that February 2nd?

THE SECRETARY: February 2nd, '43.

MR. VIRTUE: Q: Did you ever agree to the sale of your
machinery?

30

A: No.

5
T. Ende,
In Chief.

MR. VIRTUE: I would ask the counsel to produce a letter or maybe I have it here. Yes.

Q I show you a letter dated November 28th, 1946, from the Custodian (indicating). Is that a letter that you received from him?

A Yes.

MR. VIRTUE: I will offer this letter as an exhibit, sir. It reads, and it is to Take Ende,

10

"We enclose herewith Custodian cheque in the sum of \$222.77 being net proceeds from sale of your Ford light delivery.

"On or about June, 1943, Mr. Glasebrook left 7226 Balasclava Street. The new tenant is Mr. E.S. Turrell. On June 12th, 1943, Mr. Turrell advised us that the following goods belonging to you were in his care:
1 Bandsaw #714, 36".

1 Planer

1-10 H.P. motor.

20

1 Switch box.

"Since you expressly asked us not to sell these goods, we will leave their disposition entirely in your own hands.

"Kindly acknowledge receipt of this cheque."

And it is signed by F. Matheson, Office of the Custodian.

(LETTER MARKED EXHIBIT NO. 3).

MR. VIRTUE: I am merely filing that, sir, to show that notwithstanding that letter they disposed of

30

T. Ende,
Discussion.

all these goods.

Q That is all, thank you, Mr. Ende.

MR. REE: I am submitting, your Honour, that these chattels were sold at their fair market value.

A I tender as an exhibit an analysis of personal property claim.

(ANALYSIS MARKED EXHIBIT NO. 4).

MR. REE: I also wish to tender as an exhibit an appraisal of the used car made by McDermott Motor Company, H. Grone, at \$250.00, and a memorandum of the sale to Dan McLean Motor Company Limited at the same price, and also attached is a police report. Mark them all as one exhibit.

10

THE SECRETARY: Mark them as one exhibit?

MR. REE: Yes, the whole lot. Is that all right, your Honour?

THE SUB-COMMISSIONER: Yes, all as one exhibit.

(DOCUMENTS MARKED EXHIBIT NO. 5).

MR. REE: Now with respect to the sawmill machinery --

20 MR. VIRTUE: I called it sawmill machinery wrongly. It is best building machinery.

MR. REE: With respect to it, the Custodian had the A.R. Williams Machinery Company appraise the machinery, and their Mr. Godfrey examined the machinery and gave us the following verbal values: Planer, \$435.00; Bandsaw \$365.00; 5 H.P. motor, \$81.16; they said it was a ten horsepower. The shafting and pulleys were valued at three to four cents a pound. And it is the policy of A.R. Williams Machinery Company not to commit themselves to a written appraisal and therefore the Custodian

30

T. Ende,
Discussion

was obliged to be satisfied with the verbal appraisal made by their representative.

This property was then advertised for sale by tender and there were five bids made for the same. The Reesch Sawmills bid \$100.00; R. Ostley bid \$380.00; A.R. Williams Machinery Company bid \$450.00; --

10 MR. VIRTUE: -- Pardon me a moment, Mr. Rice. If this is a question, which I thought it started out to be, it is a most complicated one and one that I cannot follow.

MR. RICE: I am not asking a question; I am making a statement.

MR. VIRTUE: Are you filing that?

20 MR. RICE: No, I am not. I am just making a statement of what was done with this boat machinery or sawmill machinery. The appraiser was called in to appraise the machinery, a representative of A.R. Williams Machinery Company, namely Mr. Godfrey, and he refused to make a written appraisal which I could file, and only made a verbal appraisal which I have given for the record.

MR. VIRTUE: As long as it is understood that it is merely for the information of the claimant and goes in in that way, it is all right.

THE SUB-COMMISSIONER: Yes.

30 MR. RICE: Continuing with the bids that were made for the machinery, the A.R. Williams Machinery Company bid \$450.00; W. Murray, \$500.00; and Turner's Boat Works \$800.00, and it was sold for \$800.00.

T. Ends,
Discussion.

I will file, your Honour, if I may, a memorandum re sale of chattels, regarding the best building machinery or sawmill machinery.

(MEMORANDUM MARKED EXHIBIT NO. 6).

10 MR. RICE: For the purposes of the record, I would call attention to the fact that the claim was originally filed by the claimant some to \$300.00 for best lumber, and then it was apparently pointed out to the claimant's counsel that on March 10th, 1943, the claimant had written the Custodian authorising the sale of this lumber for \$200.00.

THE SUB-COMMISSIONER: Is that all, Mr. Rice?

MR. RICE: That is all, your Honour.

20 MR. VIRTUE: In connection with the light delivery car I merely call attention to the R.C.M.P. report filed as Exhibit 5 in which the condition of the car is twice described as fair; first, condition fair, and then, "Description and condition verified - appears fair". I also call attention for the record to the fact that this best building equipment was used in connection with the business which was a going concern at the time, and in considering values no doubt that will be observed.

THE SUB-COMMISSIONER: Yes, all right.
