Dear Sirs:

In regard to the premises 658 Alexander Street, these premises are owned by the Clayton Estate, residents of Manchester, England. I have been looking after the renting of the premises and on account of the premises being only rentable by Japanese; I have for several years let the premises to M. Yamabe and as I assume he and his family are anticipating being evacuated they are endeavouring to turn the premises over to a Mr. A. J. Bergeron of 504 East Hastings St., who reports to me that the bath tubs with the exception of one are missing from the premises and the radiators and heating equipment have been disconnected and these repairs will be costly to the owner unless remedied by the Japanese tenant before vacating. The tenant has only been paying

\$25.00 a month so there is no money in the estate for these repairs and I think the matter is one that should be adjusted and taken care of by the Japanese at once before the evacuation. Would be glad to hear from you.

Yours sincerely,

Dear Sir:

Re: Masao Yamabe

We are in receipt of your letter of the 23rd June and note your remarks with regard to the bath tubs and radiators.

You will of course appreciate that as far as the Custodian's department is concerned the Japanese properties become vested in us in the condition that they are at the time that they come under our control:

Apparently Mr. Yamabe has been a tenant of the property you are interested in for a number of years and any claims you may have would be a matter for adjustment by ordinary procedure as between landlord and tenant.

We are of course prepared to receive any claims you may wish to file and such claims would be considered if any assets or revenues came under our control. In the present case, however, it does not appear that we will be in any position to help you as there do not appear to be any assets or revenue which we will be handling in connection with the affairs of Mr. Yamabe.

Yours truly,

F. G. Shears,
Assistant Manager.
